Annual Rate of Interest.

The following was presented and read by the Clerk:

January 6, 1916.

To the Honorable Board of Supervisors, San Francisco.

Gentlemen:

In Compliance with Chapter 3, Section 2 of the Charter providing for the fixing of the annual rate of interest on all bank deposits of public money, we have this 6th day of January, 1916, established the annual rate of interest on all such deposits at 2 per cent for the year 1916.

Respectfully,

JAMES ROLPH, JR., Mayor.

THOS. F. BOYLE, Auditor.

JOHN E. McDOUGALD, Treasurer.

Read and ordered printed in Journal.

REPORTS OF COMMITTEES.

Report of Finance Committee.

Condition of Accounts, December 31, 1915:

The following report was presented by Supervisor Jennings and ordered printed in the Journal and Municipal Record:

REPORT OF FINANCE COMMITTEE.

Condition of Accounts, Dec. 31, 1915.

San Francisco, January 8, 1916.

*The Honorable Board of Supervisors,**City and County of San Francisco.*

Gentlemen:

The Finance Committee about to retire presents its final report and a statement of the several funds of the City and County of San Francisco as of December 31, 1915.

A perusal of this report will show that in the appropriations from budget funds, the committee has recommended only one-half of the sums set aside for the several purposes for the fiscal year. This leaves for the incoming Board of Supervisors and its Finance Committee full balances under which to conduct the business of the City for the next six months until the next budget shall have been made and the necessary tax levied.

In presenting this report the committee does not feel it necessary to recount the many projects that have been started and finished during the four years the committee has had to do with the City's finances, nor is it deemed necessary to recite the many difficulties that occurred from time to time in disposing of the City's bonds. The committee feels that all that it is necessary for it to report is the condition of the finances.

One subject, however, which deserves reference is the matter of accounting, and a statement as to criticisms made by tax associations, newspapers, and particularly the grand jury. The criticisms heretofore made have been the result of investigations by persons who had no definite knowledge of municipal problems and no understanding of the methods required to keep the City's accounts in proper shape. The grand jury, for instance, in its recent elaborate and illustrated report, comments upon the failure of the Finance Committee to provide for two hundred additional policemen. The function of the grand jury is to see that the law is obeyed and not to recommend violation of the Charter. The Police Department has now the full quota authorized by the Charter and any additional appropriation for more men would be a violation of the law. Apparently the grand jury is not familiar with this law.

Comment is also made upon the lack of co-ordination in the accounting systems. This is the criticism that usually comes from persons who are not familiar with the methods of keeping the City's books, and the Finance Committee wishes to state in passing that complete co-ordination exists between Mr. Cyril Williams' books and the books of the Auditor and Treasurer, the Board of Public Works and other departments. There may be some slight differences in the accounting systems in these different departments, but the balances agree monthly.

The Finance Committee, with the co-operation of the Board of Education, has installed a new accounting system which ought to simplify the records of the School Department and lead to ready comparison between that department and the Auditor and Treasurer.

The report of the grand jury indulges in vague criticism of certain departments and then states that the books of the Auditor are correct and intelligible. Inasmuch as the Auditor's office is the heart of the accounting system, the critical report is of little value.

The work devolving upon the Finance Committee of the Board of Supervisors is arduous, and at times the Committee is compelled to take positions in protection of the public funds which provoke criticism on the part of persons desiring special appropriations. Invariably the Finance Committee is subjected to more criticism than any other Committee of the Board. That is because that Committee more than any other has to say "No."

In concluding its labors with the Board of Supervisors after four years' service, the retiring Committee extends its best wishes to its successors and assures the incoming Committee that we will be glad to consult and co-operate with them at any time they may wish our services.

Respectfully submitted,

THOMAS JENNINGS,
WM. H. McCARTHY,
HENRY PAYOT.

Report of Fire Committee on Alleged Payment of Money for Garage Permits.

San Francisco, January 8, 1916.

The following report was presented by Supervisor McLeran and read by the Clerk:

To the Honorable, the Board of Supervisors, San Francisco, Cal.

Gentlemen:

Your Fire Committee brings to your attention today for appropriate action the subject matter of Garage Permits for which certain persons have collected money ostensibly to influence the action of your Committee and the Board. The Committee recommends in an accompanying resolution that this whole matter be referred to the Grand Jury for a searching investigation.

The Chairman of the Committee at a recent meeting was directed by the Committee to investigate common rumor that money was being paid for the granting or denying of certain garage permits. Supervisor Deasy brought the matter before the Committee, stating that he had been told by a friend that he, the friend, had been "held up" before he could get his garage permit. Acting upon this statement Supervisors McLeran and Deasy called upon this man and he repeated the statement. Subsequently Supervisor McLeran procured certain receipts, affidavits and statements, all tending to establish the truth of the statement that certain parties had collected money for alleged services in the matter procuring or obstructing garage permits.

Much of this information has been published and it appears to the Committee that all of it should be forthwith presented to the Grand Jury.

The Committee and the Chairman have not obtained any statement from any person to the effect that money has been paid to any member of the Board of Supervisors.

Should the Board approve the Committee's recommendation, the Chairman and the members of the Fire Committee are prepared to give names of witnesses and parties involved to the Grand Jury.

Respectfully submitted,
RALPH McLERAN,
CHARLES NELSON,
C. J. DEASY,
Fire Committee.

Grand Jury to Investigate.
Thereupon, the following resolution

was presented and *adopted* by the following vote:

J. R. No. 2027.

Whereas, It has been brought to the attention of the Fire Committee of the Board of Supervisors that certain persons outside the Board were collecting money for the purpose of influencing action for or against the granting of permits for garages, and

Whereas, The Committee at a recent meeting authorized its Chairman, Ralph McLeran, to investigate these reports, and

Whereas, The Chairman has made such investigation and procured certain affidavits, receipts and statements of several parties, all tending to establish that certain persons have collected money for alleged services in connection with matters pending before the Fire Committee; therefore, be it

Resolved, That the Grand Jury be hereby requested to immediately and completely investigate this subject matter and take such action as may be necessary; be it further

Resolved, That the Fire Committee is hereby authorized on the part of the Board of Supervisors to lay before the Grand Jury all documentary and oral evidence which is in its possession.

Ayes—Supervisors Bancroft, Deasy, Hilmer, Hocks, Jennings, Kortick, McCarthy, McLeran, Murdock, Nelson, Nolan, Power, Suhr, Vogelsang, Walsh—15.

Rules of Proceedings Amended.

Supervisor Welch presented:

J. R. No. 2030.

Resolved, That Rules Nos. 2, 10, 12, 14 and 15 of the Rules of Proceedings be amended to read as follows:

Each committee shall be composed of as many members as the Board may designate.

The respective duties of each of the foregoing committees and the time of meetings are hereby defined as follows:

Auditorium—To have control and management of the Municipal Auditorium as provided in Ordinance No. 3521 (New Series) to lease said building and the several halls and apartments therein; to report and recommend on applications for leasing of said building for public assemblages and gatherings; to consider and report on all matters relating to the management, conduct and maintenance of said Auditorium.

Civil Service—To consider all matters relating to civil service in the several departments and to promote efficiency and economy in expenditures.

Commercial Development—To consider and report upon all projects tending to promote the establishment of industries in San Francisco and to co-operate with commercial and industrial organizations in all efforts to establish new industries and assist established industries, and to consider measures helpful in developing San Francisco as an industrial center; to consider the requests of any industry for privileges which the Board has power to grant and which may be properly granted for the purpose of promoting the commercial and industrial welfare of the City and assist when possible in having necessary water, electricity and gas furnished to new industries; to encourage the development of industrial districts and the improvement of streets and property for commercial purposes; to consider and report upon plans for the construction of traffic terminals and generally to consider manufacturing and transportation problems as related to the industrial needs of the community.

Education, Parks and Playgrounds—To consider and report upon all matters relating to the Departments of Education, Parks and Playgrounds, expenditure of funds and to make recommendations, acting jointly with the Building Committee, as to the type of school buildings to be erected and the purchase of school sites; to recommend purchase of sites for playgrounds and to co-operate with the Board of Education, Playground Commission and Park Commission, re-

garding the development and increased usefulness of these departments.

Electricity—To recommend from time to time extensions of underground wire system and to have general charge of all matters pertaining to electricity other than public lighting and amendments to the building laws.

Finance—To perform all duties required by the Charter; to audit all bills and report on all matters that may be referred to it by the Board of Supervisors; to exercise general supervision over all employees, under the jurisdiction of the Board of Supervisors. (Meets Fridays at 2:30 p. m.)

Fire—To consider all matters relating to the Fire Department; to report on all applications for garage, boiler, laundry and other permits referred to it. (Meets Thursdays at 2 p. m.)

Judiciary—To consider and report upon all matters referred to it by the Board and to propose such amendments to the Charter as may be deemed advisable.

Lands and Tunnels—To investigate and report upon proposed purchases of lands for tunnel purposes; to formulate plans for leasing City lands not needed for public purposes; to consider transfer of lands from one department to another; and all other matters pertaining to the realty of the City, other than school property; and to consider all matters relating to the construction of tunnels.

Lighting, Water Service and Telephone Service—To attend to the proper lighting of streets, public parks and public buildings; to investigate and correct complaints of water service and extensions thereof, and telephone service. To recommend installation and removal of City telephones.

Municipal Concerts and Public Celebrations—To have charge of and conduct all concerts and celebrations given under the auspices of the City and County of San Francisco (except concerts under management of Park Commission); to have management of Municipal Band and all municipal concerts; to assist in promotion of all semi-public celebrations, dedications, etc.

Police—to consider legislation concerning the Police Department; to investigate the management and character of penal institutions; to consider all matters affecting public morals; to report upon applications for permits referred to it by the Board, including free licenses to those deserving them.

Public Buildings—To supervise the erection of all public buildings and

to recommend the purchase of sites therefor, excepting school sites and buildings relative to which they shall act jointly with the Committee on Education, Parks and Playgrounds; to consider proposed changes in the building laws and make recommendations thereon; to consider, report upon and supervise the repairs to public buildings and to recommend as to the janitorial, elevator and other service required for the proper conduct of all buildings of the City and County.

Public Health and Garbage Disposal—To consider all matters relating to health and sanitation; to see that institutions under the control of the Board of Health are properly conducted; to establish and maintain a high standard of service in public hospitals and Relief Home; to consider and report upon all complaints of nuisances; to make recommendations upon applications for permits for stables and other permits which may be referred to it by the Board; also removal and destruction of garbage. (Meets Thursdays at 10:00 a. m.)

Public Utilities—To consider and pass upon all matters relating to public utilities, their acquisition, construction, control and management, whether municipally or privately owned, including transportation, lighting, power, water and steam heating. (Meets Wednesdays at 2:00 p. m.)

Public Welfare, Weights and Measures and Publicity—To consider matters relating to the social and industrial well-being of the community, other than those heretofore provided for, and to supervise the publication of the Municipal Record and other official documents and reports, and generally to act upon all matters of public advertising; to consider all matters relating to the Bureau of Weights and Measures.

State Laws and Legislation—To consider all matters pending before the Legislature and proposed legislation which affects the City and County of San Francisco directly or indirectly, and to make such recommendations to the Board as may be deemed advisable, and to appear before the State Legislature in advocacy of any measures or in opposition to measures as the Board may advise.

Streets and Sewers—To consider all subjects relating to the construction and maintenance of streets, highways and sewers; to pass upon applications for spur track permits; to provide for the construction of a comprehensive system of good streets, spur tracks, etc., connecting our industrial district with the Bay of San Francisco, thereby bringing ship and rail together;

closing and opening of streets; cleaning of streets, and such other matters as under the Charter relate to the improvement and maintenance of streets. (Meets Thursdays at 2 p. m.)

Supplies—To consider and have charge of the purchase of all supplies as provided by the Charter; to prepare schedules for general supplies and to recommend award of contracts; to inspect deliveries and quality and quantity of supplies; to pass on all requisitions for non-contract supplies; to supervise the purchase and distribution of all books, stationery, etc.

Rule 10—"Provided, however, that after those interested, other than members of the Board, shall have presented their arguments and concluded, no person other than a member of the Board shall be permitted to enter into or interfere in any way with the consideration of the subject matter."

Rule 12—"When a motion (bill or resolution) has been made and carried or lost it shall be in order for any member of the prevailing side, at the same or succeeding meeting to move for the reconsideration thereof upon giving notice at said meeting. A motion to reconsider having passed, reconsideration may be had at the meeting in session or at the succeeding meeting as the Board may determine. No question shall be reconsidered more than once."

Rule 14—"It shall be the duty of the Clerk to issue such certificates as may be required by ordinances or resolutions and transmit copies of said ordinances or resolutions to the various departments affected thereby. It shall also be the duty of the Clerk to cause the publication in the official newspaper of all bills, ordinances, proposals and awards as required by the Charter."

Rule 15—All accounts and bills shall be referred to the Finance Committee, provided that any committee having jurisdiction over expenditures may request that bills be first sent to that committee before being acted upon by the Finance Committee and the Board.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Rules as Amended.

The rules as amended are as follows:

3. In the absence of the President, the Clerk, on the appearance of ten members, shall call the Board to order, when a President pro tem shall be appointed by the Board for that meeting, or until the appearance of the President.

4. Whenever it shall be moved and carried that the Board go into Committee of the Whole, the President shall leave the chair and the members shall appoint a chairman of the Committee of the Whole, who shall report the proceedings of said Committee.

5. The rules of the Board shall be observed in the Committee of the Whole, except the rules regulating a call for ayes and nays and limiting the time of speaking.

6. A motion, in Committee of the Whole, to rise and report the question, shall be decided without debate.

7. The Clerk shall have clips, upon which shall be kept all Bills, Ordinances, Resolutions and Reports to be acted upon by the Board, except those not reported upon by a Committee.

8. A Resolution or a Bill shall not be submitted to the Board for action until it shall have been referred to and acted upon by a Committee of the Board.

9. The Order of Business, which shall not be departed from, except by the consent of ten members, shall be as follows:

1st—Calling of Roll.

2nd—Reading the Journal.

3rd—Roll Call for Petitions from Members.

4th—Presentation of Petitions filed with the Board.

5th—Communications and Reports from City and County Officers.

6th—Reports of Committees, except Finance Committee.

7th—Presentation of Proposals.

8th—Unfinished Business.

9th—Presentation of Bills and Accounts.

10th—Report of Finance Committee.

11th—Bills, Ordinances, Motions or Resolutions (New Business).

12th—Roll Call for introduction of Resolutions, Bills and Ordinances not considered or reported on by Committee.

10. No person other than a member or an ex-Mayor shall be allowed to address the Board on any matter that may be before it, without the consent of a majority of the members present, nor to speak to or in any way interfere with a member while in his seat or on the floor of the chambers. Provided, however, that after those interested, other than members of the Board, shall have presented their arguments and concluded, no person other than a member of the Board shall be permitted to enter into or interfere in any way with the consideration of the subject matter.

11. If any question under debate contains several points, any member may have the points segregated and acted upon separately.

12. When a motion (Bill or Resolution) has been made and carried or lost it shall be in order for any member of the prevailing side, at the same or succeeding meeting to move for the reconsideration thereof upon giving notice at said meeting. A motion to reconsider having passed, reconsideration may be had at the meeting in session or at the succeeding meeting as the Board may deter-

mine. No question shall be reconsidered more than once.

13. A motion to refer or lay on the table until decided shall preclude all amendments to the main question. A motion to lay on the table or to postpone indefinitely shall require a majority vote of all members of the Board.

14. It shall be the duty of the Clerk to issue such certificates as may be required by Ordinances or Resolutions and transmit copies of said Ordinances or Resolutions to the various departments affected thereby. It shall also be the duty of the Clerk to cause the publication in the official newspaper of all Bills, Ordinances, proposals and awards as required by the Charter.

15. All accounts and bills shall be referred to the Finance Committee, provided that any committee having jurisdiction over expenditures may request that bills be first sent to that committee before being acted upon by the Finance Committee and the Board.

16. The President shall preserve order and decorum and shall decide questions of order, subject to an appeal to the Board.

17. A member, before speaking, shall rise from his seat and address the President. No motion shall be in order if made while the mover is seated or out of his place.

18. When several members rise at the same time, the President shall designate the member entitled to the floor.

19. No member shall speak to the same question oftener than once until all other members desiring to speak shall have spoken, nor oftener than twice without the consent of the Board, nor for more than five minutes without the permission of the President; provided, however, the author of the Bill, Motion, Ordinance or Resolution shall have the right to close the debate thereon.

20. A motion shall not be put or debated until seconded. When seconded it shall be stated by the Chairman before debate and shall be reduced to writing upon the request of the President or any member.

21. After a motion has been stated by the President, it shall be deemed to be in the possession of the Board, but it may be withdrawn by the mover thereof, with the assent of the second, before it is acted upon.

22. Upon a call of the Board the names of the members shall be called over by the Clerk, and the absentees noted. Those for whom no excuses or insufficient excuses are made may, by order of those present, be sent for and be brought to the chambers

of the Board by the Sergeant-at-Arms or by special messengers appointed for the purpose. Proceedings under the call may be dispensed with by the vote of a majority of the members present.

23. When a question is under debate, no action shall be entertained except:

To adjourn.

Call of the Board.

To lay on the table.

The previous question.

To postpone to a certain day.

To commit or amend.

To postpone indefinitely.

which several motions shall have precedence in the order in which they are arranged.

24. A motion to adjourn shall be decided without debate.

25. The previous question until decided shall preclude all amendments to and debate on the main question, and be put in this form: "Shall the main question be now put?" It shall be carried by a majority vote of all the members.

26. Every member present when a question is put shall vote for or against it, unless the Board shall excuse him from voting, or unless he is interested in the question. But no member shall be permitted to vote upon a division unless present when his name is called in the regular order.

27. A member called to order for unparliamentary conduct or language shall immediately take his seat, and the Board, if appealed to, shall decide on the case, but without debate. If there be no appeal the decision of the chair shall be final. The question upon such appeal shall be: "Shall the decision of the chair stand as the decision of the Board?"

28. After the Board has acted, the names of those who voted for and those who voted against the question shall be entered upon the Journal, not only in cases required by law, but when any member may require it; and on all Bills, Ordinances and Resolutions on final passage the ayes and nays shall be called by the Clerk and recorded.

29. All appointments of officers and employees shall be made by a majority of the members of the Board.

30. No member shall leave the Board during its session without permission from the President.

31. All committees shall be appointed by the Board, unless otherwise ordered by the Board. Committees shall report on any subject referred to them by the Board a statement of facts and also their recommendations thereon, in writing; and no report shall be received un-

less it be signed by a majority of the Committee. Whenever a Committee recommends that a contract be awarded to any one other than the lowest bidder thereon, said Committee shall state specifically in its report its reasons for such recommendation. Unless otherwise ordered, a Committee shall report upon all subjects referred to it within thirty days thereafter.

32. The Clerk shall prepare and cause to be printed and placed on the desks of the members on days of meeting, and immediately before such a meeting, a calendar of matters to be presented to the Board at said meeting. Every petition or other written instrument intended to be presented to the Board must be delivered to the Clerk not later than 12 o'clock noon on Saturday, or on the day preceding the meeting; upon the request of the President or of any member, its contents shall be read in full.

33. All requisitions for supplies and all petitions, protests and communications of a routine character shall be referred by the Clerk to the proper Committee without action of the Board.

34. Upon adjournment the members of the Board shall not leave their places until the President leaves the chair.

35. Ten members shall constitute a quorum to transact business, and no Bill, Ordinance, Resolution or Amendment thereto shall pass without the concurrence of at least that number of members; but a smaller number may adjourn from day to day.

36. Except when otherwise provided by these rules, the Charter or law, a majority vote of the members present shall be necessary for the adoption of any motion.

37. On any questions or points of order not embraced in these rules the Board shall be governed by the rules contained in Cushing's Manual.

38. It shall require a two-thirds vote of all the members of the Board to amend, suspend or repeal any of these rules.

39. In calling the roll the Clerk shall call only the surnames of the members, prefixing the word Supervisor to the surname of the Supervisor first called.

40. No smoking shall be permitted in the chambers of the Supervisors during the sessions of the Board.

41. The Clerk shall keep a record of all requests and instructions directed by the Board of Supervisors to any officer or board of the City and County and the action thereon of such officer or board. The record of

such request and instructions, until acted upon by such officer or board, shall be read by the Clerk at each regular meeting of the Board of Supervisors.

Remarks of Retiring Members.

Supervisor Murdock addressed the Board and said that in severing connection with the Board of Supervisors his only regret was that there were some things he had been unable to accomplish. "I am leaving the Board," he said, "with the best of feelings for the old and the new members and with the consciousness or having tried to do my duty to the best of my ability. My experience in public life, extending over many years, has taught me that I could not please everybody and that the only thing that a public official can do is to try in all his relations to the public to keep his own self respect."

He expressed his best wishes for the prosperity of those leaving the Board and success for those new members who were taking their places.

Supervisor Vogelsang said that on the whole he had little to regret. "In the past four years," he said, "the city of San Francisco had been well served. Never in this city or any city in the world has so much work been so well done. Progress should be made during the next few years in the public ownership of our two great public utilities—transportation and water. Until these are acquired San Francisco can never say that she owns herself."

Supervisor Walsh said: "Although we had our differences, we all did the best we knew how in legislating for this community. In San Francisco we have the best and cleanest city (politically or otherwise) of its size in the world."

He expressed his regard especially for Supervisor Murdock who was about to retire and hoped that the new members would take up the burdens of the old and by harmonious and concerted action carry it as successfully as they had.

Supervisor Nelson referred to the members of the old board and said he believed that all the members followed the promptings of their own minds in dealing with the public questions that came before them. He referred to the attempt of outsiders to sell their influence with members of the Board in the granting and refusing of permits and was glad that the matter was to be thoroughly investigated in accordance with the report and resolution submitted by Supervisor McLeran.

Supervisor Gallagher expressed regret that associations formed during the past four years would be broken

up by the retiring to private life of some of the members and he congratulated the new members on their advent into public life. He told them that they had many things to learn and to unlearn in the new responsibilities that they had undertaken.

"Some of us," he said, "have taken our work too seriously. Many things have been said that would as well have remained unsaid."

He spoke of his candidacy for Mayor and said he was glad that he had gone through the experience of that campaign. He expressed his regard for Supervisor Payot who through illness was unable to attend the closing session of the Board and hoped that the retiring members would be seen often in the Board and give to the new members the benefit of their experience.

Supervisor McCarthy expressed his good wishes to the incoming new members of the Board and his Honor the Mayor. He paid a tribute to the character of Supervisor Thos. Jennings, the retiring chairman of the Finance Committee, and said that San Francisco was favored greatly in having a man so situated to serve and safeguard her interests. He wished prosperity to members retiring and success to those about to take their places.

Supervisor Jennings extended his best wishes for every success to the new members of the Board and to his Honor the Mayor. He thanked the clerks and assistants for their services during his term of office and expressed his well wishes and sympathy for the new Finance Committee.

Supervisor Power expressed his regret to parting members on severing their connection with the Board and wished them every success in their return to private life.

"The outgoing members," he said, "have served the city faithfully, thoroughly and well, and I hope that the same can be said of the new members when their services terminate."

He eulogized the devotion of Supervisors Murdock, Jennings, Vogelsang, Payot and McCarthy and said that the magnificent progress in our City Hall and Civic Center was due largely to the energy and ability of Supervisors Bancroft and McLeran. He hoped that through harmonious co-operation the new members would be equally successful.

Supervisor Hocks expressed his sorrow at seeing Supervisors Jennings, Murdock, Payot, Bancroft, Vogelsang

and McCarthy leave the Board. He wished the new members success for the next four years and declared that he would work in harmony with them in the interest and welfare of San Francisco as far as he could conscientiously do so.

Supervisor Hilmer expressed his appreciation of the ability displayed by the outgoing members and wished them every success. To the new members he extended welcome and congratulations.

Supervisor McLeran said great work has been done in the last four years and expressed the hope that the new members would serve with the same untiring energy as had the old. He thanked the Finance Committee for the confidence it had shown in the recommendations of the Public Building Committee during the past four years.

"Such confidence," he said, "has been deeply appreciated and is largely responsible for the great progress made by the committee in the work undertaken."

"In Supervisor Bancroft," he said, "San Francisco is losing a very valuable public servant." He congratulated the incoming members and extended to them his best wishes. He wished outgoing members success.

Supervisor Bancroft thanked the outgoing members for the support given to the Building Committee in its development of the Civic Center and construction of the City Hall. He did not recall one instance where the Building Committee failed to receive the support of the Board in any of its recommendations. Without such support the Building Committee could not have accomplished the work it set out to do. He thanked Assistant Clerk Thos. McGinnis for his faithful service and congratulated the Board on the appointment of Supervisor McLeran to the chairmanship of the new Building Committee, saying that there was no abler man in San Francisco for that place.

Supervisor Hayden said: The last four years have been years of accomplishment and success and I hope that at the end of the next four years we can look back with the same satisfaction as we can today on the work of those who are now going out of office. Had it not been for the co-operation of the outgoing members the splendid administration of his Honor Mayor Rolph could not have been successful. I wish the retiring members success in all things.

Mayor's Inaugural Address.

His Honor the Mayor then read the following address:

San Francisco, January 8, 1916.

To the Honorable Board of Supervisors of the City and County of San Francisco.

Gentlemen:

It seems but a short time since I addressed myself to you in an inaugural message as Mayor of the City of San Francisco, and yet it is four years ago. I am proud that the same pleasure is again afforded me today. We have had four years of actively constructive administration. In these four years the City of San Francisco has, I think, made unusual advancement, and some of its accomplishments might be referred to on this occasion.

Industrial peace has prevailed in our city, and with industrial peace great things have been and can be accomplished. The Municipal Railway system has been built, and is being profitably operated. The new City Hall has been dedicated and is already partially occupied. It is a noble edifice, bespeaking the character of the finest city in the world. The Civic Center, which is one of the most attractive municipal plazas of its kind in the United States, has been created; the Exposition Auditorium, a building long needed by San Francisco, has been built by the exposition officials with money provided by the city; the Public Library, to cost approximately \$1,000,000, has been started and is well under way; this will be completed and occupied within a year. Several fine branch libraries have been erected in various sections of the city, and others will be constructed; the City and County Hospital, one of the most modern and perfectly equipped institutions of its kind, has been completed and is now occupied; the Mission viaduct has been finished; many new public school buildings have been erected; the Hall of Justice and the County Jail have been completed; the fire protection high pressure system has been well advanced. This system now in operation has paid for itself by reductions in insurance rates and further reductions are promised. Modern fire-fighting apparatus has been installed and new firehouses built. The Police Department has ably and creditably performed its duties, and the record of crime has been less than in any period of the history of the city. Streets have been restored, repaired and extended; a great deal of work has been done in the repair of old streets and in the construction and opening of new streets and boulevards. Our streets are in better condition than they ever have been. Our sewer system has been greatly improved and extended. We have been granted by Congress the right to build a dam and take water and power from the Hetch Hetchy Valley. A world's exposition, unequalled, has been built, successfully managed and brought to a triumphant conclusion, thus spreading the name and fame of San Francisco throughout the civilized world. All honor, credit and thanks are due to the public-spirited citizens, the president and directors of the exposition, the members of the State Exposition Commission and the Woman's Board, who directed and managed its affairs for and on behalf of the city. In short, the physical properties of the city, which were damaged in 1906, and which were, at the beginning of this administration, inadequate by the growth of the city, have been generally improved. In this work of improvement many millions of dollars have been expended without a suggestion of waste or scandal, and the outgoing members of the Board of Supervisors deserve their full measure of credit for the work thus efficiently and honestly accomplished.

I desire to express to Paul Bancroft, Thomas Jennings, William H. McCarthy, Charles A. Murdock, Henry Payot and Alexander T. Vogelsang the thanks of the city for public service rendered during the past four years, and my personal appreciation of their ever-cordial relationship with me, and I extend good wishes for their future success and happiness. I shall ever pleasantly and gratefully remember our work together and their efforts in support of the administration over which I have had the high honor to preside for the past four years.

I cannot refer to my past four years of office and the Supervisors whose terms are now expiring, without thinking of former Supervisors Guido

Caglieri, A. H. Giannini, George E. Gallagher, Byron Mauzy, Daniel C. Murphy and Adolf Koshland, who, for the first two years of the present administration, contributed of their efforts and enthusiasm to the advancement of the city, and at the close of this term I thank them, with the Supervisors whose terms expire today, for the co-operation and public service rendered in behalf of our city as members of the outgoing administration.

To fill the vacancies in the various branches of the city government, expiring today, I have reappointed all my own appointees. Faithful and capable public service should be recognized. My appointments are:

Board of Public Works—Adolph Judell.

Fire Commission—John F. Davis.

Police Commission—Jesse B. Cook.

Board of Education—Dr. A. A. D'Ancona.

Park Commission—Curtis H. Lindley and A. B. Spreckels.

Election Commission—C. J. Collins and Wm. McDevitt.

Playground Commission—Rev. D. O. Crowley, Marshal Hale, Mrs. M. S. Hayward, Miss Agnes Regan, Angelo J. Rossi.

While much has been accomplished, we must remember that San Francisco is rapidly growing and it is difficult for any administration to keep pace with her needs. Much must be done in the next four years. This work cannot be accomplished without good will and co-operation on the part of every branch of the administration. We are all interested, I feel confident, in making for the administration of the next four years a creditable record. This city needs optimistic men who have confidence in her future; men who believe in progress on a scale commensurate with the needs of San Francisco; men with a vision and who believe in big things for a big city.

In this great and growing San Francisco, no matter what has been done, more and greater work is ahead. Great work requires great labor. A great future requires great preparation. It is well for the new Board, starting on its career today, to prepare its plans. I greet, today, with congratulations and hearty good wishes, and in a friendly spirit, the incoming Board of Supervisors:

E. J. Brandon,
C. J. Deasy,
A. J. Gallagher,
J. Emmet Hayden,
Fred L. Hilmer,
Oscar Hocks,
J. D. Hynes,
J. C. Kortick.
Joseph Lahaney,
Ralph McLeran,
Joseph Mulvihill,
Charles A. Nelson,
Edward L. Nolan,
James E. Power,
Fred Suhr, Jr.,
John O. Walsh,
Richard J. Welch,
Edward I. Wolfe.

May I, from my four years' experience, make a few recommendations along the lines of municipal advancement that should be accomplished during our next four years.

The Municipal Railway system was established not only to make profits for the taxpayers, but to provide service. It has done both in such excellent fashion that the extension of the system will not only be a financial success, but insure the growth of San Francisco.

We should extend our municipal transportation system, commencing at the terminus of the Geary street system at the Beach, along the Beach to Sloat boulevard, and thence along Sloat boulevard to and through the Twin Peaks tunnel, providing to the adjacent districts which have contributed the largest share of the assessment for the construction of the Twin Peaks tunnel, transportation to the heart of the city.

The transportation through the tunnel must be operated by the city itself.

No time should be lost in determining the rights of the city to operate its own municipal system over its own streets, and until this question is settled, municipal transportation, in one form or another, should be provided.

In another year the Twin Peaks tunnel should be completed, and thus the Ingleside and Sunset districts will be connected directly with the business section of the city. This tunnel is one of the most valuable assets of the municipality, and the control of it for traffic at all times must be retained by the public. Plans should be formulated immediately for the extension of the Municipal Railway system from the tunnel and down Market street to the Ferry in order to provide rapid transportation for the Sunset and Ingleside districts.

The city, in view of the injunction granted by Judge Sewall, should take steps immediately to obtain the use of a loop at the Ferry terminus for the operation thereon of the cars of the municipality, and to make provision to supply sufficient power for all cars of the Municipal Railway in conformity with Judge Sewall's recent decision.

The Municipal Railway system should cross Golden Gate Park, thus connecting the Richmond with the Sunset district, and providing much needed transportation in these rapidly growing sections of our city.

The Church Street Line should be completed without delay to Thirtieth street.

At Hunters Point, active development in the shape of dry docks and shipbuilding plants is progressing. Large numbers of men are daily employed there and their only present means of transportation is by water. The city should provide street car transportation from the terminus of the Potrero avenue line, at Twenty-fifth street, to Hunters Point, at as early a date as possible. This splendid section of our city is yearning for homes and is only retarded by lack of transportation and water.

As rapidly as finances will permit and prospects of returns warrant, I favor the extension of the Municipal system into other districts requiring street car transportation.

I recommend diligent and uninterrupted prosecution of development work at Hetch Hetchy, so that we may acquire water from that source at an early date. The dam should be completed as quickly as possible, for the purpose of bringing electric current to San Francisco, and, with this current, operate the Municipal Railway system and furnish lighting at a great saving of cost to the city.

The Bernal Cut should be widened, as provided for in the agreement between the city and the Southern Pacific Railway Company. This outlet for the city is needed for pedestrian, vehicular and transportation purposes down the Peninsula, and annual appropriations should be made in the budget for the prosecution of this work. The Municipal Railway system from Thirtieth street and Church street must ultimately find its extension down the Peninsula through this thoroughfare.

Annual appropriations should also be provided in the budget to complete the work already started in the construction of the esplanade from the Cliff House to the Sloat Boulevard.

South San Francisco has been sadly neglected in the consideration of public improvements. It would rapidly develop into a thriving manufacturing district where rail and water meet, and where splendid home sites are lying idle simply for the want of needed improvements in the shape of streets, sewers, transportation and a water supply, on the part of the municipality. Our city depends for its growth, in a large measure, on the establishment of manufacturing plants within its boundaries, providing occupation for its people, and these should be encouraged in every way possible. To this end the administration should diligently work toward the opening, grading and widening of streets in that section of the city; to the widening and improvement of Army street, the filling and grading of Fifth and Tenth avenues and the repair of Fifteenth avenue and Kentucky street to the county line, in particular, in order that these thoroughfares may open up a convenient access between this South San Francisco district and all parts of our city.

The city will be the chief beneficiary of the development of the Islais Creek and India Basin Harbor by public ownership, and the city therefore should cooperate with the State both in an attempt to acquire the lands necessary and the plans necessary for the development of the harbor. The city can best help the State in this matter by granting to the State without price the streets forming part of the tract of submerged land which the State is now endeavoring to acquire by condemnation suit. This land was originally acquired by the city without cost. The city has spent nothing to improve it and it is of no value to the city for streets. The so-called streets are covered with water and deep mud. Unless these submerged lands are acquired by the State, this extensive territory sought by the State by action of the people and now covered by water, will be used by private parties for harbor purposes in competition with the State.

I recommend that your Honorable Body instruct the City Attorney, by proper resolution, to consent to a judgment in the condemnation suit by which the State may acquire the streets and all other property of the city within the tract which is the subject of the condemnation suit for a nominal consideration, in order that the State may proceed with harbor improvements for the betterment of our port.

Lincoln Park should be improved and completed by special annual appropriations.

Efforts should again be made to acquire the Sutro Heights properties.

The growth of the city requires further extension of our school system. No citizen should begrudge the expenditure of public funds for proper educational facilities. The only means for the construction of new schools in rapidly growing districts and modernizing of many obsolete school buildings will be by a bond issue, and I favor a bond issue for this purpose.

Former plans for providing for garbage disposal have proven unsatisfactory. Garbage disposal is a pressing question to which your Honorable Board should give immediate consideration, and some modern method should be devised for the solution of this problem.

The development of the Civic Center should be prosecuted without delay. Plans for the opening of streets extending into the Civic Center and into Market street, giving a better and more convenient access to our main thoroughfare. Plans in keeping with the dignity and beauty of our municipal buildings, should be adopted. The streets under the plans, to be extended are Fulton street, Hyde street and Leavenworth, all into Market street. Marshal Square should be widened in conformity with the plans of the architects.

The public buildings contemplated and under construction should be completed as soon as possible.

A complete municipal water supply is one of this city's pressing needs, and I strongly recommend the acquirement by the city at the earliest possible moment of such properties of the Spring Valley Water Company as are required by the city in conjunction with our Hetch Hetchy system.

The question of the purchase of these properties has been submitted to the people on several occasions, and while receiving a substantial majority in favor of the purchase, it has been defeated by the minority. Its purchase has been opposed by many splendid public spirited citizens whose only objection has been the question of price. Something must be done to solve this question, and to do so the people must be convinced that the price of purchase is right. I have suggested, on several occasions, that the whole matter of the valuation of Spring Valley, for purposes of condemnation, be submitted to the State Railroad Commission, a tribunal with authority and in whom the people have confidence. There should be no delay in these proceedings, and when the price has been determined, the question of purchase should again be submitted to the people and when ratified the city will be the possessor of a much needed public utility, and under careful municipal control and operation the system can be extended into districts now undeveloped for want of a proper water supply.

From the investigations of the city's advisory water committee I am convinced that the ownership of the properties of the Spring Valley Water Company is necessary for the city's growth and development and would

make handsome financial returns to the city, besides supplying the city's needs for water in the outlying districts.

Our city's area is limited. Its growth must be down the Peninsula. Our neighbors in San Mateo county have at times expressed a desire to join with San Francisco in a Greater San Francisco. Legislation has been enacted upon the part of the State which would permit of such an annexation of that county. I recommend that this question be given thoughtful attention and meetings of the officials of both counties be arranged in an effort to unitedly cooperate to this end.

Four years soon roll around. We step today upon the threshold of four years of public service. We are expected by our fellow citizens to show results. May we, by united action and cooperative effort, show, at the close of our term of office, results that will redound to the glory of a still greater San Francisco, and may we, by our endeavors to that end, merit the confidence which our fellow citizens have placed in us at this time.

Very respectfully yours,

JAMES ROLPH, JR.,

Mayor of the City and County of San Francisco.

Read and ordered printed in Journal and Municipal Record.

Remarks of Newly-Elected Members.

Supervisor Edward I. Wolfe paid a most eloquent tribute to the services which had been rendered by the men who were to retire to private life. He spoke with the greatest feeling in appreciation of their services, expressing the opinion that if those who had taken their places would serve the city as well, it would be well served.

Supervisor Hynes was particularly felicitous in assuring the Mayor and the Board of his intention to strive for the welfare of the city and to co-operate with them in all matters tending towards that end. He said that he had observed the course of the Mayor in office, and that he felt confident that he would be able to support him in his future efforts for good government and for the best interests of the city.

Supervisor Brandon paid a tribute to the retiring members and said that in his opinion the last Board of Supervisors was the best San Francisco has ever known. "I feel," he said, "that in following in its footsteps I will make no mistakes."

Supervisor Welch said that he deeply appreciated the expressions of good-will extended to himself and the

other newly elected Supervisors and that he wished to assure the Board that such sentiments were mutual. He hoped to see the retiring members at subsequent meetings and said he believed their counsel and advice would be valuable to the new Board. "I will have no trouble," he said, "in following the Mayor's message in the matter of public improvements. I hope for a safe and constructive administration of the City's affairs."

Supervisor Lahaney said that he meant to give the best that is in him to the service of the city. The Mayor's message, he said, outlined ideas that he has held for years for the public improvement of this city and that he proposed to co-operate as far as possible in their accomplishment.

Supervisor Mulvihill complimented the Mayor on his inaugural address and the ambitious plan outlined for future public improvements and he hoped to co-operate as far as possible in making San Francisco the greatest city in the world.

ADJOURNMENT.

There being no further business, the Board, at 2:15 p. m., adjourned.

J. S. DUNNIGAN, Clerk.

JOURNAL OF PROCEEDINGS

BOARD OF SUPERVISORS

MONDAY, JANUARY 10, 1916.

In Board of Supervisors, San Francisco, Monday, January 10, 1916, at 2 p. m.

The Board of Supervisors met in regular session.

CALLING THE ROLL.

The Roll was called and the following Supervisors were noted present:

Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

Absent—Supervisor McLeran—1.

Quorum present.

His Honor Mayor Rolph presiding.

READING THE JOURNAL.

The Journals of the meetings of January 3 and 4, 1916, were *laid over* for approval until next meeting.

ROLL CALL FOR PETITIONS FROM MEMBERS.

Former Mayor Schmitz to Participate in Deliberations of Board of Supervisors.

The Clerk read:

Communication—From former Mayor Eugene E. Schmitz, stating that on and after January 10, 1916, he purposes to take advantage of his right to a seat in the Board of Supervisors in accordance with Section II, Chapter I, Article II of the Charter.

Motion.

Supervisor Gallagher moved that City Attorney's opinion be obtained as to right of Mr. Schmitz to a seat in the Board.

No second.

Supervisor Gallagher then said he would avail himself of his personal right to obtain an opinion from the City Attorney.

Thereupon, His Honor the Mayor directed the Sergeant-at-Arms to provide a seat in the Board for former Mayor E. E. Schmitz and to do so each meeting that he attended.

Lecture on Street Lighting.

Communication — From Downtown Association, inviting members of the Board to attend dinner and illustrated lecture by D. D'Arcy Ryan on street lighting, at St. Francis Hotel, Tues-

day evening, January 11, 1916, at 8 p. m.

Invitation accepted.

Leave of Absence.

Communication—From City Attorney, stating that the Secretary of the Interior has set January 26, 1916, at 2 p. m., for hearing application of Yosemite Power Company for a reservoir site in Poopenaut Valley, and requesting leave of absence for himself, the Clerk of the Board of Supervisors and the City Engineer.

Request granted.

Invitation Accepted.

Communication — From Park-Richmond Improvement Club, inviting Supervisors to attend mass meeting at clubrooms, Eighth avenue near Balboa, on January 14, 1916, at 8 p. m.

Clerk directed to accept invitation on behalf of Board.

REPORTS OF COMMITTEES.

Report of Municipal Concerts and Public Celebrations Committee on Appointment of Leader of Municipal Band.

Supervisor Hynes presented the following report, and moved its adoption.

San Francisco,

January 10, 1916.

To the Honorable Board of Supervisors, City and County of San Francisco:

Gentlemen: Your Committee on Municipal Concerts and Public Celebrations recommends the appointment of Ernest C. Williams as leader of the Municipal Band.

JOHN D. HYNES,
RALPH McLERAN,
JAMES E. POWER.

Point of Order.

Supervisor Hayden raised the point of order that the position of band master had not been vacated, which should be done by an adopted resolution and afterwards presented to His Honor the Mayor for his approval.

Point of Order Sustained.

His Honor the Mayor declared that hereafter he would require all Journal Resolutions, as well as Adopted Resolutions, to come to him for approval.

Supervisor Wolfe requested that he be given information as to difference between Journal Resolutions and Adopted Resolutions. Upon being advised that Journal Resolutions were not sent to the Mayor for his approval and Adopted Resolutions were, he declared that he found no warrant in the Charter for Journal Resolutions.

He thereupon presented the following resolution, which was *adopted*:

Resolved, That the City and County Attorney be requested to advise the Board of Supervisors as to the meaning of Section 16 of Article 2, Chapter 1, Legislative Department, relating to resolutions introduced into and passed by the Board as follows: Is it necessary to submit *all* resolutions to the Mayor for his signature, all resolutions of every kind and character, before such resolutions can be effective? If not, what is, in your opinion, the interpretation and scope of said Charter provision insofar as the relation exists between the Board of Supervisors and the Mayor in the passage of all resolutions?

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Power, Suhr, Walsh, Welch, Wolfe—16.

Noes—Supervisors Gallagher, Nolan—2.

(Subsequently during the proceedings *Supervisor Power* called attention to an opinion of the City Attorney covering the points raised in the foregoing resolution, and the resolution was withdrawn by *Supervisor Wolfe*. See page 63.)

PRESENTATION OF PROPOSALS.

Metal Filing Cases. Auditor.

Proposals for furnishing metal filing document cases for the Auditor were presented at 3 p. m., read and referred to Supplies Committee to-wit:

1. M. G. West Co.\$2100
2. Ralston Iron Works 3008
3. General Fireproofing Co..... 2070
4. Myself Rollins Bank Note Co.. 2460
5. Capitol Sheet Metal Works... 2755

Referred to Public Buildings Committee.

Relative to Assessment for Improvement of Folsom Street, Between Eugenia and Cortland Avenues.

The question of rebate by Flinn and Treacy to property owners on Folsom street between Eugenia and Cortland avenues, set for this day, was, on motion, *recommitted to the Streets Committee.*

Complaint Against Flooded Condition of South San Francisco.

Privilege of the Floor.

J. P. Holland, representing various industries in the district bounded by Railroad avenue, Quint street, Fairfax avenue and Jerrold avenue, appeared before the Board and requested relief from the flooded conditions which exist there since the recent heavy rains.

J. Taaffe, wholesale butcher, also addressed the Board. He said that notwithstanding the temporary relief that has been afforded, the water raised one and one-half feet during the night. He wanted an appropriation sufficient for the employment of a dredger to afford permanent relief.

Mrs. Lillie Petersen also addressed the Board. She complained that the water was a foot deep in her home and her neighbors and the lower floors were untenable. She asked for immediate relief.

Motions.

Supervisor Walsh moved the adoption of the recommendation set forth in the City Engineer's report on flooded condition of South San Francisco and the appropriation of \$500 out of Urgent Necessities for immediate relief.

Supervisor Power moved, as an amendment, that the matter be referred to the Finance Committee, with instructions to meet immediately after the Board adjourned.

Supervisor Wolfe moved, as an amendment to the amendment, that the Finance Committee and the Board of Public Works be authorized to proceed and give the required relief at once.

Whereupon *Supervisor Welch* presented the following resolution which was *adopted* as a substitute for the whole by the following vote:

Resolution No. 12440 (New Series), as follows:

Resolved, That the Board of Public Works be and is hereby authorized and directed to take such proper and immediate action for the removal of storm water in the district bounded by Railroad avenue, Quint street, Fairfax avenue and Jerrold avenue, as will relieve the flooded condition prevailing in that district.

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

City to Deed Streets to State in Islais Creek Basin Condemnation Proceedings.

Supervisor Gallagher presented:

Resolution No. — (New Series), as follows:

Whereas, There is pending in the Superior Court an action brought by the State of California to condemn certain land and streets belonging to the City and County of San Francisco in the Islais Creek Basin, and

Whereas, His Honor the Mayor, in his message to this Board, says:

"The City will be the chief beneficiary of the development of the Islais Creek and India Basin harbor by public ownership, and the City therefore should co-operate with the State both in an attempt to acquire the lands necessary and the plans necessary for the development of the harbor.

"I recommend that your honorable body instruct the City Attorney, by proper resolution, to consent to a judgment in the condemnation suit by which the State may acquire the streets and all other property of the City within the tract which is the subject of the condemnation suit for a nominal consideration," and

Whereas, It is the sense of the Board of Supervisors that the Mayor's recommendation offers a proper solution of this question and said solution will tend to promote the commercial and industrial welfare of San Francisco.

Therefore Resolved, That it is the

sense of the Board of Supervisors that the City Attorney be and is hereby requested to recommend in writing to this Board a settlement, that a judgment be entered in the condemnation suit, by the terms of which the City will deed to the State for nominal consideration the lands included in the condemnation suit referred to.

Recommitted.

Supervisor Power moved to recommit to Streets Committee.

So ordered.

MONDAY, JANUARY 17, 1916.

In Board of Supervisors, San Francisco, Monday, January 17, 1916, at 2 p. m.

The Board of Supervisors met in regular session.

CALLING THE ROLL.

The Roll was called and the following Supervisors were noted present:

Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Quorum present.

His Honor Mayor Rolph being absent, *Supervisor Gallagher* was called to the chair.

READING THE JOURNALS.

The Journals of the meetings of January 3, 4, 9 and 10, 1916, were read and approved.

ROLL CALL FOR PETITIONS FROM MEMBERS.

Free Use of Auditorium for Oratorio "Dream of Gerontius."

Communication—From Rev. John C. Rozmus, O. F. M., requesting free use of Auditorium on the afternoon of Sunday, February 13, 1916, for the performance of Cardinal Newman's "Dream of Gerontius" oratorio, to be produced by a chorus of 300 voices and an orchestra of 65 pieces.

Referred to Auditorium Committee.

Leaves of Absence.

San Francisco, January 10, 1916.
Hon. Board of Supervisors, City Hall,
San Francisco, Cal.

Gentlemen:

Application has been made to me by Dr. Guy E. Manning, member of the Board of Public Health, for leave of absence, with permission to leave the State of California, for a period of one week, commencing on January 10, 1916.

I hereby request that, in conformity with the language of the Charter, you concur in granting said leave.

Yours very truly,

JAMES ROLPH, JR.,
Mayor.

January 14, 1916.

To the Honorable, the Board of Supervisors, City Hall, San Francisco, Cal.

Gentlemen:

Owing to the necessity of my ab-senting myself from the State of California, I respectfully request per-mission of your Honorable Board to leave this State for the period of sixty days, commencing Monday, Jan-uary 24, 1916.

Thanking you in anticipation of your approval of this request, I re-main, very respectfully yours,

JAMES WOODS,
Police Commissioner.
Per D. A. WHITE.

Mayor's Illness.

San Francisco, January 17, 1916.
Honorable Board of Supervisors, City
and County of San Francisco.

Gentlemen:

In behalf of the Mayor I desire to express his thanks to members of the Board of Supervisors who have made friendly inquiry since his recent operation in Adler's Sanitarium, as to the outcome thereof and as to his condition following the same. The Mayor sincerely appreciates the kind-ness thus shown.

I beg to state that I have been this day in conference with Dr. Wal-lace I. Terry, one of the surgeons attending the Mayor, who informs me that the Mayor's condition is so satis-factory in every way that he will be able to give his attention to necessary matters arising in your Board. De-mands passed by your Board will re-ceive the prompt attention of the Mayor, in order that the financial ar-rangements of those whose claims against the city are passed by you, may not be disturbed.

Yours very truly,

EDWARD RAINEY,
Secretary to the Mayor.

January 17, 1916—Read and ordered
printed in Journal.

REPORTS OF COMMITTEES.

The following committees by their respective Chairmen presented re-ports on various matters referred:

Public Buildings Committee, by
Ralph McLeran, Chairman.

Public Health Committee and Garbage Disposal, by John O. Walsh, Chairman.

Public Utilities Committee, by Supervisor Wolfe, Chairman.

Streets and Sewers Committee, by Supervisor Welch, Chairman.

Auditorium Committee, by Supervisor Brandon, Chairman.

Fire Committee, by Supervisor Deasy, Chairman.

Police Committee, by Jos. Lehaney, Chairman.

Report of Finance Committee on Assignment of Chief Clerk.

Supervisor Power presented:

San Francisco, January 17, 1916.

To the Honorable Board of Supervisors, San Francisco, Cal.

Your Finance Committee, acting under the rules adopted on January 8, 1916, has assigned several assistant clerks to duties to various committees, and in making these assignments the experience and capabilities of the individuals have been taken into consideration.

After carefully considering the matter of assignments the committee now recommends that Assistant Clerk David A. Barry be and is hereby directed to assume the duties of Chief Assistant Clerk to the Board; that John W. Rogers, heretofore Chief Assistant Clerk, be assigned to the duties of Assistant Clerk.

JAMES E. POWER,

ANDREW J. GALLAGHER,

E. L. NOLAN.

Also, Resolution No. — (New Series), as follows:

Resolved, That, in accordance with the recommendation of the Finance Committee of the Board of Supervisors, David A. Barry be and is hereby directed to assume the duties of Chief Assistant Clerk to the Board of Supervisors at a salary of \$250 per month, and that John W. Rogers, heretofore Chief Assistant Clerk, be and is hereby directed to assume the duties of Assistant Clerk at a salary of \$175 per month.

Report of Civil Service Committee.

Supervisor Hayden presented as a substitute:

San Francisco, January 17, 1916.

To the Honorable Board of Supervisors, City Hall.

Gentlemen:

Your Committee on Civil Service which, under the new rules recently adopted by the Board of Supervisors, is expected "to consider all matters relating to civil service in the several departments and to promote efficiency and economy in expenditures," is desirous of securing legal information as to the exact status from a civil

service standpoint of all employees in the office of the Board of Supervisors. It therefore recommends the adoption of a resolution requesting the City Attorney for a legal opinion covering this matter.

Respectfully submitted,

OSCAR HOCKS,

J. EMMET HAYDEN,

FRED L. HILMER.

Motion.

Supervisor Power moved that the entire subject matter be referred to the City Attorney.

Motion carried.

City Attorney to Advise as to Civil Service in Board of Supervisors.

Whereupon, Supervisor Hayden presented the following resolution, which was, on his motion, adopted:

Resolution No. 12466 (New Series), as follows:

Resolved, That the City Attorney be and he is hereby requested to furnish the Board of Supervisors with an opinion at as early a date as possible on the following matter:

1st. Do the civil service provisions of the Charter apply to the office of the Board of Supervisors? If so, to what extent? What positions, if any, are exempt?

2d. Has the Board of Supervisors the power or legal authority to demote, transfer or assign to any other position in its office the present Chief Assistant Clerk, who was appointed to said position January 8, 1912, has occupied the same continuously ever since and has been certified thereto by the Civil Service Commission pursuant to the adoption of so-called Charter Amendment No. 3, adopted by the people at a special election December 10, 1912, and ratified by the Legislature March 28, 1913.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Relative to Appointment of Acting Clerk.

Thereupon, the following resolution was presented by Supervisor Power and recommitted to Finance Committee:

Resolution No. — (New Series), as follows:

Resolved, That David A. Barry be and is hereby directed to serve as Acting Clerk of the Board of Supervisors during the absence of John S. Dunnigan, Clerk.

HEARINGS ON APPEAL.

Action Deferred.

The following hearings were, on motion of Supervisor Welch, laid over one week:

Athens Street.

Hearing of appeal from decision of the Board of Public Works recommending that the ordering of street work on Athens street, between Russia and Amazon avenues, fixed for 3 p. m. this day.

Bemis Street.

Hearing of appeal of property owners from the assessment for street work on Bemis street, between Miguel and Mateo streets, fixed for 3 p. m., this day.

Randall and Whitney Streets.

Hearing of appeal of property owners from assessment for street work at crossing of Randall and Whitney streets, fixed for 3 p. m. this day.

**PRESENTATION OF PROPOSALS,
3 P. M.**

Water Bonds \$2,000,000.

Proposals for the purchase of water bonds, issue of July, 1910, to the amount of \$2,000,000, comprising 200 bonds of \$1000 denomination, maturing each year from 1920 to 1929, both years inclusive.

The bonds offered bear interest at the rate of 4½ per cent, payable semi-annually, January and July, principal and interest payable at the office of the Treasurer of the City and County of San Francisco, or at the option of the holder, at the fiscal agency of the City and County in the City of New York. Said bonds, under the law, are exempt from all taxation in the State of California.

The following bid was received and referred to the Finance Committee:

1. Blythe-Witter & Co., bid par and accrued interest and 10 cents on each bond; certified check for \$10,000 on Bank of California received and filed with the Clerk.

NOTICE OF RECONSIDERATION.

Municipal Concerts and Public Celebrations Committee Recommendation.
J. R. No. —.

Resolved, That the action of this Board as of July 9, 1912, approving the report of the Public Welfare Committee, relative to the appointment of John Keogh as leader of the Municipal Band, be and is hereby rescinded.

Motion.

Supervisor Power moved to reconsider action heretofore taken on the foregoing resolution.

Motion carried by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hilmer Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

No—Supervisor Hayden—1.

Thereupon Supervisor Wolfe moved as an amendment that matter be postponed two weeks.

UNFINISHED BUSINESS.**Final Passage.**

The following matters heretofore passed for printing were taken up and finally passed by the following vote:

Also, Resolution No. 12464 (New Series), as follows:

Resolved, That it is the intention of the Board of Supervisors to change and establish grades on the following named streets, at the points hereinafter specified, and at the elevations above City base, as hereinafter stated, in accordance with Resolution No. 43037 (Second Series) of the Board of Public Works adopted December 31, 1915, and written recommendation of said Board, filed December 31, 1915, to-wit:

On Alpha street, between a line at right angles to the easterly line of, at Goettingen street southerly line, and a line at right angles to the easterly line of, at Tricken avenue northerly line; and on Tioga avenue, between Alpha and Rutland streets.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Fixing date for Hearing Appeal of Robinson Nugent from Assessment for Sewer in Harkness Street.

Supervisor Welch presented:

Resolution No. 12465 (New Series), as follows:

Resolved, That Monday January 31, 1916, at 3 p. m., in the Board of Supervisors, be fixed as the time and place for hearing the appeal of Robinson and Nugent from the assessment issued by the Board of Public Works on December 20th, 1915, and recorded in volume 8, page 541, for the construction of sewers, etc., on Harkness street, between Cowden and Sparta streets.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Garage Permit.

Supervisor Deasy presented:

Resolution No. — (New Series), as follows:

Resolved, That permission revocable at will of the Board of Supervisors is hereby granted Albert E. Kern to maintain a public garage on the south side of California street, 137 feet 6 inches east of Leavenworth street, also to store not more than 600 gallons of gasoline. The provisions of Ordinance No. 746 (New Series) must be strictly complied with.

The rights granted under this Resolution shall be exercised within six months, otherwise said permit becomes null and void.

Privilege of the Floor.

George Boardman was granted the privilege of the floor and addressed the Board. He declared that the property owners in the vicinity of the proposed garage wished to renew their protest. They were opposed to the operation of a garage for the reason that it tended to reduce property values, was a nuisance and a menace to lives of pedestrians.

Wm. Dunphy also addressed the Board. He opposed the granting of the permit on similar grounds.

John T. Williams, attorney, representing the petitioner spoke in favor of the permit. He spoke of the necessity of the convenience afforded by the operation of a garage in this location. The almost general use of automobiles required garages for their care at convenient locations.

Motions.

Supervisor Hayden moved that resolution lay over one week.

Motion *lost* by the following vote:

Ayes—Supervisors Hayden, Hilmer, Hocks, Kortick, Suhr, Welch—6.

Noes—Supervisors Brandon, Deasy, Gallagher, Hynes, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Walsh, Wolfe—12.

Notice of Reconsideration.

Thereupon *Supervisor Hayden* changed his vote from *aye* to *no* and gave notice of reconsideration at next meeting.

Supervisor McLeran moved immediate reconsideration.

Motion *carried* by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Walsh, Welch, Wolfe—15.

Noes—Supervisors Hayden, Hilmer, Suhr—3.

Motion to Postpone Lost.

The question being on the consideration of the motion to postpone, the roll was called with the following result:

Ayes—Supervisors Hayden, Hilmer, Hocks, Kortick, Suhr, Welch—6.

Noes—Supervisors Brandon, Deasy, Gallagher, Hynes, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Walsh, Wolfe—12.

Passage to Print.

Whereupon, the question being taken, the foregoing resolution was passed for printing by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hynes, Lahaney, Mulvihill, Nelson, Nolan, Power, Walsh, Welch—11.

Noes—Supervisors Hayden, Hilmer, Hocks, Kortick, McLeran, Suhr—6.

Excused from voting—Supervisor Wolfe—1.

Explanation of Vote.

Supervisor Wolfe explained his vote by saying that after his election to the Board of Supervisors he was solicited with reference to employment as attorney in this matter, that he declined because he thought it unethical and improper and for the reason he now wished to be recorded as *excused from voting*.

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Prohibiting Obtaining of Money by Fraudulent Practices or Devices.

Supervisor Gallagher presented:

Bill No. —, Ordinance No. — (New Series), as follows:

Prohibiting the obtaining of money or property by certain fraudulent practices and devices, and prohibiting the practice of fraud or deception in connection with certain meetings, and repealing Ordinance No. 648 (New Series).

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. It shall be unlawful for any person to obtain money or property from another by fraudulent devices or practices in the name of clairvoyancy, palmistry, card reading, astrology, seership, or like crafty science, or fortune telling of any kind, and it shall be unlawful for any person to hold or give any meeting, gathering, circle or seance of any kind, in the name of spiritualism or of any other religious body, society, cult or denomination, and therein practice or permit to be practiced any fraud or deception of any kind.

Section 2. Any person violating any of the provisions of this ordinance shall be guilty of a misdemeanor and upon conviction thereof shall be subject to a fine of not less than twenty-five dollars, nor more than one hundred dollars or by imprisonment in the County Jail for a period not exceeding 30 days.

Section 3. Ordinance No. 648 (New Series), entitled, "Prohibiting the advertisement or carrying on the business of fortune telling, or business similar thereto," is hereby repealed.

Referred to the Judiciary and Police Committees.

Street Lights.

Supervisor Nolan presented:

Resolution No. 12467 (New Series), as follows:

Resolved, That the Pacific Gas & Electric Company is hereby instructed to install and change street lamps as follows:

Install Single Top Gas Lamps.

Southeast corner Forty-eight avenue and Irving.

West side Forty-eighth avenue, 120 feet south of Irving.

East side Forty-eighth avenue, 480 feet south of Irving.

Change Single Top Gas Lamps.

Northeast to northwest corner Forty-eighth avenue and Irving.

East side Forty-eighth avenue, 170 feet to 240 feet south of Irving.

West side Forty-eighth avenue, 499 feet to 360 feet south of Irving.

Northeast to Northwest corner Forty-eighth avenue and Judah.

Adopted under suspension of the rules by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran,

Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Protection of California's Oil Industry.

Supervisor Wolfe presented:

Resolution No. 12468 (New Series), as follows:

Whereas, Serious injury has been done the oil industry of California by the Federal government in instituting actions to dispossess holders of unpatented lands in the Midway-Sunset field, Kern County, that have been transformed from desert wastes to one of the richest oil fields in the world; and

Whereas, The government without any charge of fraud against the developers of these lands made a temporary withdrawal order in 1909 and again in 1910 in order that equitable laws might be enacted for the protection of the operators who were proceeding with due diligence and in good faith with the development of the public domain, but so far has failed to grant such relief; and

Whereas, Conservation cannot become an issue because the lands involved are being drained by wells on the unpatented lands interspersed with the unpatented lands embraced in the withdrawal orders; and

Whereas, The consumption of oil in this state is now exceeding the production by more than 1,000,000 barrels per month, with the result that the price of crude oil and its by-products, such as gasoline is soaring to such an extent that business is becoming affected and that further increases will make fuel oil more expensive than coal and thus rob San Francisco and California of that great asset, cheap fuel, all of which is due chiefly to the government's interference in the oil industry of California; and

Whereas, His Excellency Hiram W. Johnson, Governor of California, in a public statement issued January 10, 1916, the California Legislature by Senate joint resolution No. 16, filed with the Secretary of State, May 12, 1915, and various commercial and civic bodies throughout the state have indorsed the efforts of the Oil Industry Association of California to secure remedial legislation for the protection of the equities of the oil men who have proceeded in good faith with their development work; therefore be it

Resolved, That the Board of Supervisors of the City and County of San Francisco, California, hereby indorses the cause of the Oil Industry Association of California and urges the people of California to co-operate with the Oil Industry Association of California for the benefit of con-

sumer and producer, and be it further

Resolved, That this Board commend California's United States Senators and Representatives in Congress for their efforts to protect the oil industry of California and that we urge them to put forth every honorable effort to secure suitable legislation for the preservation of this basic industry of California, and be it further

Resolved, That the Clerk of this Board be instructed to forward a copy of these preambles and resolutions to Senators Phelan and Works and to each of California's Representatives in the lower house of Congress.

Adopted under suspension of the rules by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Supervisors Express Sympathy With Mayor in His Illness.

Supervisor Wolfe presented:

Resolution No. 12469 (New Series), as follows:

Whereas, The Board of Supervisors, in common with the people of this City and County, have learned with deep regret of the illness of his Honor Mayor James Rolph, Jr., and

Whereas, We are desirous of giving expression to our feelings of sympathy with the Mayor and his devoted wife and family; therefore be it

Resolved, That the Board of Supervisors fully appreciating the splendid qualities of his Honor the Mayor, deeply regrets his illness and express the fervent hope and prayer that he may be speedily restored to good health and returned to the field of his many activities, and be it further

Resolved, That a copy of these resolutions be spread on the minutes of the Board and a copy thereof presented to his Honor Mayor Rolph.

Adopted under suspension of the rules by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Leaves or Absence.

Resolution No. 12470 (New Series), as follows:

Resolved, That James Woods, Police Commissioner, be granted leave of absence, with permission to leave the state, for the period of sixty days commencing January 24, 1916.

Adopted under suspension of the rules by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Also, Resolution No. 12471 (New Series), as follows:

Resolved, That in accordance with the recommendation of his Honor the Mayor, Dr. Guy E. Manning, member of Board of Public Health of the City and County, is hereby granted a leave of absence for one week from and after January 10, 1916, with permission to leave the State.

Adopted under suspension of the rules by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Death of Loren E. Hunt, Assistant City Engineer.

Resolution No. 12472 (New Series), as follows:

Whereas, On January 9th, death removed from our midst Loren E. Hunt, principal Assistant City Engineer, and

Whereas, For nine years Mr. Hunt has unstintingly devoted to the City's interests his exceptional talents and efficient energy; and

Whereas, During this period of service he has justly merited not only the respect of the general public by his scrupulous fairness, his sterling character and steadfast principle, but also by his unostentatious sincerity, the admiration and devotion of all the City officials with whom he came in contact; now, therefore be it

Resolved, That the City shares the bereavement of his family in the loss of an official of high ideals and proven worth; and be it further

Resolved, That when this meeting adjourns it does so in respect to his memory; and be it further

Resolved, That a copy of this resolution be spread upon the minutes of the Board of Supervisors and a copy sent to the family of the deceased.

ADJOURNMENT.

There being no further business the Board, at the hour of 5:15 p. m., adjourned.

J. S. DUNNIGAN, Clerk.

Approved by the Board of Supervisors January 24, 1916.

Pursuant to Resolution No. 3402 (New Series), of the Board of Supervisors of the City and County of San Francisco, I, J. S. Dunnigan, hereby certify that the foregoing is a true and correct copy of the Journal of Proceedings of said Board of the dates thereon stated, and approved as above recited.

JOURNAL OF PROCEEDINGS

BOARD OF SUPERVISORS

MONDAY, JANUARY 24, 1916.

In Board of Supervisors, San Francisco, Monday, January 24, 1916, at 2 p. m.

The Board of Supervisors met in regular session.

CALLING THE ROLL.

The Roll was called and the following Supervisors were noted present:

Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17

Absent—Supervisor Lahaney—1.

Quorum present.

His Honor Mayor Rolph being absent, *Supervisor Power* was called to the chair.

READING THE JOURNAL.

The Journal of the meeting of January 17 was read and approved.

ROLL CALL FOR PETITIONS FROM MEMBERS.

W. D'Arcy Ryan Plan For Luminous Arc Lighting on Market Street.

Communication from the Downtown Association, requesting the aid and assistance of the Board of Supervisors by an appropriation to defray portion of cost for installing luminous arcs on Market street from The Embarcadero to Fulton street as suggested by W. D'Arcy Ryan.

Communication from California Association of Electrical Contractors and Dealers, endorsing W D'Arcy Ryan's scheme of lighting for Market street.

Communication from Oceanside Improvement Association, endorsing proposed lighting scheme for Market street, provided that funds which should go for lighting outlying districts is not diverted for such purpose.

Motion.

Supervisor Hayden declared that it was his understanding that the Downtown Association was to appear before the Board today for the purpose of soliciting the co-operation of the Board in installing the system of lighting Market street by means of luminous arcs recommended by W. D'Arcy Ryan. He moved that Otto Schiller be

granted the privilege of the floor to explain his understanding in the matter.

So ordered.

Otto Schiller thereupon addressed the Board and declared that it was his understanding that a committee of the Downtown Association was to be heard today before the Board of Supervisors and the Lighting Committee.

W. D. Fennimore appeared and stated that Mr. Edgar Peixotto would explain the purpose and plan of the Downtown Association for the lighting of Market street.

Supervisor Nolan stated that it was not the intention to have a hearing before the Board until the question had followed the proper procedure and has been threshed out in the Lighting Committee.

Whereupon, Mr. Fennimore declared his willingness that the question should follow the proper procedure, and the matter was referred to the *Lighting Committee*.

Civil Service in Clerk's Office of the Board of Supervisors.

Communication from City Attorney, advising that civil service provisions of the Charter apply to the office of the Clerk of the Board of Supervisors and that in his opinion the position of chief assistant clerk cannot be filled by promotion from the grade of assistant clerk and that present Chief Assistant Clerk cannot be reduced to assistant clerk without violation of the Charter.

Motion.

Supervisor Hayden moved that the communication be received, ordered filed and spread at length in the Journal.

Supervisor Gallagher moved, as an amendment, that the communication be referred to Joint Committee on Finance and Civil Service.

Amendment carried by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

Absent—Supervisor Lahaney—1.

Committee to Attend Memorial Service at California Club to Late Mrs. Lovell White.

The *Clerk* read:

Communication from the California Club of California, inviting Board to attend memorial service to its late President Emeritus, Mrs. Lovell White, Tuesday, January 25, 1916, at 2 p. m.

Motion.

Supervisor Gallagher moved that a committee of three be appointed to attend the service and represent the Board of Supervisors.

So ordered.

The Chair thereupon appointed Supervisors Gallagher, Welch and Wolfe on said committee.

HEARINGS OF APPEAL.

Athens Street.

Hearing of appeal from decision of the Board of Public Works recommending that the ordering of street work on Athens street, between Russia and Amazon avenues, fixed for 3 p. m. this day.

The Chair asked if there were any persons present who wished to be heard in protest.

No response.

Appeal Denied and Assessment Sustained.

Thereupon, Supervisor Welch presented:

Resolution No. 12481 (New Series), as follows:

Resolved, That the appeal of property owners from the decision of the Board of Public Works in recommending the ordering of street work on Athens street between Russia and Amazon avenues, etc., as provided for in Resolution of Intention No. 40737 (Second Series), be and the same is hereby denied.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

Absent—Supervisor Lahaney—1.

Bemis Street.

Hearing of appeal of property owners from the assessment for street work on Bemis street, between Miguel and Mateo streets, fixed for 3 p. m. this day.

Privilege of the Floor.

Emilio Lastreto, attorney representing A. Jackson Building and Realty Company, was granted the privilege of the floor. He protested the assessment and declared that his client was taxed \$702, whereas his property is on the assessment roll as valued at \$210. This, he contended, amounted to confiscation. Fifty per cent of the value is all that may be legally assessed for improvements. He further

contended that the work is not a benefit, but a detriment.

Edw. J. Gallagher, contractor, said that 75 per cent of the assessments for this work has been paid, the A. Jackson company being the only bill outstanding. He claimed that the proceedings were regular and that the assessment was legal.

Appeal Denied and Assessment Sustained.

Thereupon, Supervisor Welch presented:

Resolution No. 12482 (New Series), as follows:

Resolved, That appeal of A. J. Jackson Building and Realty Company from the assessment issued to the State Improvement Company for street work done on Bemis street between Miguel and Mateo streets, etc., as ordered by Ordinance No. 3158 (New Series), in accordance with the recommendation of the Board of Public Works and Resolution of Intention No. 35688 (Second Series), be and the same is hereby denied and the assessment confirmed.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

Absent—Supervisor Lahaney—1.

Randall and Whitney Streets.

Hearing of appeal of property owners from assessment for street work at crossing of Randall and Whitney streets, fixed for 3 p. m. this day.

Privilege of the Floor.

L. A. Dreisbach, attorney for Barber Asphalt Company, denied the alleged illegality of the assessment collected by his clients.

Motion.

Supervisor Welch moved that matter be referred to Board of Public Works to see if a new assessment can be made in order to afford relief to those property owners who have already voluntarily paid the Barber Asphalt Company for work on this crossing.

Motion carried

Santa Marina Street.

Hearing of appeal from assessment for street work on Santa Marina street, between Mission and Elsie streets, fixed for 3 p. m. this day.

Motion.

Supervisor Welch moved that the Santa Marina street hearing be laid over two weeks.

So ordered.

Whereas, A bid was submitted for the purchase of said bonds in the following words and figures, to-wit:

"San Francisco, Jan. 17, 1916.

The Honorable Board of Supervisors,
City & County of San Francisco.
Gentlemen:

For \$2,000,000 City & County of San Francisco Water Bonds, in the denomination of \$1000, bearing interest at the rate of 4½% per annum, payable semi-annually, said bonds bearing date of July 1st, 1910, and maturing thereafter \$200,000 each year from 1920 to 1929, both years inclusive, we will pay you par and accrued interest, and in addition thereto a premium of Ten Cents (10c) on each bond.

This bid is made with the understanding that we will take immediate delivery of \$1,000,000 par value of these bonds maturing \$200,000 per annum from 1920 to 1924, both years inclusive, and that we may cancel the sale to us of the remaining \$1,000,000 bonds at our option within sixty days on payment to the City of said premium thereon.

As an evidence of good faith, we hand you herewith certified check on the Bank of California, N. A., San Francisco, payable to J. S. Dunnigan, Clerk of the Board of Supervisors, for \$10,000; said check to be held by you and used in part payment for the \$1,000,000 bonds, which we agree to purchase immediately, or to be returned promptly in the event of the rejection of our bid.

Very truly yours,

BLYTH, WITTER & CO.,
By DEAN S. WITTER."

And said bid being the only bid submitted for said bonds or for any portion of the amount offered, therefore

Resolved, That the aforesaid bid of Blyth, Witter & Co. be and the same is hereby accepted according to the terms thereof, and the bonds bid for are hereby struck off and sold to said Blyth, Witter & Co. at the price offered in said bid; that the Finance Committee be directed to arrange for the delivery of said bonds.

Cancelling Bond of James Otis, Trustee of Whitcomb Estate, Covering Lease of Temporary City Hall.

Supervisor McLeran presented:

Resolution No. 12486 (New Series), as follows:

Whereas, James Otis, sole trustee under the will of A. C. Whitcomb, deceased, and the City and County of San Francisco, made and entered into a certain indenture of lease on the 24th day of January, 1911, which lease was recorded in the office of the Recorder of said City and County on the 20th day of June, 1911, in Liber 39 of Leases, at page 8; and

Whereas, The said James Otis, sole trustee under the will of A. C. Whitcomb, deceased, lessor under said lease, did furnish to the City and County of San Francisco, lessee, as required by said lease, a bond in the sum of \$25,000, conditional for the faithful performance, on the part of said lessor, of the agreements in said lease on his part to be performed, and

Whereas, The said James Otis, sole trustee, etc., has complied with all conditions of said lease and has performed all agreements to be performed by him under said lease and there exists no liability against the City and County for which the said James Otis, sole trustee, etc., or the said bond would be liable and the necessity for further requiring said bond has ceased;

Now therefore, be it Resolved, That His Honor the Mayor, for and on behalf of the City and County, is hereby authorized to cancel said bond and to make and execute such documents or releases as may be necessary to release said bond from further liability.

Supervisor Gallagher presented:

Resolution No. 12510 (New Series), as follows:

Whereas, The ter-centenary of the death of William Shakespeare will be on April 23, 1916, and whereas we recognize in him one of the world's master minds of all ages, and surely the highest in English literature, and whereas his immortal works have constituted and will endure for the lasting benefit of mankind, and more especially of the English speaking nations: and whereas in all or most of the cities of the United States this ter-centenary will be fittingly celebrated, and whereas in view of the high rank and standing of San Francisco in the American commonwealth, which rank and standing have recently

been much enhanced through the Panama-Pacific International Exposition;

Therefore be it, and it is hereby Resolved, That his Honor, Mayor Rolph, appoint a committee of representative citizens of San Francisco to whom shall be officially entrusted the celebration of this ter-centenary.

Adopted under suspension of the rules by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

Absent—Supervisor Lahaney—1.

Extension of Time.

Supervisor Welch presented:

Resolution No. 12511 (New Series), as follows:

Resolved, That City Street Improvement Company be granted an extension of 60 days' time from and after January 25, 1916, within which to complete contract for curbing and paving Moraga street between Eighth and Ninth avenues and between Tenth and Eleventh avenues.

This second extension of time is granted upon the recommendation of the Board of Public Works for the reason that the Board of Public Works will require this extension of time to be allowed as requested for the reason that the City Engineer is endeavoring to determine what property owners installed pavement at their properties between Tenth and Eleventh avenues without permission, in order that a legal assessment for this work may be issued the contractor.

The advertising fee is remitted.

Adopted under suspension of the rules by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

Absent—Supervisor Lahaney—1.

Finance Committee Requested to appropriate Money for Street Lighting.

Supervisor Nolan presented:

Resolution No. — (New Series), as follows:

Whereas, A large number of street lamps have been ordered installed by the Board of Supervisors that have not been lighted by the Pacific Gas & Electric Company owing to a deficit in the appropriation for street lighting, thus causing a great inconvenience to many people, therefore be it

Resolved, That the Finance Committee be requested to appropriate sufficient money to pay for said lighting until July 1, 1916.

Referred to the Lighting, Water and Telephone Service Committee.

Relief of Congestion at Ferry.

Supervisor Gallagher presented:

Resolution No. — (New Series), as follows:

Whereas, The increasing passenger traffic congestion at the Ferry is a problem that has caused considerable study and anxiety on the part of the officials of the State Board of Harbor Commissioners and the Board of Supervisors, and

Whereas, It is apparent that some method of distribution of said traffic must be found in order to relieve the strain upon the car service at that point as well as to mitigate the dangers incident to crossings and crowding on boats, therefore be it

Resolved, That the Public Utilities Committee is requested to give study to the possibility of extending the Municipal Railroad to the end of Leavenworth street and is empowered to confer with the State Board of Harbor Commissioners to the end that Ferry service may be established to and from Marin County points as a feeder to said line and as a relief to the congested Ferry traffic.

Referred to the Public Utilities Committee.

Regarding Flooded District in South San Francisco.

Privilege of the Floor.

Wm. Taafe, representing business men south of Butchertown, was, on motion of Supervisor Welch, granted the privilege of the floor. He declared that notwithstanding the temporary relief afforded by pumping, the water in the last few days had risen three feet. A. B. Patrick & Co., he said, have been put out of business and others will be obliged to suspend operations unless something is done at once. An appropriation of \$3000 for the purpose of widening and deepening the channel, he said, would permanently relieve the situation.

H. Trueb, representing A. B. Patrick & Co., also addressed the Board. He said that his firm was employing 800 men, representing 1000 families depending on this industry, and that unless something is done at once these people will be seriously affected. This, he said, is the first time in 30 years that anything like this has happened and it can be remedied permanently by widening the channel to 20 feet and deepening it 5 feet.

H. Shimer, representing the City Engineer's office, also addressed the Board. He said that he had taken up the matter with Mr. Newell of Newell & Monroe, and was told by Mr. Newell that he was not financially able to do anything, but that he would do anything he could. Nothing further has been heard from him in the matter. We recommend the construc-

tion of a dredge channel up to Oakdale avenue to cost between \$3000 and \$4000, which, together with channel to Army street sewer, will carry off all the surplus. This work will take about 30 days after beginning operations.

Motions.

Supervisor Wolfe moved that an adequate appropriation to afford immediate and permanent relief be set aside.

Supervisor Power moved, as an

amendment, that the Finance and Streets Committee consider the matter at 11 a. m. tomorrow, Tuesday, January 25, 1916.

Amendment *carried*.

ADJOURNMENT.

There being no further business, the Board, at the hour of 5:30 p. m., adjourned.

JOHN S. DUNNIGAN,
Clerk.

By JOHN W. ROGERS,
Acting Clerk.

Approved by the Board of Supervisors January 31, 1916.

Pursuant to Resolution No. 3402 (New Series), of the Board of Supervisors of the City and County of San Francisco, I, John W. Rogers, hereby certify that the foregoing is a true and correct copy of the Journal of Proceedings of said Board of the dates thereon stated, and approved as above recited.

Report of Public Utilities Committee.

The following report was presented and read by the Clerk:

San Francisco, January 31, 1916.
Board of Supervisors.

Gentlemen: Your Committee on Public Utilities, to whom was referred the matters herein stated, submits thereon the following report:

1. After a number of public hearings in the matter of rerouting sev-

eral lines of the United Railways, known as Nos. 6, 7, 17, 20 and 21, your committee considers that the public interest will be promoted by a thirty days' trial of the routes set forth in the resolution herewith presented and we recommend its adoption.

2. At a public hearing in the matter of the restoration of service on lines 25 and 30 of the United Railways, serving the Potrero District, your committee was impressed by the apparent unanimity of opinion in the district stated in favor of the restoration of the service stated, and we recommend the adoption of a resolution requesting the United Railroads to so restore the lines numbered as above.

3. Your committee finds it extremely difficult to decide matters that concern the operation of the United Railroads transportation systems in the city and inasmuch as problems of greatest consequence will be continually pressed upon us for solution, it will be necessary for the committee to secure expert advice thereon. To the end that such advice may be had a resolution is herewith presented asking that the City Engineer detail a qualified assistant to serve this committee in the capacity indicated.

Respectfully submitted,

EDWARD I. WOLFE,

Chairman;

JOSEPH MULVIHILL,

RICHARD J. WELCH,

ANDREW J. GALLAGHER,

C. J. DEASY,

Public Utilities Committee.

Question of Personal Privilege.

Supervisor Wolfe—Mr. Chairman: I rise to a question of personal privilege in regard to the matter now under consideration.

On last Wednesday, as at the Wednesday previous, the Public Utilities Committee considered questions involving the changing of the routes of street cars operated by the United Railroads. Citizens, some from one section, some from another section of the city, appeared before the committee and advocated certain changes. At the last meeting of the committee there must have been over one hundred men and women present concerned in the proposed changing of the routes of some of the United Railroad cars. During the week I had given a great deal of study to that question, and I made this suggestion at that time that someone in the employ of the City Engineer's office be assigned to this committee so that when petitions from citizens are filed that someone may go over the ground and report in an expert way to our committee, so that we may have some information to help us in reaching a

fair and equitable conclusion upon the questions under consideration. That course had been theretofore suggested by the San Francisco Chronicle. It appears that that course had also been suggested by the previous Public Utilities Committee, through Mr. Supervisor Vogelsang, its chairman, and that seemed to meet with the approval of the Public Utilities Committee, that someone from the Engineer's office, in connection with the United Railroad system, be at our disposal to help us reach a proper and just conclusion.

On Friday morning last there appeared in the San Francisco Examiner the following editorial. If ever there was a rank injustice; if ever there was an outrage on truth; if ever there was an affront cast at a public servant who desires to do his duty and his full duty, it is contained in this editorial. This editorial was written by a man who has taken my hand in friendly grasp a thousand times—a man who has wine with me, and dined with me, and communed with me—a man whom I thought to be a gentleman and my friend, and who, in some unfortunate condition of mind, whether resulting from an over-indulgence at his club or from some mental perversion, wrote this attack on me, which I propose to read to you, my colleagues on this board. (Reading): "A good thing to kick into the waste basket. Supervisor Edward I. Wolfe has started in early. He is trying to do politics with the Municipal Railroad." Let me say right here, there is no better friend of the Municipal Railroad system in San Francisco than the man that is now addressing you. There is not a man who will go further to extend, and perfect, and improve that condition in accordance with the wishes of the people of San Francisco than what I will. I am its friend and its supporter, and I believe in it, and I am going to stand by it.

(Reading): "He says he is going to introduce a resolution providing for an expert for the city's street car lines. If he does introduce such a resolution it should be kicked into the waste basket just as soon as the Supervisors can apply their feet to it.

"Supervisor Wolfe has long been a Senator at Sacramento. There one of the chief duties of the Legislature has been to provide places for needy politicians, paying the public money in salary on salary, the more places and the larger salaries the better.

"But Supervisor Wolfe may as well learn right now that that sort of thing doesn't go in San Francisco, and if he persists in trying to do politics with the Municipal Railroad he'll find himself fighting recall in very short order."

Mr. President, in the Senate of this state when the question of stuffing the payroll and the employing of attaches stank in the nostrils of the people, I introduced a resolution, a constitutional amendment in the Senate of the state of California limiting the number of attaches, and the amount that could be expended in either house of the Legislature. The Legislature adopted that constitutional amendment, and the people adopted it by an overwhelming majority; and from that time to this the employment of attaches in the Legislature of the state of California has been limited by constitutional provisions, and the Legislature has lived up to that amendment in every letter and in every particular.

(Reading): "There is no more need for an expert on the Municipal Railroads than there is for another big toe on Supervisor Wolfe's gouty foot."

Now, Mr. President, I have been in public life for over twenty-five years, and I am still a comparatively poor man. I never could afford the luxury of gout. That is for these high-priced and highly-paid newspaper writers who indulge in over-eating and over-drinking. I would rather be troubled with my foot than have a perversion of the mind, or mental disorders that cause men to deal unjustly by their fellows.

(Reading): "The city already has an expert at the head of her railroad system. That expert is Superintendent Cashin."

Let me say that I have every confidence in Superintendent Cashin, and I would no more think, as a member of this committee or board, of interfering in the remotest or in the slightest degree in the operation of the Municipal system without consulting him or considering his approval than I would consider any act that would be wrong, whether it involved moral turpitude, or whether it did not.

(Reading): "Mr. Cashin has thoroughly demonstrated his expertness. He has made of the Municipal Railroads something in which San Francisco takes the highest pride and toward which other cities look with envious admiration.

"The roads are well run. It gives property an added value to be contiguous to Municipal Railroad service. The system pays handsomely. There is a general demand for its extension. All this has grown up under the expert services of Superintendent Cashin.

"Now, if the Supervisors who know little or nothing about the Municipal Railroad system, want information on that system—first-class and first-hand information—all they have to do is call in Mr. Cashin and he can enlighten them on everything they need

to know about. He is the very best expert they could secure.

"But if Supervisor Wolfe's game of playing politics with the Municipal Railroad is to be put into effect, the expert will have to have a secretary, and a corps of stenographers, and a janitor, and a gatekeeper, and a watchman, and a rear porter—just as they do up at Sacramento. And the first thing we know, instead of making a handsome profit, our Municipal roads will be running at a loss, the employees will be doing more work in politics than on the platforms or in the car barns, and the whole system will go to that wreck and ruin so often predicted and which old-line politicians like Mr. Supervisor Wolfe probably desire."

Was there ever anything more infamous than that accusation, without the slightest grounds upon which to base it?

(Reading): "So the thing to do is put the supervisorial heel on this Wolfe serpent at once and save the Municipal Railroads from being stung with the virus of ward politics and district patronage."

Mr. President, when I retired from the Senate of this state, I am happy to say that I left there with the kind words and good wishes of my colleagues of all political parties and faiths ringing in my ears, and I never shall forget them as long as life lasts. When I resigned my position after eighteen years of service and came to the discharge of my duties as a Supervisor, so help me God, I consecrated myself to faithful work for the people of San Francisco, to do that which was considered for its best interest—to carry their will into effect, and do only those things which would tend to the prosperity of the city and the prosperity of our people; and instead of meeting encouragement, this great newspaper, which speaks as though it had taken some holy orders, which seems to think there is a divinity hedging it round—that it has the right, that two or three men, Mr. Robert, or Mr. Justin McGrath, or Mr. Hamilton, that they have the right to sit in their offices in judgment upon public men elected to office by the votes of the people who desire to do their duty, and instead of encouraging them and lending them a helping hand, they are subjected to an attack like that.

Mr. President, there were many prominent and interested people in attendance at this particular meeting of the Public Utilities Committee who understood and appreciated what was intended when the matter of an expert was suggested to advise and assist us, and there are many within the sound

of my voice here now who were there—Mr. Baldwin of Baldwin & Howell, Mr. Speaker Young of the Assembly, Mr. Leonard, the members of the Board of Public Works, representatives of the Engineer's office, representatives of this department, and the clerks of the department—they were all there, and all have said to me since that this is a high-handed outrage and infamy. A committee of gentlemen waited upon the Examiner and told them that, and they did not have the decency to say they made a mistake and that they had done me an injustice.

Mr. President, newspapers are very powerful for good, or very powerful for evil. It seems to me that the time has come when a newspaper like this ought to realize there is a change in the public sentiment with reference to the rights, and the limits, and the privileges that these papers enjoy. They should recognize the time has come when the people will not stand for injustice and outrages—the time has come when they will demand an eye for an eye and a tooth for a tooth from these men who dare assassinate the character of men and wring the heartstrings of those near and dear to them by attacks like that. The time has come when the mob will be hammering at their door and tearing them to tatters if they proceed along lines like this without cause or justice or provocation. It is not so long ago since in San Francisco that a man was attacked by this paper and he adopted methods which others may adopt in the near future to bring these people down to the level where they belong—he went at them in the only way that they respect, through fear, and they let him severely alone from that day to this: they called in a minister and called in a doctor to help save their hides from the fire as a result of that interview.

Now, Mr. President, no one regrets more than I do that, at the outset of my career in this Board of Supervisors that I have to rise on my feet and sneak as I have spoken, because, as I stated to you before, I consecrated myself to the faithful service of this city, in which I have spent nearly all of my life, and which contains everything most dear to me in the world. I looked for encouragement to these papers, to strengthen me, and advise me, and help me to do the only thing I want to do—the right, and the honest, and the clean thing on this question of routing cars, as on every other question. We are, as I say, only laymen—we want to decide right and well—it is a most difficult thing to decide, where there are people from this street and the other street, who are trying to protect their own property—

it is their right and privilege; but your committee and this board represent the whole people and are compelled to finally decide, and they want to decide wisely and justly and well to the best interests of a majority of the people; and it was only that condition I had in mind—the complex and troublesome conditions that surround the United Railroads, that we thought someone from the Engineer's office might first go over these petitions for re-routing cars—that we might have some official information, and not for the purpose of creating new jobs for porters and secretaries, and not interfering with the prerogatives of the Municipal Railroads; but some city official already paid by the city—that part of his time might be at the service of our committee to give us the light which we want and sadly need. Therefore I deemed it my duty, Mr. President, in the face of an outrageous attack like this, to rise upon the floor of this board and tell you, and the people of San Francisco, that there is not a scintilla of truth in the premises which are made the basis of this editorial; and more than that, they know it by this time, and they have not had the decency to say that they have made a mistake. I want you to understand that, notwithstanding I feel hurt, and my friends feel deeply hurt at this infamous and outrageous attack, that this will not warp my judgment, nor my course, or my opinion upon the floor of this board in any matter that may be for the interest of the people; and if this paper favors something that I think is right, I shall be for it, and if I should think it wrong, I shall fight it, even though it be ten times as strong. All I want is an opportunity at their hands to show what I want to do for the welfare of San Francisco, and I guarantee there will never be occasion for an editorial of this kind again in my public life.

Supervisor Power (presiding): If there is no objection, the remarks as noted by the clerk will be printed in the Journal and also printed in the Municipal Record. If there is no objection, that will be the order.

City Attorney's Opinion on Civil Service in Clerk's Office, Board of Supervisors.

San Francisco, January 31, 1916.

Board of Supervisors.

Gentlemen:

Your Committees on Finance and Civil Service, to whom was referred the opinion of the City Attorney relative to the application of civil service to the office of the clerk of the Board of Supervisors and the power of the board to change the positions of certain clerks having the benefit of Charter Amendment No. 3, beg leave

to recommend that the City Attorney's opinion be filed and printed in full in the Journal of Proceedings.

OSCAR HOCKS,
FRED L. HILMER,
J. EMMET HAYDEN,
E. L. NOLAN,
JAMES E. POWER,
ANDREW J. GALLAGHER,

Finance and Civil Service Committees.

January 22, 1916.

Subject: Power of Board to Change Positions of Employees of Board Having Benefit of Amendment 3, Approved March, 1913.

Gentlemen:

I am in receipt of a communication from the clerk of your board under date of January 17, 1916, reading as follows:

"I am instructed by order of the Board of Supervisors to submit to you certain resolution relating to the application of Civil Service laws in the office of the clerk of the Board of Supervisors.

"I hand you herewith in this connection reports of the Civil Service Committee and reports of the Finance Committee, and Resolution No. 12466 (New Series), adopted this day.

"You are requested to report on this whole subject matter, as to its legal phases, at the next meeting of the Board of Supervisors, January 24, 1916."

Accompanying and referred to in your communication are the following documents, Resolution No. 12,466 (New Series), a report of your Committee on Civil Service, a report of your Finance Committee and a proposed resolution. These respective documents read as follows:

"Resolution No. 12,466
(New Series).

"Resolved, That the City Attorney be and he is hereby requested to furnish the Board of Supervisors with an opinion at as early a date as possible on the following matter:

1st. Do the Civil Service provisions of the Charter apply to the office of the Board of Supervisors? If so, to what extent? What positions, if any, are exempt?

2nd. Has the Board of Supervisors the power or legal authority to demote, transfer or assign to any other position in its office the present Chief Assistant Clerk, who was appointed to said position January 8th, 1912, has occupied the same continuously ever since and has been certified thereto by the Civil Service Commission pursuant to the adoption of so-called Charter Amendment No. 3, adopted by the people at a special election December 10th, 1912, and ratified by the Legislature March 28th, 1913?"

"January 17th, 1916.

To the Honorable Board of Supervisors, City Hall.

Gentlemen:

Your Committee on Civil Service, which under the new rules recently adopted by the Board of Supervisors, is expected 'to consider all matters relating to Civil Service in the several departments and to promote efficiency and economy in expenditures', is desirous of securing legal information as to the exact status from a Civil Service standpoint of all employees in the office of the Board of Supervisors. It therefore recommends the adoption of a resolution requesting the City Attorney for a legal opinion covering this matter."

"San Francisco, January 17, 1916.

To the Honorable the Board of Supervisors, San Francisco, Cal.

Gentlemen:

Your Finance Committee, acting under the rules adopted on January 8th, 1916, has assigned several assistant clerks to duties to various committees, and in making these assignments the experience and capabilities of the individuals have been taken into consideration. After carefully considering the matter of assignments, the committee now recommends that Assistant Clerk David A. Barry be and is hereby directed to assume the duties of Chief Assistant Clerk to the board, and that John W. Rogers, heretofore Chief Assistant Clerk, be assigned to the duties of Assistant Clerk."

Proposed Resolution.

"Resolved, That in accordance with the recommendation of the Finance Committee of the Board of Supervisors, David A. Barry be and is hereby directed to assume the duties of Chief Assistant Clerk to the Board of Supervisors at a salary of \$250.00 per month, and that John W. Rogers, heretofore Chief Assistant Clerk, be and is hereby directed to assume the duties of Assistant Clerk at a salary of \$175.00 per month."

Opinion.

First question: Do Civil Service provisions of the Charter apply to the office of the Board of Supervisors?

Section 11 of Article XIII of the Charter enumerates the offices, boards and departments subject to Civil Service. Among those enumerated is the Board of Supervisors. This section also enumerates those positions which are exempted from Civil Service. So far as the Board of Supervisors is concerned, the Clerk and persons employed by the board for temporary service requiring high technical skill are the only persons exempted. The employees of the Supervisors came under the provisions of Civil Service by an amendment to the Charter ap-

proved by the Legislature on March 28, 1913, known as "Charter Amendment No. 3." Prior to that date those employees were not subject to Civil Service.

I know of no rule which prohibits freeholders in adopting a charter under Section 8½, Article XI of the Constitution providing that the employees of the legislative body shall be subject to Civil Service. It is purely a matter of governmental policy to be determined by the electors. Employees of the Board of Supervisors are engaged in clerical and administrative work, and if the electors deem it to the public interest that those employees be under Civil Service the law of the state permits them to do so. I therefore answer the first question in the affirmative.

Second question: May the board change the positions of Rogers and Barry in accordance with the resolution proposed by the Finance Committee, quoted above?

Subdivision a of Section 11 of Article XIII in part reads as follows:

"Any person who has served in any position in the office of the Assessor, the Coroner, the Recorder, the County Clerk, the Sheriff, the office of the Justices' Clerk, the Board of Supervisors or the Treasurer for a period of one year continuously prior to the approval of this amendment and who shall be actually employed in any of said offices at such time, is hereby declared to be appointed within the provisions of Article XIII of this Charter to the position to which he may be assigned and shall be entitled to all the benefits of said Article thereafter."

This provision of Section 11 was added by "Charter Amendment No. 3," and the amendment referred to in the quoted part of the section is Amendment No. 3.

At the date of the approval of the amendment Rogers was serving in the position of Chief Assistant Clerk at a salary of \$250 per month. At the same time Barry was serving in the position of Assistant Clerk at a salary of \$175 per month. Both Rogers and Barry had occupied their respective positions continuously for more than one year previous to the approval of the amendment. Upon the approval of the amendment Rogers automatically became appointed to the position of Chief Assistant Clerk and Barry to the position of Assistant Clerk and both became entitled to all the benefits of Article XIII of the Charter.

Since 1902 the Board of Supervisors has designated one of its employees as "Chief Assistant Clerk". Likewise the title of "Assistant Clerk" has been given to other employees.

Ordinance No. 3535, New Series, known as the "Additional Positions Ordinance," was finally adopted by the Board of Supervisors on December 13, 1915. One of the purposes of the ordinance was to restore the records destroyed by fire of ordinances passed by the Board of Supervisors which authorized the appointment of additional clerks, deputies and employees in and by the several officers, boards and departments in accordance with the provisions of Section 35 of Article XVI of the Charter. Another purpose was to bring all of those positions under one ordinance. It is recited in the ordinance that theretofore all the positions mentioned in the ordinance were legally created under and in accordance with Section 35 of Article XVI and that all conditions required to be done in order to make the creation of such positions legally valid were had and done by the Board of Supervisors.

Section 3 of Ordinance No. 3535, New Series, provides that the designations of positions created by said ordinance were provided by the Civil Service Commission on the 8th day of November, 1915, as required by Section 2 of Article XIII of the Charter.

Section 17 of the ordinance authorizes the Board of Supervisors to appoint, besides other employees: "b. One Chief Assistant Clerk at a salary of \$3000 per year", and "e. Three Assistant Clerks at a salary of \$2100 per year." There are seventeen different titles to the positions enumerated. Those seventeen titles cover twenty-three separate positions.

On the 30th day of March, 1915, the Civil Service Commission notified the Board of Supervisors that the persons named in the communication had been entered on the records of the Commission as entitled to the benefits of Article XIII of the Charter as employees in the office of the Board of Supervisors in the positions set opposite their respective names by virtue of the provisions of Charter Amendment No. 3. Among the names appearing is that of John W. Rogers, declared to be entitled to the position of Chief Assistant Clerk, and David A. Barry, declared to be entitled to the position of Assistant Clerk; Rogers' salary being given as \$250 per month and Barry's salary at \$175 per month. The Civil Service Commission in that communication classified the positions in the Board of Supervisors in the same manner that Ordinance No. 3535, New Series, classifies them.

It therefore appears that the positions of Chief Assistant Clerk and Assistant Clerks of the Board of Supervisors have been regularly created in accordance with the provisions of the

Charter and the designations of those positions properly made. Rogers holds his position by virtue of the Charter amendment quoted above and Barry holds his position by virtue of the same amendment. The Charter has appointed these men to their respective positions and has declared that they are entitled to all of the benefits of Article XIII.

Ordinance No. 3535, New Series, of the Board of Supervisors and the declaration of the Board of Civil Service Commissioners, as set forth in the communication from that board to the Board of Supervisors, above referred to, both place Rogers and Barry in different classifications. Likewise the salaries of the two employees are different, although it is to be noted that the difference in salaries does not necessarily make a difference in classification under the provisions of Civil Service.

The Civil Service Commission has recently adopted a classification of the classified Civil Service of the city: Class 21 of that classification is "Assistant Clerks of the Board of Supervisors promoted from Class 4 (general clerks) and includes all other positions in the office of the Board of Supervisors that have similar duties and that are not separately classified and carry salaries of more than \$125 a month." Class 22 is "Chief Assistant Clerk of Board of Supervisors promoted from Class 21." This classification is authorized by Section 2 of Article XIII of the Charter, which in part reads as follows:

"The Commission shall classify, in accordance with duties attached thereto, all places of employment in or under the offices and departments of the City and County, not exempted under Section 11 of this Charter, or which may be created hereafter and not specifically exempted by this Charter."

By this action the Civil Service Commission has declared the classification of Chief Assistant Clerk of the Board of Supervisors to be a higher classification than that of Assistant Clerks.

Among the benefits to which Rogers and Barry both became entitled upon the adoption of Charter Amendment No. 3, are those contained in Section 12 of Article XIII. The important part, so far as this opinion is concerned, is contained in the first sentence thereof:

"No person employed in the classified Civil Service shall be removed or discharged except for cause, upon written charges, and after an opportunity to be heard in his own defense."

I am firmly of the opinion that changing Rogers from his position of Chief Assistant Clerk to that of As-

sistant Clerk violates the provisions of Section 12 above quoted. By this action Rogers would be reduced in grade and Barry promoted.

In the case of *People ex rel. Callahan v. Board of Education of the City of New York*, 79 N. Y. Sup., p. 624, it was held that "a reduction of a teacher from one grade to another accompanied by a decrease in pay, constitutes a removal and reappointment rather than the reassignment provided for in Section 1117 (Code of New York) and hence can only be brought about for cause." This case was approved in the case of *Waters v. City of New York*, 88 N. Y. Sup. 238. The same rule obtains in this state.

The Supreme Court, in the case of *Kennedy v. Board of Education*, 82 Cal. 483, held that to remove a teacher from the grade in which her certificate entitled her to teach was as much a violation of the statute which provided that a teacher could not be removed except for cause as if the teacher had been dismissed and not given another position.

The Civil Service Commission, pursuant to its authority conferred by the Charter, has declared that the position of Chief Assistant Clerk shall hereafter be filled by promotion from the class designated as "Assistant Clerks", to which class Barry belongs. This action of the Civil Service Commission is authorized by Section 8 of Article XIII of the Charter.

If a vacancy existed in the position of Chief Assistant Clerk it would therefore be filled from a list of eligibles created by examination of persons holding the position of Assistant Clerks. Pending such an examination the Board of Supervisors could, under the provisions of Article XIII, make a temporary appointment to Chief Assistant Clerk. However, there is no vacancy in that position. On the other hand, the position is actually held by one who is entitled thereto under the Charter. Therefore, the promotion of Barry to the position of Chief Assistant Clerk would be in violation of the Charter and the rules and regulations of the Civil Service Commission.

Subd. b of Sec. 11, Art. XIII, provides that "All officers, courts, boards or heads of departments vested in this Charter with the power to appoint deputies, clerks, stenographers or other employees of any designation whatsoever shall make appointments only in accordance with the provisions of this Article and the rules adopted thereunder and any appointment not so made shall be void."

I therefore advise you as to the second question that the action proposed

by the Resolution introduced by the Finance Committee would not be valid.

Respectfully,

PERCY V. LONG,

City Attorney.

By THOS. E. HAVEN, Assistant City Attorney.

Report of Committee on Civil Service on Sealer of Weights and Measures.

Supervisor Hocks presented the following report and moved its adoption:

January 31, 1916.

To the Members of the Board of Supervisors.

Gentlemen:

The rules of this Board provide that it shall be the duty of the Committee on Civil Service to "promote efficiency and economy" in the several departments of the City Government.

In the performance of this duty your Committee has had occasion to investigate the work of the Department of Weights and Measures, mainly for the purpose of determining its efficiency and to ascertain whether there is justification in making a change in the head of the Bureau.

Your Committee is pleased to report that the Bureau is one of the most efficient in the City's governmental organization and enjoys the respect and confidence of the public. It has demonstrated its usefulness in effecting a saving to the consumers of the City, estimated to be close to a million dollars.

No charge of incompetency or of neglect of duty has ever been suggested or even hinted as against the present Sealer of Weights and Measures, and your Committee commends his administration and believes that in this commendation it reflects the unanimous sentiment of the community.

While the office of Sealer of Weights is not governed by Civil Service rules, nevertheless, your Committee believes that the principles of Civil Service should be made applicable to this position and that there should be no change of incumbency of this office without charges being first made and sustained.

We submit this report and ask for its adoption as expressive of the views of this Board.

Respectfully,

OSCAR HOCKS,

J. EMMET HAYDEN,

FRED L. HILMER,

Committee.

Amendment.

Supervisor McLeran moved as an amendment that the foregoing report be placed on file.

Amendment *lost* by the following vote:

Ayes—Supervisors Deasy, Gallagher, Lahaney, McLeran, Nolan, Power, Walsh, Welch, Wolfe—9.

Noes—Supervisors Brandon, Hayden, Hilmer, Hocks, Hynes, Kortick, Mulvinill, Nelson, Suhr—9.

Refused Adoption.

Whereupon, the question being taken on Supervisor Hocks' motion to adopt, the motion was *lost* by the following vote:

Ayes—Supervisors Brandon, Hayden, Hilmer, Hocks, Hynes, Kortick, Mulvihill, Nelson, Suhr—9.

Noes—Supervisors Deasy, Gallagher, Lahaney, McLeran, Nolan, Power, Walsh, Welch, Wolfe—9.

Explanation of Vote.

Supervisor Wolfe explained his vote by saying that he voted against the report, not because he did not think Mr. Dolan efficient. "I was one," he said, "who voted to remove Mr. Dolan," but because I was in favor of putting an equally efficient man in his place.

Supervisor Welch explained that he voted against the resolution, not because he had any feeling against Mr. Dolan, but because the resolution goes beyond Mr. Dolan, for that reason he voted *No*.

Supervisor Brandon also explained, saying that the report was very plain and referred to only one man, not to the entire office force.

Referred.

Whereupon *Supervisor Gallagher* moved that the report be referred to the Public Welfare Committee.

Motion *carried* by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Report of Committee on Civil Service on Supplies, Committee Clerks of Board of Supervisors.

Supervisor Hocks presented the following report and moved its adoption: San Francisco, January 31, 1916. Board of Supervisors.

Gentlemen: The attention of this Committee having been called to the fact that the position of Inspector of Supplies in the office of the Clerk of the Board of Supervisors was made vacant by the death of John C. Desmond, and is now filled by a temporary appointment of a Civil Service eligible, though not highest on the list, and that it is desirable that a permanent appointment shall be made, therefore a resolution is herewith presented asking the Civil Serv-

ice Commission to certify to this Board the name of the highest eligible to fill the vacancy.

Respectfully submitted,

OSCAR HOCKS,
J. EMMET HAYDEN,
FRED L. HILMER,
Civil Service Committee.

Resolution No. — (New Series), as follows:

Resolved, That the Civil Service Commission certify to this Board the name of the person highest on the eligible list to fill the position of Inspector of Supplies in the office of the Clerk of the Board of Supervisors, as provided for by Ordinance No. 2581 (New Series) to fill the vacancy caused by the death of John C. Desmond.

Ruling of the Chair.

Thereupon the Chair ruled the report out of order on the ground that there is no such position as "Inspector of Supplies."

Chair's ruling sustained by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hynes, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Suhr, Walsh, Welch, Wolfe—13.

Noes—Supervisors Hayden, Hilmer, Hocks, Kortick—4.

Excused from voting—Supervisor Power—1.

Action Deferred.

The following matter laid over from a previous meeting was taken up and on motion *laid over two weeks*:

Municipal Concerts and Public Celebrations Committee recommends the following:

Resolved, That the action of this Board as of July 9, 1912, approving the report of the Public Welfare Committee, relative to the appointment of John Keogh as leader of the Municipal Band be and is hereby rescinded.

J. D. HYNES.

Report of Lighting Committee on Illumination of Market Street.

The following report was presented and read by the Clerk:

January 31, 1916.

To the Board of Supervisors.

Gentlemen: Your Committee on Lighting reports as follows:

In favor of the character of illumination for Market street from the Ferry to Eighth street, as proposed by the Downtown Association, and your Committee believes that this improved lighting of Market street would be a benefit to the entire city.

Your Committee, however, is opposed to the city paying for any part of such illumination if any part of such expense means a decrease or a restriction of necessary increase of the lighting fund for the other streets of the city.

The outlying districts of the city are growing rapidly and a large additional increase in the lighting fund is needed to keep pace with these improvements.

Respectfully,

E. L. NOLAN,
JOSEPH MULVIHILL,
JAMES E. POWER,
Committee.

Privilege of the Floor.

W. D. Fennimore, president of Downtown Association, was granted the privilege of the floor and addressed the Board as follows: "I wish to say first that in asking for funds for lighting Market street, I do not wish it at the expense of the outlying districts." Savings, he said, can be made in our own district by the elimination of street lights at corners. If this illumination plan goes through property values will be greatly increased, resulting in an increased assessment roll. There is no necessity for me pointing out the great advantages of this scheme of illumination, Mr. Ryan is here and will address you.

Edgar Peixotto also addressed the Board and stated that he held a written agreement signed by Chas. N. Black, general manager of the United Railroads, that in lieu of the present lighting furnished by the company it will contribute to the lighting fund for the proposed illumination the sum of \$4.00 per pole per month—the cost of the present service, or approximately \$7000 per year.

D'Arcy Ryan also addressed the Board. He said that it was proposed that the city maintain one of the proposed lights all night and the Downtown Association and United Railroads would pay for maintenance of the other two up to 12 o'clock. The association was asking the city to provide \$14,425.85 per annum for this purpose, the Downtown Association will agree to raise \$23,194.20 and the United Railroads is expected to furnish \$7000. The Downtown Association has agreed to this scheme for a period of three years.

Byron Mauzy, representing the Downtown Association, also addressed the Board and thanked it for the favorable hearing it had given the representatives of the Downtown Association.

Report Approved.

Supervisor Gallagher moved that the committee's report be approved.

Motion carried by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Rerouting Street Cars.

Supervisor Wolfe presented:

Resolution No. 12527 (New Series), as follows:

Resolved, That the Board of Supervisors hereby consents that the United Railroads of San Francisco may re-route certain of its street car lines as follows:

1. From Ferry to Stanyan and Ful-

ton streets via Market and Hayes streets.

2. From Ferry to Haight and Stanyan streets via Market, Hayes, Fillmore, Oak (Page) and Stanyan streets.

3. From Ferry to Ocean Beach via Market, Haight, Stanyan, Frederick streets and Lincoln Way.

4. From Ferry over same streets as far as Twentieth avenue, thence to Ingleside via Twentieth avenue.

5. From Ferry over same streets as far as Masonic avenue, thence to Ninth avenue and Pacheco street via Masonic, Frederick, Clayton, Carl, Stanyan, Parnassus, Judah and Ninth avenue.

6. Route of present line No. 20 to terminate at Haight and Stanyan streets.

7. Present lines 17 and 21 to be discontinued.

It is expressly provided that this consent is given upon the condition that said United Railroads shall operate at all times a sufficient number of cars upon the several routes herein indicated and with a headway sufficient to serve the convenience of the residents of the districts in which lines are operated, and this Board reserves the right to require such additional service as may be necessary to meet the public interest and convenience.

The operation of the routes herein specified shall continue for 30 days, after which time the Board of Supervisors may require such changes and modifications as the public interest may demand.

Privilege of the Floor.

M. Schwartz, secretary of the Fillmore Street Improvement Association, was granted the privilege of the floor. He declared that proposed change would convenience 20 per cent and inconvenience 80 per cent of those who must use this line. He wanted a direct line if possible and asked that the matter be deferred for two weeks.

E. P. E. Troy also addressed the Board. He pointed out that the city would lose over \$400 on percentages from gross receipts and declared that the service would be worse rather than better if the proposed re-routing plan was put in effect.

A. Petrie, property owner, declared that he had been promised a ten-minute headway on Oak street all day, but would not get it under the proposed plan.

Adopted.

Whereupon, the question being taken the foregoing resolution was adopted by the following vote:

Ayes—Supervisors Brandon, Deasy,

Gallagher, Hayden, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Mayor's Inaugural Recommendations Referred to Committees of Board of Supervisors.

Supervisor Gallagher presented:

Resolution No. 12533 (New Series), as follows:

Whereas, his Honor the Mayor, in his recent inaugural address to the Board of Supervisors, reviewed the progress of municipal improvements during the past four years, and

Whereas, he offered a number of suggestions and recommendations of municipal undertakings for the coming two years,

Resolved, That the several recommendations made by his Honor the Mayor in his inaugural message should be referred to the respective committees for consideration at the earliest moment in accordance with their importance and need;

Therefore the several recommendations of the Mayor are referred to the following committees:

Public Utilities Committee.

Extension of municipal transportation system as follows:

From the terminus of the Geary street system at the beach along the beach to Sloat boulevard and thence along Sloat boulevard to and through Twin Peaks tunnel. Plans should be formulated immediately for the extension of the Municipal Railway System from the tunnel and down Market street to the ferry, thus providing rapid transportation for the Sunset and Ingleside Districts.

"Transportation through the tunnel must be operated by the City itself." (This is now under consideration by above named committee.)

"The right of the city to operate its own municipal system over its own streets should be determined and settled immediately."

The taking of immediate steps to obtain the use of a loop at the ferry terminus for the use of the Munic-

ipal cars in view of Judge Seawell's decision.

"The Municipal Railway should be extended across Golden Gate Park, thus connecting the Richmond with the Sunset District." (The committee and Board have already acted on this matter and have advised the Mayor that the power to secure the reconsideration of the refusal of the Park Commission is now up to the Mayor's office.)

"The Church street line should be completed without delay to Thirtieth street." (This work is under way and the matter of connections for this proposed extension is pending.)

"Extension of Municipal line from the terminus of the Potrero avenue line at Twenty-fifth street to Hunters Point."

Trustees Exempt Firemen's Relief Appropriation.

The following was presented and read by the Clerk:

San Francisco, Cal.,

February 1st, 1916.

To the Honorable Board of Supervisors of the City and County of San Francisco.

Gentlemen:

For your information I would advise you that the following have been appointed by the Mayor to act as trustees of the Exempt Firemen's Relief Appropriation for four years, commencing August 8th, 1915:

D. A. Finn, 2627 Hyde street; J. J. Guilfoyle, 2975 Mission street; S. S. Cohn, 1749 Lyon street; R. Caverly, 1504 Golden Gate avenue; John C. Carroll, 995 Folsom street.

Very truly yours,

(Signed) EDWARD RAINEY,
Secretary to the Mayor.

Approval of Appointment of Louis D. Brandeis as Associate Justice of Supreme Court of the United States.

The following resolution was presented by Supervisor Gallagher under suspension of the rules and *adopted*:

Resolution No. 12542 (New Series), as follows:

Whereas, President Woodrow Wilson has appointed Louis D. Brandeis, the distinguished Boston jurist and authority, a member of the United States Supreme Court; and

Whereas, Louis D. Brandeis is known as a learned lawyer, a well-informed and intelligent investigator and publicist, and an authority on public franchises, labor problems, trusts, insurance and other economic, legal and public questions, thus eminently qualified to fill the position tendered him; and

Whereas, This City and State, though far from the immediate sphere of his influence and activities, have also had occasion to be benefited through his able and conscientious work, particularly in connection with the investigation of the Ballinger administration of the General Land Office when the City's rights in Hetch Hetchy were being jeopardized, and also in the controversy before the United States Supreme Court regarding the validity of our State law limiting the hours of labor for women; therefore be it

Resolved, That the Board of Supervisors of the City and County of San Francisco, State of California, hereby approves of the appointment of Louis D. Brandeis as Associate Justice of the Supreme Bench and respectfully urges upon United States Senators John D. Works and James D. Phelan to vote for the confirmation of his name by the Senate; and further

Resolved, That copies of this resolution be transmitted to the two Senators for California at Washington.

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Hearing of Appeal.

Report of Auditorium Committee on Opera Concerts at Auditorium.

The following report was presented and read by the Clerk:

San Francisco, February 7, 1916.
Board of Supervisors.

Gentlemen: Your Auditorium Committee to which various matters were referred respectfully reports upon the following:

Granting use of Auditorium to the Foresters and Companions of America, Saturday evening, April 29, 1916.

Granting to the Associated Charities use of the main hall on Monday evening, February 14, 1916.

Granting to the St. Patrick's Day Convention for 1916 use of main hall for day and evening of March 17, 1916.

Granting option to February 4, 1916, to San Francisco Commercial Club, April 18, 1916.

Recommending to Finance Committee appropriation of \$547.60 for sounding board.

Panama-Pacific International Exposition Company requested to furnish funds for elevator service until July 1, 1916.

In favor of granting the application of S. M. Pasquali to lease the Auditorium for the purpose of holding operas for a period of time to be agreed upon by the Auditorium Committee and the lessee; provided that the lessee shall furnish a good and sufficient bond to safeguard the city against liability, subject to the approval of the Auditorium Committee and the City Attorney.

Other matters were continued for further investigation.

Respectfully submitted,

E. J. BRANDON,
ANDREW J. GALLAGHER,
J. D. HYNES,

Auditorium Committee.

Privilege of the Floor.

John T. Williams, representing the theaters and amusement places of San Francisco, was granted the privilege of the floor. He declared that a contract by the city with S. M. De Pasquali for grand opera at the Auditorium would be unfair competition and detrimental to the interests of the theater owners in San Francisco, who have been heavily taxed for the construction and maintenance of the Auditorium. He declared that such

a contract would not only infringe on the rights enjoyed by his clients, but, he claimed, the proponent of the scheme has undertaken a task which it is impossible to fulfill. He contended that it would be unwise business policy for the Board to expend a large sum of money for the construction of a stage which would permit the proper presentation of grand opera. The city, he said, must comply with the building law regarding fire protection. Asbestos curtains and fire extinguishers must be supplied. There is no provision, he said, requiring Mr. Pasquali to restore the building to its original condition in the event of failure of his project. The building, he said, was constructed for civic purposes and should not be used for opera or theatrical purposes to the detriment of men who have invested over 20 million dollars in San Francisco.

S. Lansburgh, representing the Theatrical Managers' Association, also addressed the Board. He declared that the city could never make a theater out of the Auditorium as it is not suited for the purposes of a theater. He contended that the State Building Laws would not permit the proposed improvements for fitting the building for operatic productions.

T. T. C. Gregory, representing *S. M. de Pasquali*, also addressed the Board. He declared that this matter was simply a business proposition as far as he could see. The city has the Auditorium and it is not being used by the municipality during a large part of the time. Mr. Pasquali proposes to devote it to the production of high class opera in this city at popular prices. What objection, he asked, can there be on the part of the public or the theater people? The latter say it cannot be successfully used as a theater; if that is so it cannot be successfully used against them. San Francisco, through the Exposition, received an impulse along artistic lines and this project, he said, is simply to develop this taste and give to the people of San Francisco education and an appreciation of art as expressed by the great masters in music at prices within the reach of all.

Max Schollberg, representing the San Francisco Labor Council, also addressed the Board. He said that the Labor Council had adopted resolutions approving popular priced opera at the Auditorium and though the theatrical managers had not been heard before the council when the matter was up he did not see what possible objection they could have to a proposition to give to the common people some of the pleasure and

culture that comes from a proper appreciation of the artistic productions of the great masters of music. At prevailing prices it is not possible. This, he said, was a step in the right direction and heartily endorsed it.

Theodore Johnson, representing the Labor Council, also addressed the Board. He differed with those who contended that opera at the Auditorium was not a civic purpose. This is the highest civic purpose to which the Auditorium can be dedicated. Every city of any importance in Europe fosters the arts and a proper appreciation of music among their peoples. They support out of the public treasury opera houses and pay the salaries of the artists as well. You must provide general opportunities for the appreciation of the arts if you desire to bring education and culture to the people. As for the building laws, he said, the State law did not apply to the Exposition buildings and by ordinance it could be made inapplicable to the Auditorium, which is a class "A" building.

M. Meyerfeld, Jr., representing the Orpheum, declared that he had no objection whatever to musical concerts. "There is no stronger proponent," he said, "for these things than myself and I have contributed liberally to every commendable project. But Mr. Pasquali dreams when he says he will give you music such as has not been produced in the world. Mr. Pasquali, I understand, has had some experience in Havana, but that is all I have heard of him, and I tell you, as one experienced in the business, that he cannot do what he promises."

Geo. A. Collins, former manager of the Denver Auditorium, also addressed the Board. He declared that *Neihaus* asked that city to place the Auditorium in proper shape for opera at an estimated cost of \$60,000. The actual cost was \$120,000 for the improvements and the project was a miserable failure, the city being obliged to foot the bill. That proposition, he said, was the same as Pasquali's. We tried symphonies, but they were a failure; we tried band concerts, the city paying one-third and the railroad company two-thirds of the cost, and that failed. The question is whether or not you are justified in saddling this burden on the taxpayers.

Margaret McGovern, representing the New Era League, also addressed the Board. She said: "I am not here in the interest of Mr. Pasquali or anyone else, but I know we filled Dreamland Rink on several occasions and I believe that the people appreciate and enjoy such opportunities. There is one thing sure, they would not have to go to a cigar store or a saloon to get tickets for this opera."

Indefinitely Postponed.

Whereupon, on motion of Supervisor McLeran, that portion of the report relating to opera at the Auditorium was *indefinitely postponed* by the following vote:

Ayes—Supervisors Deasy, Hilmer, Hocks, Kortick, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Wolie—11.

Noes—Supervisors Brandon, Gallagher, Hayden, Hynes, Lahaney, Walsh, Welch—7.

Extensions of Time.

Supervisor Welch presented Resolution No. 12552 (New Series), as follows:

Resolved, That Owen McHugh is hereby granted an extension of sixty

days' time, from and after February 22, 1916, within which to complete contract for grading, sewerage and paving Geary street between Thirty-eighth and Thirty-ninth avenues under public contract.

This *second* extension of time is granted upon the recommendation of the Board of Public Works for the reason that contractor was unable to complete contract owing to the inclemency of the weather.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Also, Resolution No. 12553 (New Series), as follows:

Resolved, That J. J. McHugh is granted an extension of sixty days' time, from and after February 22, 1916, within which to complete contract for the improvement of the crossings of Irving street with Twenty-sixth, Twenty-seventh, Twenty-eighth, Twenty-ninth, Thirtieth, Thirty-first, Thirty-second and Thirty-third avenues under public contract.

This *second* extension of time is granted upon the recommendation of the Board of Public Works for the reason that contractor has been unable to complete the work on account of the inclemency of the weather.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Board of Public Works to Require Atchison, Topeka & Santa Fe Railway Company to Construct Fences, etc., on Iowa Street Between Twenty-second and Mariposa for Protection of Public.

Supervisor Welch presented:

Resolution No. 12554 (New Series), as follows:

Whereas, Resolution No. 2690, approved June 20, 1902, provides that the Atchison, Topeka and Santa Fe Railway Company, whenever required by the Board of Public Works, shall, during and after its grading operations, erect and maintain such fences, gates and barriers as may, in the judgment of the Board of Public Works, be necessary for public protection as against dangers incident to the work and slopes of the excavation, with particular reference to the easterly line of Iowa street, between Twenty-second and Mariposa streets. The terms of maintenance above mentioned to be during the life of the franchise granted

for the operation of a steam railroad on Indiana street; now, therefore,

Resolved, That the Board of Public Works is hereby requested to direct the Atchison, Topeka and Santa Fe Railway Company to erect and maintain such fences, gates and barriers as may in the judgment of the Board of Public Works be necessary for public protection as against dangers incident to the work and slopes of the excavations, with particular reference to the easterly line of Iowa street, between Twenty-second and Mariposa streets.

The term of the above mentioned to be during the life of the franchise granted for the operation of a steam railroad on Indiana street.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Intention to Change Grades.

Supervisor Welch presented:

Resolution No. 12555 (New Series), as follows:

Resolved, That it is the intention of the Board of Supervisors to change and establish grades on the following named streets, at the points hereinafter specified and at the elevation above City base, as hereinafter stated, in accordance with Resolution No. 43526 (Second Series), of the Board of Public Works adopted January 28, 1916, and written recommendation of said Board, filed January 29, 1916, to-wit:

On Boylston street, between Silver avenue and Islais Creek.

The Board of Supervisors hereby declares that no assessment district is necessary as no damage will result from said change of grades, inasmuch as the streets are ungraded and there are no existing street improvements.

The Board of Public Works is hereby directed to cause to be conspicuously posted along the street or streets upon which such change or modification of grade or grades is contemplated, notice of the passage of this Resolution of Intention.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Street Name Changes.

Supervisor Welch presented:

Resolution No. 12556 (New Series), as follows:

Resolved, That the names of the following streets in the City and County of San Francisco are hereby changed as hereinafter specified and

said streets shall hereafter be known and designated by names to which they are hereby changed, to-wit:

Lida place, from Fifteenth to Sixteenth street, between Mission and Valencia streets, to Wiese street.

Dame street to Church street.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Welfare Committee to Consider Plans for Furnishing Recreation Piers.

Supervisor Gallagher presented:

Resolution No. — (New Series), as follows:

Resolved, That the Welfare Committee of the Board of Supervisors are hereby respectfully requested to give their attention and consideration to a plan for furnishing Recreation piers along the water front of San Francisco, in accordance with the models and photographs shown at the New York City exhibit at the Exposition, whereby the second floors of wharves are used for recreation purposes.

In consideration of the fact that several new wharves are being constructed by the Board of Harbor Commissioners, such recreation space could be furnished to San Francisco at an inconsiderable cost, considering the substantial reasons for the expenditure; the said second story being of an open character, the roof being supported by columns only. In some cases it would seem preferable not to have any roof on the second story, the roof of the first story being so constructed as to be used as the floor of the said second story embellished with palms and durable plants and flowers. In New York City there are eight large piers which provide such recreation space for the people, the said space being five acres in area. Such recreation piers are also provided in Chicago, Baltimore and Philadelphia.

The Public Welfare Committee is requested to call the proponents of this project in consultation and to report to the Board on same, to the end that the Board of Supervisors may upon the recommendation of said Committee add its influence to this laudable effort and assist in a favorable action on the part of the State Government through the Board of State Harbor Commissioners.

Report of Public Buildings Committee on Measures Taken to Furnish Adequate Fire Protection for School Buildings.

The following report was presented, read and ordered *filed*:

San Francisco, February 7, 1916.
To the Board of Supervisors of the City and County of San Francisco.
Gentlemen:

Your Committee on Public Buildings desires to submit the following information regarding previous action taken by your Committee and the Board of Supervisors relative to the installation of metallic fire escapes on certain school buildings heretofore reported, and recommended by the Boards of Education and Public Works.

On January 30, 1914, a communication from the Board of Public Works was filed, informing the Board of Supervisors that a report was under preparation, estimating the cost of installing fire escapes on all school buildings where such appliances were needed and that it was awaiting certain information from the Fire Department relative to the school buildings which were in need in order that a comprehensive report might be prepared.

Awaiting this report action thereon remained pending in your Committee.

The Board of Public Works subsequently, on October 22, 1914, filed a communication recommending that the Board of Supervisors authorize the preparation of plans and specifications for the installation of metallic fire escapes on the following school buildings:

Laguna Honda school, Seventh avenue, near Irving street.

Sherman school, Union street, near Franklin street.

Emerson school, Pine street, near Divisadero street.

Dudley Stone school, Haight street, near Masonic avenue.

Rochambeau school, Twenty-fifth avenue, near Lake street.

Grant school, Pacific avenue, near Broderick street.

The cost was estimated at \$12,000, or \$2,000 for each building.

The communication was referred to your Committee and on October 27, 1914, the request was recommended to the Finance Committee, which committee on October 30, 1914, presented to the Board of Supervisors Journal Resolution No. 1474, directing the Board of Public Works to prepare the necessary plans and specifications.

On the above date the Board of Education filed a communication setting forth that the Board of Public Works had recommended such a

course, and estimated therein the hereinbefore named schools requiring fire escapes, and stated that immediate attention would be appreciated by the said Board of Education.

The Board of Works by communication filed November 12, 1914, estimated plans to cost \$600 and the Finance Committee, upon the recommendation of your Committee, directed preparation of the necessary plans and specifications.

On January 7, 1915, the Board of Public Works filed a communication enclosing the plans and specifications for said work on the hereinbefore mentioned schools, excepting the Grant school, and asked for authority to proceed with the bids and enter into contract for the work.

Accordingly, upon recommendation of your Committee, concurred in by the Finance Committee, Ordinance No. 3093 (New Series), was passed by your Board on January 25, 1915, authorizing and directing the Board of Public Works to call for bids and enter into contract for said work.

Bids were received by the Board of Public Works per plans and specifications and Resolution No. 11573 (New Series), was passed by the Board of Supervisors, setting aside and authorizing an expenditure of \$7,250 by the Board of Public Works, in accordance with the bids received and contract entered into for installing fire escapes on the schools as recommended and enumerated in the respective communications.

The work on the various schools was commenced immediately and prosecuted to completion.

Respectfully submitted,

R. McLERAN,

E. J. BRANDON,

CHAS. A. NELSON.

Report of Lighting Committee on Service for Outlying Districts.

The following report was presented, read and *referred to Finance Committee*:

February 7, 1916.

To the Board of Supervisors.
Gentlemen:

Your Committee on Lighting reports as follows:

The demand on the part of our citizens, particularly in the outlying districts, for additional lighting is constant and unceasing, but owing to the small appropriation for the current year, your committee has been unable to comply with any of these requests.

In addition, the Market street merchants are insisting that the lighting of that street be improved: Ninth street, Haight street, Third street, Clement street, Golden Gate avenue,

Stockton street, Union street and many others desire improved lighting, and at additional expense. Some sections are receiving more than their portion of light and other sections are receiving none, and an equalization of lighting in the City might be a means to some extent of relieving the situation, but if relief cannot be obtained from this method additional money should be provided.

Respectfully,

E. L. NOLAN,
JOS. MULVIHILL.
Lighting Service Committee.

Extension of Time, Ocean Shore Iron Works.

Supervisor Wolfe presented:

Resolution No. 12557 (New Series), as follows:

Resolved, That Ocean Shore Iron Works be granted an extension of 22 days' time from and after December 27, 1915, within which to complete contract for steel sand bins, Municipal Railway carbarns.

This *first* extension of time is recommended for the reason that the condition of the steel market and the holidays delayed the prosecution of the contract.

Adopted, under suspension of the rules, by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran,

Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Supervisors Greet Former Supervisor A. T. Vogelsang.

Former Supervisor Alexander T. Vogelsang, who has been assured of appointment as Solicitor General of the Interior Department at Washington, D. C., was given an ovation by his former associates and the new members of the Board when he attended the meeting today. He expressed his thanks and, while admitting his regret at the enforced absence his position would compel from his native State, said that as the matters coming before him had largely to do with the West, he felt that he would still be in the service of the people with whom he had lived all of his life.

The number of Western men who have been appointed to positions in the Department of the Interior, he said, has been commented upon, but inasmuch as the Department deals for the most part with matters relating to this section of the country, Western men are better qualified by their knowledge of conditions have a better understanding of the western department and can therefore deal with them sympathetically.

ADJOURNMENT.

There being no further business, the Board at the hour of 7:10 p. m., adjourned.

J. S. DUNNIGAN, Clerk.

Approved by the Board of Supervisors February 14, 1916.

Pursuant to Resolution No. 3402 (New Series), of the Board of Supervisors of the City and County of San Francisco, I, J. S. Dunnigan, hereby certify that the foregoing is a true and correct copy of the Journal of Proceedings of said Board of the dates thereon stated, and approved as above recited.

Report on Illumination of Market Street.

Supervisor Nolan presented:

San Francisco,

February 14, 1916.

To the Board of Supervisors:

Gentlemen: Your Lighting Committee has made a careful investigation of the lighting of Market street and reports as follows:

June 12, 1906, Ordinance 20 (New Series), was approved, granting to the United Railroads of San Francisco, the right to use electricity for motive power on Market street, and also providing that the United Railroads "shall install and maintain at its own expense, and without any expense to the city, electric lights for the lighting of said Market street," etc., and since that time the city has paid nothing for Market street lighting, and the United Railroads has complied with the provisions of the ordinance by installing and maintaining on each trolley pole one ordinary arc light.

This method of lighting the street, while not satisfactory, has been permitted to remain because more urgent demands for light in other parts of the City prevented an expenditure of additional money by the City for better illumination of Market street.

But, now, because improved and up-to-date systems of lighting have been

installed on other business streets of the City it becomes necessary to provide a lighting system for the main street of the municipality to which it is entitled. Your committee is of the opinion that the present system of lighting Market street by the United Railroads complies with the terms of Ordinance No. 20 (New Series), and the company cannot be compelled to furnish additional light or pay for lighting beyond what is now paid, and if additional light is provided, it must be paid for by the City.

The Downtown Association has presented a plan of lighting Market street from the Ferry to the west side of Seventh street, consisting of at least three luminous arc lamps on each trolley pole, costing approximately \$35,000 per annum, and involving a sharing of this expense between the property owners, the United Railroads and the City. Your committee is opposed to this partnership plan so far as the City is concerned and therefore recommends that the City pay for one all-night center luminous arc lamp on each trolley pole that will give adequate lighting for the street.

The estimated annual cost to the City will be \$12,750.59, from which will be deducted \$2,508, saved from unnecessary lamps taken from the intersecting streets and change of electroliers to single globes, making a net cost to the City of \$10,142.59.

Should the property owners desire additional lighting they will have to pay the cost thereof, it being understood that in case only the extra lamp is placed on each trolley pole the United Railroads shall pay for such lighting the same amount as is now paid by them for the present lamps, and in no event shall it be relieved from the provisions of Ordinance No. 20 (New Series).

The installation of this type of lighting will not be completed until June 1, 1916, and the City will be required to pay \$845.21 for the remainder of the fiscal year.

Your committee recommends that the City Attorney be requested to prepare a resolution to carry out the recommendation of this report.

Respectfully,

E. L. NOLAN,
JOSEPH MULVIHILL,
Lighting Committee.

City Attorney to Prepare Resolution Providing for Agreement in re Market Street Illumination.

Supervisor Nolan presented:

Resolution No. 12567 (New Series), as follows:

Resolved, That the City Attorney is hereby requested to prepare and sub-

mit to the Board of Supervisors a resolution authorizing the annual expenditure by the City of a sum not to exceed \$7,500 for the purpose of lighting and maintaining on each trolley pole located on Market street from The Embarcadero to the west side of Seventh street of one luminous arc lamp, the City not to pay for any additional lighting of said street, and to provide that if at any time only one lamp on said poles shall be installed and lighted, the United Railroads of San Francisco shall pay the same amount as now paid by them for lighting said part of Market street, and in no event shall said United Railroads be relieved from the provisions of Ordinance No. 20 (New Series), providing for the lighting of certain streets.

Amendment.

Supervisor McLeran moved, as an amendment, that the Board commit itself to an appropriation of \$75,000 upon the understanding that the merchants would save the balance required by the elimination of other lighting that will not be required in the downtown district.

Substitute Resolution.

Supervisor Power presented the following resolution and moved its adoption in lieu of the foregoing:

Resolution No. 12568 (New Series), as follows:

Whereas, The Downtown Association has been urging the Board of Supervisors to join with them on a plan for illuminating Market street, and

Whereas, At the present time the lighting of Market street is paid for entirely by the United Railroads in accordance with Ordinance No. 20 (New Series), and

Whereas, The franchise granting to the United Railroads certain privileges on Market and other streets calls for the first-class lighting of said Market street; therefore be it

Resolved, That the United Railroads be and is hereby requested to have installed a first-class, up-to-date light on each of their trolley poles on Market street from The Embarcadero to Valencia street, said light to be in conformity with the system of street lighting as proposed by the Downtown Association.

Privilege of the Floor.

Otto Schiller, representing the Downtown Association: If you carry this lighting scheme beyond Seventh street it means that the United Railroads will have to put in triple tops as far as Valencia street at a cost of \$80 or \$100 per top. It also means the construction of an underground system at a great cost. The Downtown Association can't raise money

from property owners beyond Seventh street. The project to extend the lighting to Valencia street will kill the entire scheme.

Former Mayor E. E. Schmitz also addressed the Board. He said: During my administration the lighting contract with the United Railroads was made in June, 1906. I have heard mentioned some reference to a franchise. There was no franchise; simply an ordinance was drawn permitting a change from the cable to the overhead trolley system. The Board granted it on condition that the United Railroads would install highly ornamental lighting poles on Market street from the Ferry to Valencia street, each pole equipped with an arc light, also ornamental poles on Sutter street from Market to Van Ness avenue, each alternate pole equipped with an arc light. For the last ten years the City has not paid anything for lighting Market street.

It seems to me that when you improve any street in San Francisco you help to improve San Francisco, and the lighting of any street like Market street in the manner proposed will be a great asset to the City. On account of the fact that the City has not been compelled to pay for lighting on Market street for the past 10 years, I think that you can afford to be liberal. You are not taking the lighting of the outlying districts. I hope that the request of the downtown merchants will be carefully considered.

Byron Mauzy, president of the Downtown Association, addressed the Board in part as follows: We are not asking today for an additional appropriation beyond the \$7,500 heretofore promised. The money is *supplemental* to the money we are saving in our own district and we think we are entitled to that. In regard to the United Railroads, they agreed to pay \$7,400; it is up to the merchants to bear the most of this burden. If they are not satisfied after three years to continue, you can shut off the lighting. Many of the merchants and property owners did not pay one cent for lighting Market street during the Exposition, and when the year was over we turned out the special lighting; now these merchants are anxious to sign up for the D'Arcy Ryan plan. What we want now is that you make some decision, so that we can get our men out in order to sign them up. We are asking for the \$7,500 heretofore promised, and \$5,000 that we will raise by saving in the downtown lighting.

Thereupon Supervisor Power's substitute resolution being temporarily withdrawn, and the question being

taken on Supervisor McLeran's amendment, the same was carried by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch—17.

Absent—Supervisor Wolfe—1.

Thereupon, the resolution presented by Supervisor Nolan, as amended, was adopted as Resolution No. 12567 (New Series) by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch—17.

Absent—Supervisor Wolfe—1.

Adopted.

Whereupon, Supervisor Power's resolution was adopted as Resolution No. 12568 (New Series) by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch—17.

Hearing of Protestants.

The names of the following protestants against the assessment for the foregoing improvement were read by the Clerk: Mary C. Ambrose, Helen McIntosh, J. F. Bancom, Mrs. A. E. Bean, Martha Small, John Brennan, Henry Wagner, John J. McGillan, Ernest P. Fischer, Joseph Hassenmiller, Emily M. Buchard, William Hagen, A. D. Wotton, Otto Jonsane, Mrs. Perry.

Henry Wagner and Emily M. Buchard were the only names that responded. They were assured by Supervisor Richard Welch, chairman of the Streets Committee, that the assessment for each 25-foot lot other

than corner lots, would not exceed \$60. Whereupon, their protest was withdrawn and the following resolution was *adopted*:

Protest Denied and Assessment Sustained.

Resolution No. 12559 (New Series), as follows:

Resolved, That the protest of property owners against the improvements on Sanchez street between Nineteenth street and Twentieth street, crossing of Sanchez and Cumberland streets, and on Cumberland street between Sanchez and Noe streets, as provided in Resolution of Intention No. 43076 (Second Series) of the Board of Public Works, adopted the 5th day of January, 1916, be, and the same are hereby denied.

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch—17.

Absent—Supervisor Wolfe—1.

Passed for Printing.

Thereupon the foregoing bill providing for the improvement of Sanchez and Cumberland streets was *passed for printing* as Bill No. 3952 (New Series).

Fixing Sidewalk Widths on Curtis and Newton Streets.

On motion of Supervisor Welch:

Bill No. 3953, Ordinance No. — (New Series), as follows:

Amending Ordinance No. 1061, entitled "Regulating the width of sidewalks," approved December 18th, 1903, by adding thereto a new section to be numbered six hundred and twenty-three and six hundred and twenty-four.

Be it ordained by the People of the City and County of San Francisco as follows:

Ordinance No. 1061, entitled "Regulating the width of Sidewalks," approved December 18th, 1903, be and is hereby amended in accordance with the communication of the Board of Public Works, filed in this office February 9th, 1916, by adding thereto a new section to be numbered six hundred and twenty-three and six hundred and twenty-four, to read as follows:

Section 623. The width of sidewalks on Curtis street between Rolph street and Naples street shall be twelve (12) feet.

Section 624. The width of sidewalks on Newton street between Rolph street and Brunswick street shall be twelve (12) feet.

Section 2. Any expense caused by the above change of walk widths shall be borne by the property owners.

Section 3. This Ordinance shall take effect and be in force from and after its passage.

Blasting Permit.

On motion of Supervisor Welch:

Resolution No. — (New Series), as follows:

Resolved, That Flinn & Treacy are hereby granted permission, revocable at will of the Board of Supervisors, for a period not exceeding ninety days from date of approval of this resolution, to explode blasts on Valley street between Noe street and Sanchez street, provided that said permittee execute and file a good and sufficient bond in the sum of \$10,000 as fixed by the Board of Public Works, and approved by His Honor the Mayor in accordance with Ordinance No. 1204; provided also that said blasts shall be exploded only between the hours of 7 a. m. and 6 p. m. and that the work of blasting shall be performed to the satisfaction and under the supervision of the Board of Public Works, and that if any of the conditions of this resolution be violated by the said Flinn & Treacy then the privilege and all rights accruing thereunder shall immediately become null and void.

Extension of Time.

Supervisor Welch presented:

Resolution No. 12581 (New Series), as follows:

Resolved, That State Improvement Company is hereby granted an extension of seventy days' time from and after February 23, 1916, within which to complete contract for the grading and paving of Balboa street between Seventeenth and Eighteenth avenues, under public contract.

This *second* extension of time is granted upon the recommendation of the Board of Public Works for the reason that the contractor has been delayed on account of the inclement weather.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch—17.

Absent—Supervisor Wolfe—1.

Action Deferred—Islais Creek.

Supervisor Welch presented the following resolution, which was, on his motion, *laid over for one week*:

Resolution No. — (New Series), as follows:

Whereas, There is pending in the Superior Court an action brought by the State of California to condemn certain land and streets belonging to the City and County of San Francisco in the Islais Creek Basin; and

Whereas, His Honor the Mayor in his message to this Board says:

"The city will be the chief beneficiary of the development of the Islais

Creek and India Basin harbor by public ownership, and the city therefore should co-operate with the State in an attempt to acquire the lands necessary and the plans necessary for the development of the harbor.

"I recommend that your Honorable Body instruct the City Attorney, by proper resolution, to consent to a judgment in the condemnation suit by which the State may acquire the streets and all other property of the city within the tract which is the subject of the condemnation suit for a nominal consideration"; and

Whereas, It is the sense of the Board of Supervisors that the Mayor's recommendation offers a proper solution of this question and said solution will tend to promote the commercial and industrial welfare of San Francisco.

Therefore, Resolved, That it is the sense of the Board of Supervisors that the City Attorney be and is hereby requested to recommend in writing to this Board a settlement, that a judgment be entered in the condemnation suit by the terms of which the city will deed to the State for nominal consideration the lands included in the condemnation suit referred to.

January 10, 1916—*Referred to Street Committee.*

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Proposed Reduction of Insurance Rates.

Supervisor Gallagher presented:

Resolution No. — (New Series), as follows:

Whereas, The City of San Francisco has within the past ten years materially reduced the fire hazard attaching to buildings within the city by

1. Constructing an auxiliary high pressure water system.

2. Improving the efficiency of the Fire Department by installation of motor apparatus and construction of central fire alarm station.

3. Enlarging the fire limits.

4. Imposing additional restrictions governing building construction.

5. Repaving and adding to the area of smooth streets.

6. Establishing more efficient means of fire prevention; and

Whereas, Notwithstanding the material reduction of the fire risk as aforesaid, the rates for insurance are higher than before the improvements herein stated were made; therefore

Resolved, That the Public Welfare Committee of the Board be directed to institute an inquiry for the purpose of ascertaining all the facts relating to the fixing of insurance rates in the city, the reason why such rates have not been reduced and pledges of the insurance companies kept to the effect that such rates would be reduced, and to report to this Board such facts and conclusions as will enable this Board to adopt such means of relief as the public interest may demand.

Referred to Public Welfare Committee.

**Panama-Pacific International Exposition
"One Year After Celebration."**

Supervisor Hayden presented:

Resolution No. 12584 (New Series), as follows:

Whereas, On February 20, 1915, every able-bodied and patriotic citizen of San Francisco and vicinity marched proudly to the Exposition grounds at Harbor View to have part in the opening of the world's most inspiring and magnificent International Exposition; and

Whereas, It appears, after the Exposition has closed not only an artistic and commercial, but also a financial success, that it will be possible to preserve to the city of San Francisco the California building, the Marina boulevard, and other improvements of tremendous import to the further welfare and happiness of our people; now therefore be it

Resolved, That the Board of supervisors of the City and County of San Francisco do hereby most heartily endorse and recommend to all citizens of San Francisco the One Year After celebration on the Marina, Sunday, February 20 next, arranged by the Exposition Preservation League and allied civic organizations, and that we urge all city employees and good citizens to be present at this celebration, both as an evidence of their great appreciation of the tremendous accomplishment of the board of directors of the Panama-Pacific International Exposition and as a demonstration that San Francisco "knows how" to preserve improvements of great value permanently from this splendid but temporary achievement.

Adopted under suspension of the rules by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks.

Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch—17.

Departments to File Budget Estimates.

Supervisor Power presented:

Resolution No. 12585 (New Series), as follows:

Resolved, That all departments, bureaus and officials of the city government who are required by the Charter to file Budget estimates be and are hereby directed to file said Budget estimates for the year 1916-1917 with the Board of Supervisors on or before March 15, 1916.

Further Resolved, That said departments, bureaus and officials are hereby requested and directed to submit their estimates on the itemization of the present Budget and submit any desired changes or additional information or estimates on separate memoranda.

Adopted under suspension of the rules by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch—17.

Absent—Supervisor Wolfe—1.

Relative to Fire Protection in Schools.

Supervisor Power made a statement relative to an editorial in the Call-Post of February 14, 1916, criticizing the members of the Buildings Committee and the Committee on Education, Parks and Playgrounds, particularly Supervisor McLeran and himself. "The criticism contained in the editorial in the Call-Post," he said, "was absolutely false as to facts alleged and wholly unwarranted. The two committees were visiting the various schools complained of as fast as time would permit, and carefully noting their requirements. Of the several schools visited," he said, "the committees found that practically in every case the improvements needed or the repairs required could easily be taken care of out of the monthly allowance for school repairs and that in most cases for the sum of approximately \$50 for each of the seven schools visited." He stated further that the two committees intended to continue their visits until all the schools complained of had been visited. As soon as said visits are completed, the joint committee proposes to make a full and detailed report on the matter of repairs, fire escapes, etc.

Recess.

Whereupon the Board at the hour of 5:05 p. m. took a recess until 1:30 p. m. Tuesday, February 15, 1916.

Board of Public Works to Provide Necessary Furniture and Furnishings for Department of Elections in City Hall.

On motion of Supervisor Power:

Resolution No. — (New Series), as follows:

Whereas, the Department of Elections has represented to the Board of Supervisors that, for sanitary reasons, as well as for the necessities of the proper conduct of elections, it is necessary that the Department of Elections be removed into the new City Hall at the earliest possible period, and

Whereas, the Board of Supervisors is not able, out of the available funds of the current year, to appropriate moneys to pay for the furnishings and furniture necessary to put the space allotted to the Department of Elections in the new City Hall in proper condition for the Department of Elections to operate therein, and

Whereas, it appears from the representations of the head of the Election Department that moneys for that purpose are available out of funds already appropriated to the Department of Elections for the current fiscal year; now, therefore

Resolved, By the Board of Supervisors of the City and County of San Francisco that the rooms and space allotted to the Department of Elections in the new City Hall be furnished with appropriate furnishings and furniture and apparatus necessary to such furnishing for the said Department of Elections to enter and take possession and operate therein, and that the Board of Public Works is hereby directed to procure, obtain, purchase, contract for and place in said apartments and space so allotted to said Department of Elections in the new City Hall the necessary furnishings and furniture therefor to the extent of a sum and expense for such furnishings and furniture not to exceed the sum of two thousand dollars (\$2,000), and that in performing such duty the Board of Public Works or the head of such department confer with the head of the Department of Elections and that the demands upon the Treasury of the City and County for the payment of the expenses not to exceed the sum above mentioned, shall be drawn upon the usual blank forms for miscellaneous demands of the Department of Elections and shall be approved by the Board of Public Works and shall thereafter be approved by the Department of Elections and thereafter by any board or authority as provided by the Charter of the City and County of San Francisco, and shall thereafter be audited and paid as other demands of said City and Coun-

ty out of the funds appropriated to the Department of Elections for the current fiscal year of 1915-1916, but not to exceed in the aggregate of all such demands the said sum of two thousand dollars (\$2,000), as above mentioned, and the said sum of two thousand dollars is hereby appropriated out of, transferred and devoted from the current appropriation to the Department of Elections for the payment of such demands.

Denying Stable Permit.

The following matter, laid over from a previous meeting, was taken up:

Resolution, No. — (New Series), Denying, in the exercise of the sound and reasonable discretion of the Board of Supervisors, permission to Anton Delucchi to maintain a stable at 425 Lyon street.

Privilege of the Floor.

Alexander Rosenstirn, attorney, representing Mr. Delucchi, was granted the privilege of the floor and addressed the Board. He declared that when the stable was previously conducted on the premises that there was no complaint and the Board of Health has approved this application. He called attention to the provision of

the ordinance which requires that a permit be granted where sanitary and other conditions have been complied with.

Mrs. Delucchi, wife of the applicant, was granted the privilege of the floor and addressed the Board. She declared that when their building was constructed by her husband that it was especially designed for a stable with a wide driveway. The adjoining bakery, she said, is only an oven covered with a shack and is without ventilation.

Mrs. F. De Bronson was granted the privilege of the floor and addressed the Board. She declared that she had worked all her life to pay for her property, which adjoins the proposed stable, and that it took all the money she could accumulate to pay for the street and sewer work. Now it was proposed to depreciate her property and to make it unfit to live in comfortably. She complained that the nuisance from rats, maggots and flies when the stable was maintained there before was intolerable.

Mrs. Stokes, protesting property owner, also addressed the Board and declared that the nuisance from rats was intolerable. Her property is across the street and her tenants were bothered by the noise of the horses at night when the stable was there before.

Mrs. Briscoe also protested against the granting of the permit on the ground that the stable was a menace to health and unfavorable maintenance of sanitary conditions in the bakery adjoining.

Mrs. Mahoney, protesting property owner, also addressed the Board. She complained that maggots by the millions crawled through the basement into her property and that rats and flies made life unbearable when the stable was formerly maintained.

Mrs. Eischer said that she bought the property adjoining the proposed stable 14 years ago, that after the fire she built her bakery in accordance with the law and mortgaged her property to do so. She declared that her bakery was the most sanitary in San Francisco and hoped that the Supervisors would not do anything that would impair its present condition.

Refused Adoption.

Whereupon, the question being taken, the foregoing resolution was refused adoption by the following vote:

Ayes—Supervisors Hilmer, Hocks, Hynes, Kortick, Lahaney, Nelson, Power, Suhr, Walsh—9.

Noes—Supervisors Brandon, Deasy, Gallagher, Hayden, Mulvihill, Nolan, Welch—7.

Absent—Supervisors McLeran, Wolfe—2.

Recommittal.

The following bill was presented and on motion ordered *recommended to Lighting, Water Service and Telephone Service Committee*:

Regulating Telephone Service in City Hall.

Bill No. —, Ordinance No. — (New Series), as follows:

Be it Ordained by the People of the City and County of San Francisco as follows:

Section 1. All telephone installation in the City Hall shall be from switchboards located in the room set aside for that purpose, in the basement. No separate lines shall be permitted except those necessary to connect the offices of the Fire Department with the Fire Alarm Signal System.

Section 2. The operators, switchboards, telephones and apparatus connected therewith required to provide efficient telephone service shall be under the control of the Board of Supervisors and supervision of the Pacific Telephone and Telegraph Company.

Section 3. The employees in the switchboard-room shall consist of a chief operator and as many assistant operators as the Board of Supervisors shall determine to be necessary for efficient service, provided that the Civil Service telephone operators now operating switchboards in the various departments of the city government shall be selected in preference to persons on the eligible list of the Civil Service Commission.

Section 4. The switchboard room shall be closed to all persons not having official business therein.

Section 5. This Ordinance shall take effect immediately.

City Attorney to Commence Condemnation Proceedings for Acquisition of Certain Lands for Right of Way for Hetch Hetchy Railroad.

The following Resolution was *adopted*:

Resolution No. 12629 (New Series), as follows:

Resolved, By the Board of Supervisors of the City and County of San Francisco that public interest and necessity and use require the acquisition by the City and County of San Francisco of the following described lands, and any and all interests therein and rights and claims thereto, to-wit: All of the parcels, lots, tracts or pieces of real property that are included within the exterior boundaries of the following described tracts of land:

All these certain pieces or parcels of land situated in the County of Tu-

olumne, State of California, and being portions of the N. W. $\frac{1}{4}$ of the S. E. $\frac{1}{4}$ and S. E. $\frac{1}{4}$ of the N. W. $\frac{1}{4}$ of Section 27, T. 1 S., R. 15 E., M. D. B. & M., and more particularly described as follows:

PARCEL 1.

A strip of land 100 feet in width 50 feet on each side of the surveyed center line of the Transportation Road of the City and County of San Francisco, commencing at the point at which said surveyed center line intersects a diagonal line from the N. W. corner of the S. W. $\frac{1}{4}$ of the S. E. $\frac{1}{4}$ of said Section 27 to the S. E. corner of said N. W. $\frac{1}{4}$ of the S. E. $\frac{1}{4}$ of said Section 27; thence along said center line and conforming to its alignment and curvature to the point at which said center line intersects the southerly line of the N. W. $\frac{1}{4}$ of the S. E. $\frac{1}{4}$ of said Section 27, containing 2.90 acres more or less.

PARCEL 2.

A strip of land 100 feet in width 50 feet on each side of the surveyed center line of the Transportation Road of the City and County of San Francisco commencing at the point at which said center line intersects the westerly line and enters the S. E. $\frac{1}{4}$ of the N. W. $\frac{1}{4}$ of said Section 27; thence along said center line and conforming to its alignment and curvature to the point at which said center line intersects the westerly line and leaves the S. E. $\frac{1}{4}$ of the N. W. $\frac{1}{4}$ of said Section 27; containing .96 acres more or less.

That all of the lots, interests, rights and claims above described are suitable, adaptable and necessary for a public use, to-wit: for a right of way for the construction, maintenance and operation of a transportation railway with all appurtenances from a point on the line of the Sierra Railway in Sec. 36, T. 1 S., R. 14 E., M. D. B. & M., to the dam site of the Hetch Hetchy Water Project, at Hetch Hetchy Valley, T. 1 N., R. 20 E., M. D. B. & M., in the County of Tuolumne, State of California.

The City Attorney is hereby instructed to commence proceedings in eminent domain against the owners of said parcels, lots, tracts or pieces of land and any and all interests therein and all rights and claims thereto, for the condemnation thereof, for the use of the City and County of San Francisco, as aforesaid.

Report of Civil Service Committee on Payment of Salary of Superintendent of the Exposition Auditorium.

Supervisor Hocks presented:

San Francisco,

February 28, 1916.

Board of Supervisors.

Gentlemen:

Your Committee on Civil Service charged under the rules with promoting efficiency in the several departments, desires to report that its attention has been called to the fact that for more than two months past there has been an acting superintendent of the Exposition Auditorium, appointed by the Board of Public Works; that he has rendered service to the City and the City has received value therefrom; that his salary during the period of his employment has been refused payment owing to the question as to the validity of his appointment.

It is the belief of this committee that, irrespective of any legal question involved, the salary of said superintendent should be paid, and your committee recommends that for the purpose of paying said salary, that that validity of his appointment be conceded for the purpose only and that the Finance Committee approve his claim therefor. That the adoption of this report by this Board by a majority of the vote of the Supervisors carry with it the recommendation herein set forth.

Respectfully submitted.

O. HOCKS.

J. E. HAYDEN,

FRED HILMER.

Motion.

Supervisor Hayden moved the adoption of the foregoing report.

Supervisor Power moved, as an amendment, that the report be referred to the Finance Committee.

Supervisor Hayden moved reference to the City Attorney as to right of the Supervisors to pay salary of Mr. Levy as the *de facto* superintendent.

So ordered.

Condemnation of Lands in India Basin.

The following resolution, laid over from a previous meeting, was taken up:

Resolution No. 12647 (New Series), as follows:

Whereas, There is pending in the Superior Court an action brought by the State of California to condemn certain land and streets belonging to the City and County of San Francisco in the Islais Creek Basin, and

Whereas, His Honor the Mayor, in his message to this Board, says:

"The City will be the chief beneficiary of the development of the Islais Creek and India Basin harbor by public ownership, and the City therefore should co-operate with the State in an attempt to acquire the lands necessary and the plans necessary for the development of the harbor, I recommend that your honorable body instruct the City Attorney, by proper resolution, to consent to a judgment in the condemnation suit by which the State may acquire the streets and all other property of the City within the tract which is the subject of the condemnation suit for a nominal consideration," and

Whereas, It is the sense of the Board of Supervisors that the Mayor's recommendation offers a proper solution of this question and said solution will tend to promote the commercial and industrial welfare of San Francisco, therefore

Resolved, That it is the sense of the Board of Supervisors that the City Attorney be and is hereby requested to recommend in writing to this Board a settlement, that a judgment be entered in the condemnation suit, by the terms of which the City will deed to the State for nominal consideration the lands included in the condemnation suit referred to.

Motion.

Supervisor Wolfe moved to postpone matter one week.

Motion *lost* by the following vote:

Ayes—Supervisors Deasy, Hilmer, Mulvihill, Power, Suhr, Wolfe—6.

Noes—Supervisors Brandon, Gallagher, Hayden, Hocks, Hynes, Kortick, Lahaney, Nelson, Walsh, Welch—10.

Absent—Supervisors McLeran, Nolan—2.

Privilege of the Floor.

Edgar Painter, representing the Harbor Improvement Committee of the Civic League of Improvement Clubs and the North Central Improvement Association, was granted the privilege of the floor and addressed the Board. He said the question was put before the Civic League and unanimously carried against this proposed project requesting the City Attorney to recommend that the streets in India Basin be offered to the State for a nominal sum. The objection to this proposed action, he said, is based on the ground that the condemnation suit has not been determined by the courts. The bond issue, he said, is for \$1,000,000 and the land has been appraised at \$527,000. Until the condemnation suit is determined we will not know what the land is worth. It may be decided that it is worth \$600,000, leaving \$400,000 to be paid for the streets.

North Beach land brought \$65,000 a block fifteen years ago, the Law Bros. hold land at \$100,000 per block.

It is misleading to say that the City's land comprises but two blocks and the streets. This property has a superficial area of forty-two blocks.

The North Central Improvement Association, representing the banking and business interests of the downtown district, views with alarm the statement of Harbor Commissioner Dwyer that he will not make any further improvements north of Market street. The last improvement north of Market street is one mile north of the Ferry Building. India Basin is four miles south of the Ferry Building.

It is only a theory that the State is the same as the City and that giving all the streets back to the State is giving them back whence they came originally—the people.

The State, he said, has done nothing for the City. It resisted payment for the Beale street cut. As far as I know, it has not paid its assessment for the Stockton Street Tunnel, nor does it pay its pro rata for the support of the fire boats. I suggest, if it is determined to pass this resolution, that there should be incorporated in it a condition that the State of California pay its just share for the support of the fire boats, which would amount to \$50,000 per annum.

Daniel Ryan, representing the State Board of Harbor Commissioners, was granted the privilege of the floor. He declared that the courts have universally held that where property has once been devoted to a specific public use it may be turned over for any other public purpose desired. This land has been held in private ownership for 50 years, and nothing has been done with it. Can the City be

harmed now by turning these streets to another prospective public use? The State Board of Harbor Commissioners, if the pending proceedings are successfully consummated, will begin immediately the work of constructing the wharves and docks which it has in contemplation.

T. P. Andrews, representing protesting property owners, was granted the privilege of the floor and addressed the Board. He requested that the matter be laid over until Mr. Monroe, who could not attend today's meeting, would be able to be present. Upon refusal of request for further delay, he said, that in absence of his counsel he would refuse to submit any argument.

M. C. Hassett said that he was a small property owner in the district proposed to be condemned, that he has never opposed the acquisition of this property by the State, but that he did question now the proposition before the Board of Supervisors offering the streets in that district to the State for a nominal sum, and, further, that he protested such action at this time as prejudicial to the condemnation case now pending in the court.

"I have understood the law to be always that the rights of owners of property was primarily in the use of those streets adjoining their land and only when streets are improved and accepted do they become the public property. Property owners primarily own to the middle of the street and are charged to the middle of the street when it is improved. The public has no right until that time—no body has any right. Are they not interfering with my vested rights when they take away the street abutting on my land. How do you know this land will be condemned for \$1,000,000? If it is condemned for \$1,000,000, are you certain you will have the money? This is no time to prejudice the litigation before Judge Seawell. There is no appeal in a condemnation suit and such action as is now proposed is wrong in principle, and in law and in good morals.

"Suggestions have been made that persons opposed to the resolution were opposed to public ownership. It may not be known to all of you, but I suggested to the San Francisco Examiner the public ownership of the Geary street road before it was taken up and advocated by that paper. I have always been a consistent advocate of public ownership."

T. P. Andrews, in answer to statement that he had opposed the grading of Army street, said: "For this improvement an assessment district of 15,000,000 square feet was signed up.

It was with great pleasure that I took charge of a protest representing 14,500,000 square feet, because I did not think the assessment district was large enough and that those who would be largely benefited were not paying a cent for the improvement. I also called attention at the time that it was not a fair proposition to involve litigated lands in the assessment district. The assessment district of 15,000,000 square feet was entirely too small. I asked that the assessment district be extended north and south of Islais Creek. Business men got the benefit of the street work, but were not paying a fair portion of the assessment. 'Make the assessment district 1,000,000 more square feet,' I said, 'and I will agree with you.' This was taken under consideration, but within 60 days the district was again cut down."

Adopted.

Whereupon, the question being taken, the foregoing resolution was *adopted* by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, Mulvihill, Nelson, Walsh, Welch—13.

Noes—Supervisors Nolan, Power, Suhr, Wolfe—4.

Absent—Supervisor McLeran—1.

Explanation of Vote.

Supervisor Power explained his vote by saying:

"I am voting 'No' because there is an action pending in the courts to settle the valuation of these lands, and I feel the proper thing to do is wait until the court has fixed a valuation, and then, in the event that the State may not have sufficient money to purchase said land, for the representatives of the City to enter into negotiations with the proper representative of the State of California to the end that the City may be properly compensated for its land. If the City should compromise then for a sum, say \$250,000, the difference between said sum and the sum of \$10,000 as proposed in the resolution will go a long way towards reducing the tax rate during the coming fiscal year. If the sum of approximately \$200,000 is received by the City for its property, it will mean a reduction of practically 3½c on the tax rate."

UNFINISHED BUSINESS.

None.

Death of John Eshleman, Lieutenant-Governor.

The following resolution was presented by Supervisor Wolfe, read by the Clerk, and *adopted* by a rising vote:

Resolution No. 12644 (New Series):

Whereas, Death has removed from our midst the Honorable John Eshleman, Lieutenant-Governor of the State of California, who departed this life early today, and

Whereas, In the death of John Eshleman the people of the State of California, without regard to party, race or creed, have lost a faithful servant and a true and tried friend, one whose whole purpose and aim in the discharge of public duties was to serve the very best interests of the people all the time, a man whose life stands out as an inspiration for others in the years to come. As a member of the Assembly and of the State Railroad Commission he has left his impress on the State's history and builded for himself, by his sterling integrity, fairness and absolute honesty a monument, not on the shifting sands of time, but one that will endure forever. As president of the State Senate, by his absolute impartiality in all his rulings, he won for himself the respect of all the members of that body whether political friend or foe, and in fact when the Senate adjourned he had no foes—all were his friends; therefore be it

Resolved, By the Board of Supervisors of the City and County of San Francisco that we deeply deplore the untimely death of Lieutenant-Governor Eshleman, and in common with every one of our citizens join in extending our heartfelt sympathy to the bereaved widow and family, and be it further

Resolved, That a copy of these resolutions, suitably engrossed, be presented to his widow and to the Governor of the State of California.

Board of Public Works to Provide Necessary Furniture and Furnishings for Department of Elections in City Hall.

Resolution No. 12651 (New Series), as follows:

Whereas, the Department of Elections has represented to the Board of Supervisors that, for sanitary reasons, as well as for the necessities of the proper conduct of elections, it is necessary that the Department of Elections be removed into the new City Hall at the earliest possible period, and

Whereas, the Board of Supervisors is not able, out of the available funds of the current year, to appropriate moneys to pay for the furnishings and furniture necessary to put the space allotted to the Department of Elections in the new City Hall in proper condition for the Department of Elections to operate therein, and

Whereas, it appears from the representations of the head of the Election Department that moneys for that purpose are available out of funds already appropriated to the Department of Elections for the current fiscal year; now, therefore

Resolved, By the Board of Supervisors of the City and County of San Francisco that the rooms and space allotted to the Department of Elections in the new City Hall be furnished with appropriate furnishings and furniture and apparatus necessary to such furnishing for the said Department of Elections to enter and take possession and operate therein, and that the Board of Public Works is hereby directed to procure, obtain, purchase, contract for and place in said apartments and space so allotted to said Department of Elections in the new City Hall the necessary furnishings and furniture therefor to the extent of a sum and expense for such furnishings and furniture not to exceed the sum of two thousand dollars (\$2,000), and that in performing such duty the Board of Public Works or the head of such department confer with the head of the Department of Elections and that the demands upon the Treasury of the City and County for the payment of the expenses not to exceed the sum above mentioned, shall be drawn upon the usual blank forms for miscellaneous demands of the Department of Elections and shall be approved by the Board of Public Works and shall thereafter be approved by the De-

partment of Elections and thereafter by any board or authority as provided by the Charter of the City and County of San Francisco, and shall thereafter be audited and paid as other demands of said City and County out of the funds appropriated to the Department of Elections for the current fiscal year of 1915-1916, but not to exceed in the aggregate of all such demands the said sum of two thousand dollars (\$2,000), as above mentioned, and the said sum of two thousand dollars is hereby appropriated out of, transferred and devoted from the current appropriation to the Department of Elections for the payment of such demands.

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Report of the Finance Committee on Relief for Tubercular Patients.

The following report was presented and read by the Clerk and approved: To the Honorable the Board of Supervisors.

Gentlemen:

Your Finance Committee respectfully reports on the resolution recommending an appropriation of \$250 for the relief of tubercular patients as follows:

The members of the Finance Committee, together with Supervisors Walsh, Hynes and Lahaney of the Health Committee, also Supervisor Welch, visited the Central Emergency Hospital and interviewed Mrs. Giles, who investigates the needs of those making application for admission to the San Francisco and Tubercular Hospitals, and we found that approximately 45 persons were waiting admission—five of these cases were found to be very urgent and known as bed patients, 10 others might be considered as bed patients. After ascertaining said conditions from Mrs. Giles the members of the Board above referred to visited the Tubercular Hospital and interviewed Dr. Rose with the following result:

Dr. Rose advises us that in order to take care of 25 additional patients the sum of approximately \$5,000 would be needed for the balance of the fiscal year. He further advised us that he would immediately make provision for the five cases referred to above, and they would be admitted to the hospital today. Dr. Rose's wish, however, is that he be allowed time to take up the matter with Dr. Broderick, who is superintendent of both institutions, with the idea in view of having some 15 or 20 patients that are at present in the Tubercular Hospital and in such condition that they can be discharged and seek employment, asked to leave the institution. Most of these are patients that make it a practice when they are discharged from the hospital to get again into touch with Mrs. Giles and endeavor to regain admittance to the institution. As above stated, they are in condition, according to the statement of the doctor, to work if they so desire.

The request made by Dr. Rose for a little further time to go over the situation was consented to by the members of the Finance and Health Committees.

From the figures submitted by Dr. Rose as to the needs that he will probably submit to us, or to the Board of Health for submission to us, he felt that an appropriation of \$250 would in no wise help the situation, and therefore your committee recommends that action be deferred on the matter until we have all the needs of the institution before us. If the recommendation of the Health Department is before us in time for the next meeting of the Finance Committee on Friday, your committee will report a proper appropriation to this Board at the meeting on Monday next.

Respectfully submitted,

JAMES E. POWER,
E. L. NOLAN.

Note—The above report is concurred in by the following members of the Health Committee:

JOS. T. LAHANEY,
J. D. HYNES,
J. O. WALSH.

Approved by the Board of Supervisors March 6, 1916.

Pursuant to Resolution No. 3402 (New Series), of the Board of Supervisors of the City and County of San Francisco, I, J. S. Dunnigan, hereby certify that the foregoing are true and correct copies of the Journals of Proceedings of said Board of the dates thereon stated, and approved as above recited.

J. S. DUNNIGAN,

Clerk of the Board of Supervisors,
City and County of San Francisco.

Urgent Necessities Items to be Specified on Calendar.

Supervisor Hayden presented and moved its adoption under suspension of the rules:

Resolution No. — (New Series), as follows:

Resolved, That the Finance Committee be directed to place on the calendar of this Board the various items that make up the demands allowed against the appropriation for Urgent Necessities.

Referred.

Supervisor Nolan moved as an amendment that resolution be referred to Finance Committee.

Report of Finance Committee Recommending Appropriations for School Repairs, Fire Protection, etc.

The following report was presented by Supervisor Power, read by the Clerk and *adopted* by the following vote:

March 6, 1916.

To the Honorable, the Board of Supervisors.

Gentlemen:

Your Finance Committee has recommended on today's calendar appropriations for school repairs, additional fire protection, etc., the sum of \$16,700. In addition to said sum there is a balance of \$2138 unexpended from the February appropriation, making a total of \$18,838 available, which your Committee recommends to be expended as follows:

\$4,500 for the construction of four or five portable school buildings, as designated by the Board of Education,

and for the continuance of the construction of the additional rooms on the Le Conte School.

\$2500 for painting and material for the following schools: Hawthorne; Horace Mann, Douglass, Fairmount, Grant, Pacific Heights, Irving M. Scott, Hearst, Emerson, James Lick, Haight.

\$2500 for plumbing, tinning and material to be expended, especially to remedy such conditions as exist at the Irving M. Scott School, where one-half of the girls' toilets have been locked up for the past 9 months on account of needed repairs; and

\$9,338 for general repairs and additional fire protection such as: exits, fire hose, stairways and fire escapes at the following schools: Franklin School, stairway; I. M. Scott, stairway from existing passage-way between the two schools to the yard and purchase of new fire hose; Starr King, changing doors that interlock; Henry Durant, additional stairway on east and west end of building or on south side into yard; Mission High School, wall in light shaft at the auditorium from attic to roof and partition off attic; Everett School, for additional exits from Miss Tyson's and Mrs. Cassidy's rooms and perhaps the other two rooms to the yard and street, new hose and reels; Hearst, new hose and reels; Crocker, stairway on east end of building to extend to top floor, new fire hose and reels or attached to standpipe; Gratton, outside stairway at end of halls, south end of building; Cleveland School, additional exit on north side of building from first floor; Monroe, additional stairways on east, west and north side of building; Hawthorne, additional exits from east side of building; Roosevelt, strengthen fire escape on east side of building, new hose and reels or holders; Frank McCoppin, new hose; George Peabody, runway to be constructed from top floor to yard; Sutro, new fire hose; Rochambeaux, new fire hose; Madison, new fire hose; Emerson, new fire hose; Fremont, additional stairway or exit on west side of building, same as on east side, new hose; Pacific Heights, construct fire escape on Pacific avenue side of building if possible; Douglass, do away with wooden balcony and erect iron stairway, construct portable so that children can be taken from basement rooms.

The Board of Education asked for an appropriation of \$8,500; your Committee has, as stated above, allowed \$16,700, and believe that said sum with the balance of \$2,138 unexpended will practically put the Board of Education and the Board of Public Works

in a position to relieve the most urgent needs at the various schools.

Respectfully submitted,

JAMES E. POWER,
E. L. NOLAN.

Ayes—Supervisors Brandon, Deasy, Hayden, Hocks, Hynes, Kortick, Lahaney, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—15.

Absent—Supervisors Gallagher, Hilmer, McLeran—3.

spur track connecting at a point on the tracks of the Southern Pacific Company on Harrison street 84 feet north of the northerly line of Seventeenth street, thence at an angle of 8 degrees, 10 minutes southerly and westerly along the line of Harrison street to a point about 210 feet south of the southerly line of Seventeenth street, at which point said spur track will enter the private property of City Street Improvement Company."

Gasoline Ordinance.

Supervisor Deasy presented:

Bill No. ——— Ordinance No. ——— (New Series), as follows:

"Regulating the sale of gasoline."

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. It shall be unlawful for any person, firm or corporation to sell, offer for sale, or deliver, or to cause or permit to be sold, offered for sale or delivered, in the City and County of San Francisco, any gasoline unless such gasoline shall conform to the standard and test as herein fixed and established.

Section 2. The standard for gasoline shall be as follows: Seventy (70.0) per cent of gasoline shall distill over at a temperature not exceeding two hundred and sixty (260) degrees Fahrenheit; the residue remaining shall have a specific gravity not higher than .7887 (not heavier than forty-seven and five-tenths (47.5) degrees Baume).

Section 3. The test for gasoline shall be as follows:

Two hundred and fifty (250.0) cubic centimeters of the liquid to be tested shall be placed in the glass distillation flask, the condenser and receiver properly adjusted, the thermometer so adjusted that the top of the mercury bulb thereof shall be opposite the lower part of the opening of the tubular where same is joined to neck of said flask. The flask shall rest on a support with two (2) pieces of number twenty (20) mesh gauze between the bottom of still and the fire and shall be surrounded by an asbestos cylinder, the tubular being brought out through an opening in the side thereof.

Proper provision shall be made so that condensing water shall be maintained at a temperature not lower than forty (40) nor higher than fifty-five (55) degrees Fahrenheit, thermal readings to be taken at the point of influx of water into the condenser through a well connected to the outside thereof in such a manner that when the thermometer is placed therein the bulb thereof shall be totally immersed in the water flowing into the condenser.

The flask and contents shall be heated by suitable means and distillation allowed to proceed at a rate not greater than two and five-tenths (2.5) cubic centimeters per minute; the distillation to proceed until the percentage of distillate as specified shall have passed over, provided the temperature designated for same shall not have been exceeded; if the thermometer shall register the designated temperature before the specified amount has passed over the product shall be deemed to be below standard.

Section 4. Any person violating any of the provisions of this ordinance shall be guilty of a misdemeanor, and, upon conviction thereof, shall be punished by a fine not exceeding five hundred (500) dollars, or by imprisonment in the County Jail not exceeding six (6) months, or by both such fine and imprisonment.

Section 5. This ordinance shall take effect immediately.

Referred to Fire Committee.

Citizens Only to Be Employed on Public Work.

Supervisor Walsh presented:

Resolved, That all people employed on the Church street extension of the Municipal Railways during its construction shall be none other than citizens and residents of San Francisco, and be it further

Resolved, That the Board of Public Works be and is requested to instruct and direct its inspector or inspectors on said construction to enforce the letter and spirit of this resolution.

Motion.

Supervisor Nelson moved to amend by inserting the words "and on all public work" after the word "railways" in the second line of the foregoing resolution.

Approved by the Board of Supervisors March 13, 1916.

Pursuant to Resolution No. 3402 (New Series), of the Board of Supervisors of the City and County of San Francisco, I, J. S. Dunnigan, hereby certify that the foregoing is a true and correct copy of the Journal of Proceedings of said Board of the dates thereon stated, and approved as above recited.

J. S. DUNNIGAN,

Clerk of the Board of Supervisors,
City and County of San Francisco.

Referred.

Whereupon the resolution, together with the proposed amendment, was, on motion, ordered *referred to the City Attorney* for his opinion as to the legality of said proposed action.

Regarding Pension for J. C. Perry, Aged Post Office Employee.

Supervisor Wolfe moved that the Clerk be directed to communicate with Congressman Julius Kahn, telling him that this Board heartily endorses his action in seeking, through Congress, a pension for Mr. J. C. Perry, an old and faithful employe of the San Francisco Postoffice, who has been in the service for over fifty years, and who is now stricken with palsy and in dependent circumstances.

Motion carried.

Furniture for Public Buildings.

Supervisor Mulvihill requested that the special committee appointed to consider an amendment to the rules regarding jurisdiction over furniture in public buildings be asked to report at next meeting.

Supervisor Wolfe, chairman of the special committee, declared that committee would meet Wednesday at 1:30 p. m. to consider matter.

ADJOURNMENT.

There being no further business, the Board, at the hour of 4 p. m., adjourned.

J. S. DUNNIGAN, Clerk.

Relative to Payment of Salary of Louis Levy, Manager of Municipal Auditorium.

The following communication was presented and read by the Clerk:

Communication—From City Attorney, advising that any action of the Board of Supervisors one way or the other in the matter of the payment of the salary of the superintendent of the Auditorium for services already rendered can have no possible effect and would be a vain act.

Thereupon, the following resolution was presented by Supervisor Hayden and on motion *laid over one week*:

Resolution No. — (New Series), as follows:

Whereas, Louis Levy was appointed manager of the Exposition Auditorium by the Board of Public Works, and since such appointment has performed the services required of him, and

Whereas, He has not received any salary or other compensation for services heretofore performed; be it

Resolved, That the Board of Supervisors hereby recommends that the claim of Louis Levy for salary heretofore earned be audited by the Auditor and paid by the Treasurer, and that the matter of the regularity of the appointment of said Louis Levy by the Board of Public Works be held in abeyance until determined by legal procedure or otherwise.

Leave of Absence, Supervisor Fred Suhr, Jr.

The following matter was presented and read by the Clerk:

San Francisco, March 9, 1916.
Hon. Board of Supervisors,
City Hall,
San Francisco.

Gentlemen:

Application having been made to me by Hon. Fred Suhr, Jr., for a leave of absence with permission to leave the State of California for a period of three weeks, commencing March 24 next, I hereby request that you concur with me in granting said leave of absence to Supervisor Suhr.

Yours truly,

JAMES ROLPH, JR.,

Furniture and Furnishings for Department of Elections.

On motion of Supervisor Power:

Resolution No. — (New Series), as follows:

Whereas, the Department of Elections has represented to the Board of Supervisors, that, for sanitary reasons, as well as for the necessities of the proper conduct of elections, it is necessary that the Department of Elections be removed into the new City Hall at the earliest possible period, and

Whereas, the Board of Supervisors is not able, out of available funds of the current year, to appropriate moneys to pay for the furnishings and furniture necessary to put the space allotted to the Department of Elections in the new City Hall in proper condition for the Department of Elections to operate therein, and

Whereas, it appears from the representations of the head of the Election Department that moneys for that purpose are available out of funds already appropriated to the Department of Elections for the current fiscal year; now, therefore,

Resolved, By the Board of Supervisors of the City and County of San Francisco that the rooms and space allotted to the Department of Elections in the new City Hall be furnished with appropriate furnishings and furniture and apparatus necessary to such furnishing for the said Department of Elections to enter and take possession and operate therein, and that the Board of Supervisors, through its Committee on Supplies, is hereby directed to procure, obtain, purchase, contract for and place in said apartments and space so allotted to said Department of Elections in the new City Hall the necessary furnishings and furniture therefor to the extent of a sum and expense for such furnishings and furniture not to exceed the sum of sixteen hundred ninety-five and 65/100 dollars (\$1,695.65) and that in performing such duty the Board of Supervisors, through the Chairman of its Finance Committee, confer with the head of the Department of Elections and that the demands upon the

Treasury of the City and County for the payment of the expenses not to exceed the sum above mentioned, shall be drawn upon the usual blank forms for miscellaneous demands of the Department of Elections and shall be approved by the Chairman of the Committee on Supplies of the Board of Supervisors, and shall thereafter be approved by the Department of Elections and thereafter by any Board or authority as provided by the Charter of the City and County of San Francisco, and shall thereafter be audited and paid as other demands of said City and County out of the funds appropriated to the Department of Elections for the current fiscal year of 1915-1916, but not to exceed in the aggregate of all such demands the said sum of sixteen hundred ninety-five and 65/100 dollars (\$1,695.65), as above mentioned, and the said sum of sixteen hundred ninety-five and 65/100 dollars (\$1,695.65) is hereby appropriated out of, transferred and devoted from the current appropriation to the Department of Elections for the payment of such demands. This resolution being additional to one heretofore made relative to such furnishings.

Amending the "Building Law," Permitting the Use of Plaster Board in Building Construction.

Bill No. 3988, Ordinance No. — (New Series), amending Ordinance

No. 1008 (New Series), approved December 22, 1909, and known as "The Building Law" of the City and County of San Francisco, by adding thereto a new section to be known as Section 301A, and which shall read as follows:

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Ordinance No. 1008 (New Series), the title of which is recited in the caption of this ordinance, is hereby amended by adding a new section thereto to be known as Section No. 107A and to read as follows:

Section 107A. Wherever in this ordinance, which is known as "The Building Law" of the City and County of San Francisco, metal lath is required, there may be used, in lieu thereof, plaster board composed of pure gypsum, wood and manila fiber, or of other similar materials, but not less than seventy-five per cent (75%) of such composition shall be of non-inflammable material.

Such plaster board shall be not less than three-eighths inch ($\frac{3}{8}$ ") in thickness and shall be so constructed as to form a mechanical key or bond between the plaster board and the finish plaster. Such mechanical key or bond shall be equally distributed and shall compose at least twenty per cent (20%) of the surface of the plaster board.

On wood joists, furring strips, studding or other wood supports, the plaster board shall be securely fastened by means of nails of such length that the said nails shall extend at least three-quarters inch ($\frac{3}{4}$ ") into the joists, furring strips, studding or other supports. Such nails shall be spaced or driven not more than six inches (6") apart in one direction and sixteen inches (16") apart in the other direction. Where the furring strips, studs or other supports are of metal, the plaster board shall be securely fastened to same with galvanized iron wire of not less than No. 14 gauge or with metal clips or nails, spaced the same as in this section provided for nails. All wire nails used for fastening plaster board shall be at least No. 11 gauge with a flat head not less than three-eighths inch ($\frac{3}{8}$ ") in diameter. All such plaster board shall have applied thereon at least one (1) coat of hard wall plaster, such plaster to be not less than three-eighths inch ($\frac{3}{8}$ ") in thickness.

Extension of Time.

Supervisor Wolfe presented:

Resolution No. 12689 (New Series), as follows:

Resolved, That A. J. Reeder is hereby granted an extension of ninety days' time from and after March 16,

1916, within which to complete contract for clearing the Hetch Hetchy reservoir site, Contract No. 4, Hetch Hetchy Water Supply.

This first extension of time is granted upon the recommendation of the Board of Public Works for the reason that the winter has been unusually severe and there has been a very large snowfall, which has seriously hindered this work.

Adopted.

The following resolutions were adopted:

Closing of Judson Avenue Between Edna and Phelan Avenues.

Supervisor Welch presented:

Resolution No. 12694 (New Series), as follows:

Resolved that the public interest requires that a portion of Judson avenue between Edna street and Phelan avenue be closed in part as hereinafter described; be it further

Resolved, That it is the intention of the Board of Supervisors to close and abandon that part of Judson avenue between Edna street and Phelan avenue, more particularly described as follows, to-wit:

Beginning at a point on the southerly line of Judson avenue, distant thereon 275 feet westerly from the westerly line of Edna street, and running thence westerly along the southerly line of Judson avenue 87.62 feet to the westerly termination thereof and the easterly boundary line of Balboa Park; thence deflecting 90° 10' 49" to the right and running northerly along the easterly boundary line of Balboa Park 36.296 feet; thence southeasterly on a curve to the left of 123.972 foot radius, tangent to a line deflected 134° 48' 38" to the right from the preceding course, central angle 44° 59' 27", a distance of 97.348 feet to its point of tangency with the southerly line of Judson avenue and the point of beginning.

Said closing up of said part of Judson avenue between Edna street and Phelan avenue shall be done and made in a manner and in accordance with the provisions of Section 2 of Chapter III of Article VI of the Charter as amended, and the sections of said Chapter and Article following said Section 2. Be it further

Resolved, That the damage, cost and expense of said closing up of said part of Judson avenue between Edna street and Phelan avenue be paid out of the revenue of the City and County of San Francisco.

And the Clerk is hereby directed to transmit to the Board of Public Works a certified copy of this resolution, and the Board of Public Works is hereby directed to give notice of said contemplated closing and abandonment of said portion of said street in the manner provided by law, and to cause notice to be published as required by law.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hynes, Kortick, Lahaney, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—15.

Absent — Supervisors Gallagher, Hocks, McLeran—3.

Extensions of Time.

Supervisor Welch presented:

Resolution No. 12695 (New Series), as follows.

Resolved, That Eaton & Smith are hereby granted extensions of time to complete street work, to-wit:

Sixty days' time from and after March 5, 1916, within which to complete contract for constructing a boulevard on city property southerly from St. Germain avenue.

This *third* extension of time is granted upon the recommendation of the Board of Public Works for the reason that the continued rains have delayed the work and caused settlement of the fills. All the concrete base and 60 per cent of the asphaltic wearing surface has been completed.

Ninety days' time from and after April 6, 1916, within which to complete contract for grading, curbing and paving Congo street from Flood avenue to Mangels avenue.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that contractor has been delayed in the work on account of the inclemency of the weather.

Sixty days' time from and after March 20, 1916, within which to complete contract for curbing and paving Andover street from Cortland avenue to Park avenue.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that contractor has been delayed in completing the work on account of the inclemency of the weather.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hynes, Kortick, Lahaney, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—15.

Absent — Supervisors Gallagher, Hocks, McLeran—3.

Also, Resolution No. 12696 (New Series), as follows:

Resolved, That McCabe & Brown are hereby granted an extension of ninety days' time from and after March 16th, 1916, within which to complete contract for the construction of artificial stone sidewalks on Cumberland street from Church street to Sanchez street.

This *second* extension of time is granted upon the recommendation of the Board of Public Works for the reason that the contractors were delayed in completing work on account of the inclemency of the weather.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hynes, Kortick, Lahaney, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—15.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hynes, Kortick, Lahaney, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—15.

Absent — Supervisors Gallagher, Hocks, McLeran—3.

Denial of Petition for Revocation of Spur Track Permit.

Supervisor Welch presented:

Resolution No. 12699 (New Series), as follows:

Resolved, That the petition filed February 17, 1916, for the revocation of the spur track permit granted to Virginia Vanderbilt by Ordinance No. 3597 (New Series) finally passed January 31, 1916, to operate a spur track on Front street at Pacific street be, and the same is, hereby denied.

Privilege of the Floor.

J. Brennan, attorney representing protestants, was granted the privilege of the floor. He said he did not wish to be considered as blaming the Board for granting the permit for a spur track on Front street between Jackson and Pacific streets. The merchants that he was now representing did not make any protest at that time because they did not know that matter was pending before the Board of Supervisors. As soon as they heard that the ordinance had been passed, all parties on the block except two signed a protest asking for a revocation of the permit and requesting the Railroad Commission to deny execution of the ordinance. Their protest came up in the Street Committee last Thursday, and one of the committee suggested that it be brought before the entire Board at this meeting. He claimed that there was no legal notice given to property owners of the proposed spur track. Mr. Costa, representing the applicant, admitted to him that the notice required by law to be posted was torn down on the following day.

Mr. Bertrand, protesting property owner, was granted the privilege of the floor. He declared that the block between Jackson and Pacific on Front street was a retail business block and the only block in the vicinity in which retail business is conducted. He believed that the spur track would seriously injure his business. He said that he had recently taken a lease on the premises for a period of ten years

and would suffer great loss unless permit was revoked.

M. Lagomarsino also addressed the Board. He declared that there was no notice posted and that he had no information of the proposed spur track before it was passed. "We have taken a lease," he said, "of the entire block opposite for a period of ten years and our business will be seriously interfered with if this permit is not revoked."

J. Devlin, representing the Drayman's Association, also addressed the Board. He said that he knew nothing of the application for the permit. He said cars will be unloaded during the day and people would have to walk out in the street or under the gang plank.

H. C. Costa, representing *J. Tobin & Co.*, real estate agent and applicant for the permit, also addressed the Board. He said that it was true that the notice was down on the following day, but that it was not true that the property owners were unaware of the application for the proposed spur track. He had spoken personally to several of them himself and called attention to the notice when he posted it.

He said there were other methods of legal notice besides the sign posted on the building, and that that reason for revoking the permit was not a good one.

B. P. Oliver also addressed the Board. He said that he owned forty feet frontage of land in the vicinity. He spoke in favor of spur tracks generally, especially in the district set aside for them, as a means of promoting the commercial welfare of San Francisco.

Capt. Matheson, representing Traffic Squad of Police Department, also addressed the Board. He said that if the cars were unloaded during the night that there would be no objection as far as he was concerned.

Adopted.

Thereupon, the foregoing resolution was adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hynes, Kortick, Lahaney, Nelson, Power, Suhr, Welch, Wolfe—12.

Noes—Supervisors Mulvihill, Nolan, Walsh—3.

Absent — Supervisors Gallagher, Hocks, McLeran—3.

Denying Protest Against Improvement of Miramar Avenue.

Supervisor Welch presented:

Resolution No. 12700 (New Series), as follows:

Resolved, That the protest of property owners against the improvement of Miramar avenue between the northerly line of Grafton avenue and

the southerly line of Ocean avenue, including the crossing of Miramar avenue and Holloway avenue, and the intersection of Miramar avenue and De Montford avenue, as provided in Resolution of Intention of the Board of Public Works numbered 43316 (Second Series) be, and the same is, hereby denied.

Privilege of the Floor.

Wm. Cavitt, property owner and attorney for protesting property owners, was granted the privilege of the floor. He opposed the work at this time, he said, because the assessment will practically be a confiscation of the property of some of his clients. The city has recently put a heavy tax on this property for the Twin Peaks Tunnel and it cannot bear it. It is already carrying more than 50 per cent of its value. No property owner can borrow from any bank in San Francisco money enough to pay for proposed improvement.

Mr. Nolan, representing protesting property owners in the second block, addressed the Board. He questioned the legality of the pending proceedings and based his argument on Chapter 2, Section 2, page 70, of the Charter. He claimed that no petition by property owners was made for doing this work in the second block.

M. Varelli also appeared as a protesting property owner in the foregoing matter.

Mrs. Reilly also addressed the Board. She declared that petition was made for paving three blocks. She said that it would be no convenience to the people of the district or the public generally to leave out the second block and require pedestrians to plow through the mud and dirt as they have for the past thirty years. Property there will never be any good unless streets are improved.

Adopted.

Whereupon, the foregoing resolution was adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hynes, Kortick, Lahaney, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—15.

Absent — Supervisors Gallagher, Hocks, McLeran—3.

Resolution No. — (New Series), as follows:

Resolved, That the rules of proceeding of the Board of Supervisors are hereby amended to read as follows:

Sec. 2.—Public Buildings—To supervise the erection of all public buildings and to recommend the sites therefor, except school sites and buildings relative to which they will act jointly with the Committee on Education, Parks and Playgrounds; to report on requisitions for furniture, and to recommend the purchase of the same when permitted by the Charter; to consider proposed changes in the Building Laws and to make recommendations thereon; to consider report upon and supervise the repairs to public buildings, and to recommend as to the janitorial, elevator and other service required for the proper conduct of all buildings of the City and County.

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Adopting Locations, Aqueduct, Diverting Dam, Forebay, Penstock and Power Plant, Hetch Hetchy Water Supply.

Supervisor Wolfe presented the following under suspension of the rules:

Resolution No. 12703 (New Series), as follows:

Whereas, For the successful consummation of the policy of the City and County of San Francisco of developing and completing a municipal water supply, with the Hetch Hetchy Valley, Lake Eleanor and the waters of the Tuolumne River and its tributaries in Tuolumne County, California, as the source for obtaining said water supply, it is necessary that the hereinafter described canal or aqueduct for conveying the waters

of Cherry and Eleanor Creeks to a point on the Tuolumne River near the Early Intake, and a Diverting Dam, Forebay, Penstock, Power Plant and appurtenant structures thereto, be fully developed and constructed; therefore

Resolved, That the hereinafter described location be and the same hereby is adopted by the City and County of San Francisco as the definite location of said canal or aqueduct, Diverting Dam, Forebay, Penstock, and Power Plant. Said application is to be made under the Act of Congress, approved on the 19th day of December, 1913, entitled: "Granting to the City and County of San Francisco certain rights of way in, over, and through certain public lands, the Yosemite National Park, and Stanislaus National Forest, and certain lands in the Yosemite National Park, the Stanislaus National Forest, and the public lands in the State of California, and for other purposes," and in compliance with Section 2 of said Act, in order that the City and County may obtain the benefits of said Act. The Mayor is further authorized and directed to make on behalf of the City and County, any other applications under said Act of Congress, or under any law before any department of government, which may be necessary for the successful completion of the above described municipal water supply for the City and County of San Francisco.

The City Engineer is authorized and directed to prepare all the necessary surveys, maps and field notes for said application, or for any other applications which it may be necessary to make under said Act of Congress, or under any law, for the successful completion of the above described municipal water supply.

The City Attorney is authorized and directed to appear before the United States Land Office, the Honorable Secretary of the Interior, the Honorable Secretary of Agriculture, or any other department of government for and on behalf of the City and County in the matter of this application, or any other proceedings which may be necessary for the successful completion of the above described municipal water supply.

Following is a description of the definite location of the survey of the center line of a right of way 100 feet wide, 50 feet on each side of said center line of the said city and County's Canal or Aqueduct, above referred to:

Beginning at the initial point, or station 114, which lies in Section 31,

T. 1 N., R. 19 E., M. D. B. & M., N. 31° 39' E. 2759 feet distant from the southwest corner of said Section 31, thence by true courses and distances 19,324 feet to the terminal point, or station 32 A, whence the corner to Sections 2, 3, 10 and 11, T. 1 S., R. 18 E., M. D. B. & M. bears N. 82° 08' W. 2559 feet distant.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hynes, Kortick, Lahaney, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—15.

Absent — Supervisors Gallagher, Hocks, McLeran—3.

Observance of Good Friday.

The following resolution was presented by Supervisor Deasy and on motion of Supervisor Wolfe ordered referred to *Public Welfare Committee*:

Resolution No. — (New Series), as follows:

Whereas, In all the Christian countries of the world the reoccurrence of Good Friday is observed with the profound reverence and religious spirit fitting the occasion commemorating the death of the founder of our Christian civilization, and

Whereas, There is a growing tendency, especially in the Eastern States, to bring about in this nation a proper, dignified and reverential observance of this great day, which spirit should be advanced and encouraged by all well meaning men and women in our land; therefore be it

Resolved, That his Honor the Mayor be requested to issue a proclamation declaring a half holiday for Friday, April 21, 1916, if that is practicable or to declare a recess or cessation of public business between the hours of 12 o'clock noon and 3 p. m., in order that those municipal employes who wish may participate in the services that shall be held throughout the city on that day.

Supervisor Mulvihill presented:

Resolution No. — (New Series), as follows:

Whereas, It is essential to the growth and development of the City and County that adequate lighting of all of the streets of the various districts should be provided, and

Whereas, It should be the policy of the city to see that the public lighting is so distributed that none of the outlying districts is deprived of its just proportion thereof; therefore

Resolved, That a survey of the street lighting system should be made at an early date for the pur-

pose of determining the needs of the various districts and when so determined that proper appropriations be made in the budget that would permit the installation of such lighting as may be necessary to meet the public requirements.

Referred to Lighting Service Committee.

Board of Public Works to Investigate Charges of Extortion of Employes of F. Rolandi, Working on Hetch Hetchy Railroad.

Supervisor Nelson presented:

Resolution No. — (New Series), as follows:

Whereas, It has appeared in the columns of the Oakdale Graphic, a newspaper published in Oakdale, Stanislaus County, California, Friday, March 10, 1916, that there has been considerable anger and disagreement of workmen employed by F. Rolandi, contractor on the Hetch Hetchy Railway System for the reason that a charge has been exacted of them and other expenses attached for the privilege of working in such capacity in the construction of the Hetch Hetchy Railway, therefore be it

Resolved, That the Board of Public Works be, and it is hereby requested to make an examination into the charges as set forth in the said statement and report its findings to this Board at as early a date as possible.

Ordered referred to Public Utilities Committee.

Playground for Mission District.

Supervisor Welch presented:

Resolution No. — (New Series), as follows:

Whereas, A large and densely populated section of the city known as the Mission District has never been adequately provided with children's playgrounds, and as it is due to the fourteen thousand children residing in this locality that provision should be made for their recreation other than those offered by the public streets, therefore be it

Resolved, That the Playgrounds Commission be requested to select a suitable site where baseball and other outdoor sports may be indulged in by the children of this large and congested district; also

Resolved, That the Finance Committee be requested to give serious consideration to the proposition of providing the necessary appropriation in the next budget for the acquisition of land for playground purposes in the location herein stated.

Ordered referred to Committees on Finance and Education.

Adjournment.

There being no further business, the Board at the hour of 5:45 p. m. adjourned.

J. S. DUNNIGAN,
Clerk.

Approved by the Board of Supervisors March 20, 1916.

Pursuant to Resolution No. 3402 (New Series), of the Board of Supervisors of the City and County of San Francisco, I, J. S. Dunnigan, hereby certify that the foregoing is a true and correct copy of the Journal of Proceedings of said Board of the dates thereon stated, and approved as above recited.

Report of Civil Service Committee on Eligible List for Corporals in Police Department.

Supervisor Hocks presented:

San Francisco, March 20, 1916.
Board of Supervisors.

Gentlemen: Your Committee on Civil Service is in receipt of a communication from the members of the Police Department who are on the eligible list of the Civil Service Commission for the position of corporals in the department.

The original list appears to have originally contained 24 names. Fifteen of these have been promoted and there are now but nine remaining.

The Civil Service Commission has now passed an order abolishing the list, which order will be effective on March 31.

It seems to your Committee that this action of the Commission works an injustice to those men who by the uncertainty of mere chance have not been promoted.

There is no question that they are as qualified for promotion as they were at the time they successfully stood the test of examination. They have served as patrolmen for more than ten years, and, so far as known, without any demerit or charges of any kind.

In view of these facts your Committee suggests that this Board request the Commission to rescind its action in abolishing the list.

Respectfully submitted,

OSCAR HOCKS,
J. EMMET HAYDEN,
FRED L. HILMER,

Civil Service Committee.

Civil Service Commission Requested Not to Abolish Corporals' Eligible List.

Whereupon the following resolution was adopted:

Resolution No. 12730 (New Series), as follows:

Whereas, The Civil Service Commission has announced its intention of abolishing the existing eligible list of corporals in the Police Department, and

Whereas, Only nine names remain on said list, after fifteen names have been certified for positions; therefore

Resolved, That the Civil Service Commission be requested to defer its action in abolishing such eligible list, and that the existing list be permitted to stand until exhausted by certification therefrom.

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—16.

No—Supervisor Gallagher—1.

Absent—Supervisor McLeran—1.

Furniture and Furnishings for Department of Elections.

Resolution No. 12706 (New Series), as follows:

Whereas, the Department of Elections has represented to the Board of Supervisors, that, for sanitary reasons, as well as for the necessities of the proper conduct of elections, it is necessary that the Department of Elections be removed into the new City Hall at the earliest possible period, and

Whereas, the Board of Supervisors is not able, out of available funds of the current year, to appropriate moneys to pay for the furnishings and furniture necessary to put the space allotted to the Department of Elections in the new City Hall in proper condition for the Department of Elections to operate therein, and

Whereas, it appears from the representations of the head of the Election Department that moneys for that purpose are available out of funds already appropriated to the Department of Elections for the current fiscal year; now, therefore,

Resolved, By the Board of Supervisors of the City and County of San Francisco that the rooms and space allotted to the Department of Elections in the new City Hall be furnished with appropriate furnishings and furniture and apparatus necessary to such furnishing for the said Department of Elections to enter and take possession and operate therein, and that the Board of Supervisors, through its Committee on Supplies, is hereby directed to procure, obtain, purchase, contract for and place in said apartments and space so allotted to said Department of Elections in the new City Hall the necessary furnishings and furniture therefor to the extent of a sum and expense for such furnishings and furniture not to exceed the sum of sixteen hundred ninety-five and 65/100 dollars (\$1,695.65) and that in performing such duty the Board of Supervisors, through the Chairman of its Finance Committee, confer with the head of the Department of Elections and that the demands upon the Treasury of the City and County for the payment of the expenses not to exceed the sum above mentioned, shall be drawn upon the usual blank forms for miscellaneous demands of the Department of Elections and shall be approved by the Chairman of the Committee on Supplies of the Board of Supervisors, and shall thereafter be approved by the Department of Elections and thereafter by any Board or authority as provided by the Char-

ter of the City and County of San Francisco, and shall thereafter be audited and paid as other demands of said City and County out of the funds appropriated to the Department of Elections for the current fiscal year of 1915-1916, but not to exceed in the aggregate of all such demands the said sum of sixteen hundred ninety-five and 65/100 dollars (\$1,695.65), as above mentioned, and the said sum of sixteen hundred ninety-five and 65/100 dollars (\$1,695.65) is hereby appropriated out of, transferred and devoted from the current appropriation to the Department of Elections for the payment of such demands. This resolution being additional to one heretofore made relative to such furnishings.

Recommitted.

The following Bill heretofore passed for printing was taken up and on motion of Supervisor Brandon, ordered *recommitted to the Building Committee* by the following vote:

Amending the "Building Law," Permitting the Use of Plaster Board in Building Construction.

Bill No. 3988, Ordinance No. — (New Series), amending Ordinance No. 1008 (New Series), approved December 22, 1909, and known as "The Building Law" of the City and County of San Francisco, by adding thereto a new section to be known as Section 301A, and which shall read as follows:

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Ordinance No. 1008 (New Series), the title of which is recited in the caption of this ordinance, is

hereby amended by adding a new section thereto to be known as Section No. 107A and to read as follows:

Section 107A. Wherever in this ordinance, which is known as "The Building Law" of the City and County of San Francisco, metal lath is required, there may be used, in lieu thereof, plaster board composed of pure gypsum, wood and manila fiber, or of other similar materials, but not less than seventy-five per cent (75%) of such composition shall be of non-inflammable material.

Such plaster board shall be not less than three-eighths inch ($\frac{3}{8}$ ") in thickness and shall be so constructed as to form a mechanical key or bond between the plaster board and the finish plaster. Such mechanical key or bond shall be equally distributed and shall compose at least twenty per cent (20%) of the surface of the plaster board.

On wood joists, furring strips, studding or other wood supports, the plaster board shall be securely fastened by means of nails of such length that the said nails shall extend at least three-quarters inch ($\frac{3}{4}$ ") into the joists, furring strips, studding or other supports. Such nails shall be spaced or driven not more than six inches (6") apart in one direction and sixteen inches (16") apart in the other direction. Where the furring strips, studs or other supports are of metal, the plaster board shall be securely fastened to same with galvanized iron wire of not less than No. 14 gauge or with metal clips or nails, spaced the same as in this section provided for nails. All wire nails used for fastening plaster board shall be at least No. 11 gauge with a flat head not less than three-eighths inch ($\frac{3}{8}$ ") in diameter. All such plaster board shall have applied thereon at least one (1) coat of hard wall plaster, such plaster to be not less than three-eighths inch ($\frac{3}{8}$ ") in thickness.

Garage Permit.

Supervisor Deasy presented:

Resolution No. — (New Series), as follows:

Resolved, That permission, revocable at will of the Board of Supervisors, is hereby granted Charles W. Eichbaum to maintain and operate a public garage at 150 Valencia street; also to store not more than 600 gallons of gasoline. This permit is granted for the ground floor of said building only.

The provisions of Ordinance No. 7461 (New Series) must be strictly complied with. All resolutions in conflict herewith, including garage permit (Resolution No. 9416), granted to J. Witt, are hereby repealed.

Privilege of the Floor.

Mrs. Duveneck was granted the privilege of the floor. She requested that it be made clear that the permit is made specifically for 150 Valencia street and not to include the building in the rear on Elgin Park, which is now being operated as a garage without a permit from the Board of Supervisors, and which garage is objectionable to and protested by the property owners residing on said Elgin Park.

Mrs. McQuade also addressed the Board. She had no objection to the garage at 150 Valencia street, but did object to the one which is now operating in the rear of said premises without a permit. She said this latter is adjoining a kindergarten and a nuisance as well as a menace to the lives of the children.

Passed for Printing.

Whereupon, with the understanding that the permit was being granted for the premises on Valencia street only and not for the premises on Elgin Park, the foregoing resolution was *passed for printing*.

Action Deferred.

The following Bill was presented by Supervisor Walsh and on motion *laid over one week*:

Posting of Notices.

On motion of Supervisor Deasy:

Passed for Printing.

The following resolution was *passed for printing*:

Stable Permits.

On motion of Supervisor Walsh:

Resolution No. — (New Series), as follows:

Resolved, That the following revocable permits are hereby granted:

Stables.

B. Barca & Son, for 1 horse, at 852 Potrero avenue.

Frank Lawrence, for 3 horses, rear of 834-836 Treat avenue.

The rights granted under this resolution shall be exercised within six months, otherwise said permits become null and void.

Denying Stable Permit.

Supervisor Walsh presented:

Resolution No. 12714 (New Series), as follows:

Resolved, That in the exercise of the sound and reasonable discretion of the Board of Supervisors, permission is hereby denied P. Correa, to maintain a stable at 991 Hollister avenue.

Adopted by the following vote:

The following bill was presented by Supervisor Lahaney and ordered *re-committed to Police Committee*:

Amending "Rates of Fare" Ordinance.

On motion of Supervisor Lahaney:

Bill No. —, Ordinance No. — (New Series), as follows:

Amending Section 32 of Ordinance No. 1898 (New Series), commonly known as the "Rates of Fare Ordinance."

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. That Section 32 of Ordinance No. 1898 (New Series) is hereby amended to read as follows:

Section 32. It shall be unlawful for any runner or soliciting agent, or driver or motorman, of any public passenger vehicle, to solicit patronage in front of any entrance, exit or gangway of any ferry landing, wharf, depot, theater, circus, hall or other place where people are assembled, within twelve (12) feet thereof, or within twelve (12) feet of the lines of said entrance, exit or gangway produced twelve (12) feet from the front thereof; provided that the verbal soliciting of patronage for the conveyance of persons, baggage or merchandise is hereby prohibited while passengers are actually being discharged from any ferry boat, steamboat or railroad train.

Section 2. This ordinance shall take effect immediately.

Extension of Time.

Resolution No. 12717 (New Series), as follows:

Supervisor Brandon presented:

Resolved, That extensions of time for the completion of contracts in connection with the construction of the City Hall be, and are hereby granted, as follows:

Leave of Absence, Angelo Rossi, Playground Commissioner.

The following matter was presented and read by the Clerk:

San Francisco, March 20, 1916.

Hon. Board of Supervisors, City Hall, San Francisco.

Gentlemen: Application having been made to me by Hon. Angelo Rossi, member of the Playground Commission of this city and county for a leave of absence commencing today with permission to leave the State of California, I respectfully request that you concur with me in granting Commissioner Rossi such leave of absence to extend for the period of sixty days.

Yours very truly,

JAMES ROLPH, JR., Mayor.

Adopted.

Whereupon the following resolution was presented and adopted under suspension of the rules by the following vote:

On motion of Supervisor Hayden:

Resolution No. 12728 (New Series), as follows:

Resolved, That in accordance with the recommendation of his Honor the Mayor, Angelo J. Rossi, member of the Playground Commission of the City and County, be and is hereby granted a leave of absence for sixty days from and after March 20, 1916, with permission to leave the State.

Absent—Supervisor McLeran—1.

Mattress Ordinance.

Supervisor Nelson presented:

Bill No. —, Ordinance No. — (New Series), entitled, "An ordinance defining mattresses; regulating the making, remaking and sale thereof; prohibiting the use of insanitary and unhealthy material therein; requiring the materials used shall be accu-

ately described, and the percentage of materials used in each mattress stated, and prescribing the manner in which mattresses shall be labeled; and materials disinfected or sterilized, and authorizing the Board of Health to adopt regulations governing the sanitation of premises, and making violation of any of the provisions of this ordinance a misdemeanor, and repealing legislation inconsistent with this ordinance."

Referred to Health Committee.

City Engineer to Prepare Plan, Etc., for Construction of Highway Opening Up Hunter's Point Dry Dock Section.

Supervisor Welch presented:

Resolution No. — (New Series), as follows:

Whereas, The commercial development of the City and County of San Francisco demands the opening to commercial uses of the Hunter's Point Dry Dock section, as well as the $2\frac{1}{4}$ miles of undeveloped water frontage between Railroad and Evans avenues and Hunter's Point; and

Whereas, Because of lack of an available road opening up this frontage, the City of San Francisco has recently lost a large industrial enterprise; and

Whereas, It should be the purpose of the City and County of San Francisco to forward industrial development in every way possible;

It is therefore the declared policy of this Board of Supervisors to forward its industrial and commercial development by the construction of a road or highway between the points mentioned, not less than 80 feet wide and not to exceed a 4 per cent grade, and that the Board of Public Works and City Engineer's office be instructed to immediately prepare the

necessary plans and specifications therefor, and submit the same at the earliest date possible for consideration by this Board.

Referred to Streets and Commercial Development Committees.

Clerk to Procure Stenographer for Public Utilities Committee Hearings on Transportation Problems.

Supervisor Wolfe requested that the Clerk be directed to secure a stenographer to report the proceedings of the Public Utilities Committee during consideration of transportation problems.

So ordered.

Public Opening of City Hall.

Supervisor Gallagher suggested that the Committee on Public Buildings and the Committee on Municipal Concerts and Celebrations in conjunction with his Honor the Mayor consider setting aside a day on which to enable the citizens of San Francisco to inspect their new City Hall, and that on such occasion the Municipal Band be required to arrange for a concert in the rotunda.

So ordered.

Reduction of Salary of Superintendent of Auditorium.

Supervisor Hynes recommended the advisability of fixing the salary of the Superintendent of the Auditorium at a lower figure and expressed himself as opposed to the payment of \$300 for this position. The duties of the position, he said, did not warrant any such salary, especially in consideration of the deficit the Auditorium fund is now facing.

ADJOURNMENT.

There being no further business the Board at 6:35 p. m. adjourned.

J. S. DUNNIGAN, Clerk.

Approved by the Board of Supervisors March 27, 1916.

Pursuant to Resolution No. 3402 (New Series), of the Board of Supervisors of the City and County of San Francisco, I, J. S. Dunnigan, hereby certify that the foregoing is a true and correct copy of the Journal of Proceedings of said Board of the dates thereon stated, and approved as above recited.

J. S. DUNNIGAN,

Clerk of the Board of Supervisors,
City and County of San Francisco.

San Francisco, March 27, 1916.
Board of Supervisors.

Gentlemen—The Finance Committee after full consideration has approved the request of the Board of Fire Commissioners to create an additional truck company, to be known as Truck Company No. 13.

Under date of March 20, 1916, the Board of Fire Commissioners advises the Board of Supervisors that the Finance Committee has been requested to authorize the creation of this new truck company by detailing firemen from other companies until the beginning of the fiscal year, after which the said Truck Company No. 13 will be a regular company in the department.

The Finance Committee advises the Board of its approval of this suggestion, and further informs the Board that this action will necessitate making provision in the forthcoming budget for this additional company.

The proposal is submitted to the Board of Supervisors by the Finance Committee for appropriate action.

Respectfully submitted,

JAMES E. POWER,
ANDREW J. GALLAGHER,
E. L. NOLAN,

Finance Committee.

City Engineer to Prepare Plan, Etc., for Construction of Highway Opening Up Hunter's Point Dry Dock Section.

The following resolution, heretofore presented by Supervisor Welch and referred to the Streets and Commercial Relations Committees and returned with the favorable recommendation of said committees, was *adopted* by the following vote:

Resolution No. 12756 (New Series), as follows:

Whereas, the commercial development of the City and County of San Francisco demands the opening to commercial uses of the Hunter's Point Dry Dock section, as well as the $2\frac{1}{4}$ miles of undeveloped water frontage between Railroad and Evans avenues and Hunter's Point; and

Whereas, because of lack of an available road opening up this frontage the City of San Francisco has recently lost a large industrial enterprise; and

Whereas, it should be the purpose of the City and County of San Francisco to forward industrial development in every way possible;

It is therefore the declared policy of this Board of Supervisors to forward its industrial and commercial development by the construction of a road or highway between the points mentioned, not less than 80 feet wide and not to exceed a 4 per cent grade, and that the Board of Public Works and City Engineer's office be instructed

to immediately prepare the necessary plans and specifications therefor, and submit the same at the earliest date possible for consideration by this Board.

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Walsh, Welch—16.

Absent—Supervisors Suhr, Wolfe—2.

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Telephone Booth in Supervisors' Office.

Supervisor Hayden presented:

Resolved, That a telephone booth be provided for use of Supervisors in Room 238.

Referred to Telephone and Buildings Committee.

Ocean Esplanade Extension.

Supervisor Hayden presented:

Resolution No. — (New Series), as follows:

Resolved, That it is the policy of this Board of Supervisors to extend the Ocean Beach Esplanade 1000 feet as the second unit of construction and the Finance Committee is requested to make provision for same in the next budget.

Referred to the Finance Committee.

Playground, Mission Park.

Supervisor Welch presented:

Resolution No. — (New Series), as follows:

Whereas, The Mission District is one of the most densely populated sections of the City and has more than 14,000 children enrolled in the public schools, and is not provided with playgrounds, the nearest one being at Eighth and Harrison streets, nearly a mile from the center of the district proper, and

Whereas, there is an imperative demand for the establishment of playgrounds that will serve the district and be accessible for the children therein; therefore,

Resolved, That the Park Commission be requested to set aside a portion of Mission Park on the Eighteenth street frontage for playground purposes; also

Resolved, That the Finance Committee be requested to provide an appropriation for the purpose of equipping such playground.

Referred to the Education, Parks and Playgrounds Committee.

Municipal Dairy.

Supervisor Gallagher presented:

Resolution No. — (New Series), as follows:

Whereas, The City is purchasing annually about 100,000 gallons of milk for public institutions; and

Whereas, it appears that the City could operate and maintain its own dairy, thus assuring the sick in its hospitals and the unfortunates that are inmates of its other institutions of an absolutely pure and fresh supply of wholesome milk, reducing the cost to the taxpayers for the milk consumed; besides earning a profit from the sale of calves; and

Whereas, By maintaining same on the lines of a model farm arrangements might be made with the Agricultural College of the University of California to use same to demonstrate sanitary and modern methods to our dairy farmers; and

Whereas, Same may be installed on lands bequeathed to the City by the late Honorah Sharp, consisting of 410 acres in San Mateo County, or upon other lands the City may acquire; therefore be it

Resolved, That the Public Welfare Committee be requested to investigate the practicability of maintaining such a dairy for municipal purposes and report their recommendations thereon before the Budget for 1916-1917 is finally adopted.

Referred to the Public Welfare Committee.

Death of John D. McGilvray.

Supervisor McLeran presented the following resolution, which was adopted:

Resolution No. 12757 (New Series), as follows:

Whereas, death has removed from our midst John D. McGilvray, one of California's foremost and respected citizens, loved and appreciated by all who knew him for his honesty and business integrity, for his charities and his kindly disposition; and

Whereas, in the conduct of his business many splendid public buildings, including the San Francisco City Hall, stand as monuments to his genius:

Resolved, That in the death of John D. McGilvray the community has lost a valuable citizen, and his family a kind and loving husband and father, and as an expression of sympathy we, the Board of Supervisors, extend to his family our condolence in their bereavement; and

Further Resolved, That this resolution be spread in full in the Journal of Proceedings of this Board, and a copy thereof be forwarded to his family.

ADJOURNMENT.

Thereupon, the Board, at the hour of 5:30 p. m., adjourned out of respect to the memory of John D. McGilvray.

J. S. DUNNIGAN, Clerk.

Approved by the Board of Supervisors April 3, 1916.

Report of Finance Committee on Appropriations for School Building Repairs and Fire Protection.

The following report was presented and read by the Clerk:

San Francisco, April 3, 1916.

To the Board of Supervisors, San Francisco, Cal.

Gentlemen:

Your Finance Committee respectfully recommends an appropriation of \$10,000.00 for school repairs, additional exits and fire protection, such as new hose, etc.

This amount added to the balance remaining unexpended for month of March, \$5,100.00, will give \$15,100.00 for this work during April.

We further recommend that said sum be expended as follows: \$2,-

500.00 for painting and material; \$5,100.00 for general repairs, plumbing, tinning, etc.; \$7,500.00 for work necessary to better conditions as to fire protection, etc., as designated in the report of the Committees on Education and Public Buildings as submitted to your Honorable Board today.

Respectfully,

JAMES E. POWER,
E. L. NOLAN,
ANDREW J. GALLAGHER.

Report of Finance Committee on Alleged Surplus in School Fund.

The following report was presented, read, copy ordered sent to Board of Education and subject-matter, on motion of Supervisor Gallagher, made a Special Order of Business for 3 p. m. next Monday:

San Francisco, April 3, 1916.

To the Honorable Board of Supervisors.

Gentlemen:

Your Finance Committee respectfully reports on the resolution from the Board of Education relative to an apparent surplus of \$16,000 in the School Fund.

There is no surplus! According to the Charter, a surplus means that which remains at the close of the fiscal year after all debts have been paid. Article III, Chapter 2, Section 16 of the Charter specifically so defines surplus.

A few days after July 1, 1916, or as soon as the Auditor of this City and County has closed the financial accounts of the Board of Education, after all income has been received for this fiscal year, and after all debts and demands incurred against the school funds by the said Board have been regularly approved by the Auditor and paid by the Treasurer, we will know exactly how much, if anything, will be remaining in the Treasury as a surplus.

One of our large sources of revenue is the State School Fund. Another is the rent money received from certain buildings on school land. Two installments of State school money have been received for this school year, and there is a third due and payable in July. There is also three months' rent for school property yet to be received, always providing, of course, that possible conflagration or other misfortune shall not affect or destroy this source of income also. No man living can possibly say exactly how much the total income for this year will amount to.

To repeat—it is only possible to estimate at this date what the third installment of State school money may be. Instead of \$16,818, which Dr. D'Ancona estimates as a surplus al-

ready in sight, there may be a deficit of that or some other amount. It would be the worst possible business policy to assume at this date that there will be a surplus merely upon the statement that such exists in the sum named or any other. There are so many factors, some at least for a time unanticipated, which may, and do, enter into the problem of receipts and disbursements up to the end of the fiscal year, and which may readily change a predicated surplus to a deficit, that it would be very poor financeering indeed to recognize the claim at this time. We, therefore, cannot recommend the expenditure of funds that do not exist.

Your Committee, however, proposes to take care of improvements mentioned therein as follows:

Hawthorne and Fremont additional exits out of repair for April.

Construction of Junipera Serra School yard out of the 1908 Bond Issue, per report of Finance Committee on the calendar today.

The improvement of the Fairmount School is not advisable at this time, because the Finance Committee hopes to be able to appropriate enough money in the coming budget for a new building.

Respectfully submitted,
JAMES E. POWER,
E. L. NOLAN,
Finance Committee.

Fire Commission to File Report on Needed Fire Protection in Schools.

The Clerk was directed to request the Board of Fire Commissioners to file their report on fire protection for school buildings with the Board of Supervisors before its next meeting.

So Ordered.

Passed for Printing.

Thereupon, the following resolution, on motion of Supervisor Power, was passed for printing:

Providing \$10,000 for Painting, Repairs and Fire Protection in School Buildings.

Resolution No. — (New Series), as follows:

Resolved, That the sum of ten thousand dollars (\$10,000.00) be and the same is hereby set aside, appropriated and authorized to be expended out of "School Buildings, Construction, etc." Budget Item No. 58, Fiscal Year 1915-1916, for painting and painting material, general repairs and work necessary to better conditions as to fire protection in the public schools, and as more particularly set forth in reports presented to Board of Supervisors April 3, 1916, by the Finance Committee and the Committee on Education and Public Buildings.

Reports of Building Committee on Plaster Board.

Supervisor Brandon presented:

Minority Report.

San Francisco, April 3, 1916.

To the Board of Supervisors.

Gentlemen:

As a member of your Public Buildings Committee of your Honorable Board, I respectfully submit a minority report regarding the re-passage to print of Bill No. 3988, amending the Building Law permitting the use of plaster board in lieu of metal lath in Class A and B building construction.

I am opposed to the substitution of tile and metal lath by the so-called plaster board in Class A and B buildings, but willing to allow its use in Class C and other buildings of lesser construction. I am not convinced that plaster board can take the place of tile and metal lath, both from the point of construction and as a fire resistant. To my mind it will cheapen our high standard of Class A and B construction. Should plaster board have all the qualities claimed for it, time will tell and at a future period the building law can be amended to meet the requirements.

Respectfully,

E. J. BRANDON.

Majority Report.

Supervisor McLeran presented:

San Francisco, April 3, 1916.

To the Board of Supervisors.

Gentlemen:

The majority of your Committee on Public Buildings respectfully reports in favor of the re-passage to print of Bill No. 3988, amending the Building Law, permitting the use of plaster board in lieu of metal lath, whenever metal lath is required to be used in building construction, with the following amendment to be added to the end of paragraph two, of Section 1 of said proposed ordinance and to read as follows, to-wit: "Excepting that in Class A and B buildings the use of plaster board is prohibited in all elevator shafts, and in the walls and ceilings surrounding staircases in such buildings."

The majority of your committee (Supervisor Brandon dissenting) feels that with the above restriction, the use of plaster board will permit of as good construction as metal lath.

Respectfully submitted,

RALPH McLERAN,
CHAS. A. NELSON.

SPECIAL ORDER, 3 P. M.**Non-Payment of Demands for Teams and Alleged Illegality of Award of Contract for Jitney Plates.**

The consideration of the payment of demands for buggy hire and statements of Supervisor Gallagher rela-

tive to action of former Supplies Committee.

Resolution.

Supervisor Hayden presented the following and moved the suspension of the rules for its immediate consideration:

Whereas, on Monday, March 20, 1916, certain statements were made by Supervisor A. J. Gallagher in open meeting of the Board of Supervisors reflecting on the integrity of former members of the former Supplies Committee of the Board of Supervisors whose terms as members of Supplies Committee ended on January 8, 1916. and

Whereas, it was charged on that date that the members of that former Supplies Committee had been guilty of violation of the Charter in connection with the awarding of contracts; therefore, be it

Resolved, That it is the wish of Supervisors Hilmer and Hayden and ex-Supervisor Murdock that Supervisor A. J. Gallagher avail himself of Section 3, Article VI, Chapter I of the Charter and file charges with his Honor the Mayor, otherwise he, Andrew J. Gallagher, himself is guilty of neglect of duty under the same section just quoted.

FRED L. HILMER,

J. EMMET HAYDEN,

Ex-Supplies Committee.

Supervisor Gallagher objected to the introduction of the resolution, stating that it was not his desire to prefer charges, but simply to submit proofs of the statements made at a previous meeting as well as a violation of the Charter regulations in the matter of contracts and the action of the former Supplies Committee on the matter of the purchase of jitney plates. He stated that he would refuse to prefer charges as asked in the resolutions.

Whereupon the resolution was put to a vote and adopted by the following vote:

Adopted.

Whereupon, the resolution was adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Kortick, McLeran, Nelson, Power, Welch, Wolfe—11.

Noes—Supervisors Gallagher, Hynes, Lahaney, Mulvihill, Nolan, Walsh—6.

Absent—Supervisor Suhr—1.

Supervisor Gallagher called attention to the fact that under the resolution just adopted he (Supervisor Gallagher) could be removed for neglect of duty. He again refused to make charges.

Supervisor Power asked for a re-reading of the resolution, which was done.

Reconsideration.

Thereupon, Supervisor McLeran

moved to reconsider the vote just taken.

Motion *carried* by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Walsh, Welch, Wolfe—16.

No—Supervisor Gallagher—1.

Absent—Supervisor Suhr—1.

Motion.

Supervisor McLeran thereupon moved that resolution be amended by striking out the following words at the end of the last paragraph, to-wit: "otherwise he, Andrew J. Gallagher, himself is guilty of neglect of duty under the same section quoted."

Supervisor Hayden, as mover of the resolution, agreed to have the words stricken out.

Whereupon Supervisor Hayden again moved the adoption of the resolution with the words above noted stricken out.

Amendment.

Supervisor Gallagher moved as an amendment that the resolution be filed and the investigation proceeded with and the Supplies Committee be given an opportunity to submit its proof of the statements made.

Amendment to the Amendment.

Supervisor McLeran moved to lay the whole subject matter on the table.

Motion *carried* by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hocks, Kortick, McLeran, Nelson, Nolan, Welch, Wolfe—10.

Noes—Supervisors Gallagher, Hilmer, Hynes, Lahaney, Mulvihill, Power, Walsh—7.

Absent—Supervisor Suhr—1.

The following resolution, heretofore presented by Supervisor Mulvihill and referred to the Lighting Committee, was taken up:

Resolution No. 12768 (New Series), as follows:

Whereas, it is essential to the development and growth of the City and County that adequate lighting of all the streets of the various districts should be provided; and

Whereas, it should be the policy of the city to see that the public lighting is so distributed that none of the outlying districts be deprived of their just proportion thereof; therefore

Resolved, That a survey of the street lighting system should be

made at an early date for the purpose of determining the needs of the various districts and when so determined that proper appropriation be made in the budget that would permit the installation of such lighting as may be necessary to meet the public requirements.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Walsh, Welch, Wolfe—17.

Absent—Supervisor Suhr—1.

Extension of Time.

Supervisor McLeran presented:

Resolution No. 12769 (New Series), Granting L. & E. Emanuel, Inc., an extension of 90 days' time from and after January 14, 1916, within which to complete contract for furnishing and installing special stationary furniture in the City Hall, Proposition No. 3.

This extension of time is recommended by the Board of Public Works for the reason that it will facilitate the completion of the contract.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Walsh, Welch, Wolfe—17.

Absent—Supervisor Suhr—1.

Committee Appointed to Represent San Francisco at Conferences of State Housing Commission.

Supervisor Brandon presented:

Resolution No. 12770 (New Series), as follows:

Whereas, a communication has been filed by the Commission of Immigration and Housing of California requesting that the City and County of San Francisco be represented in its deliberations in arranging for a Housing Institute; therefore, be it

Resolved, That Supervisor Ralph McLeran, chairman of the Public Buildings Committee of this Board, and John Horgan, chief building inspector of the Board of Public Works, be and are hereby appointed and authorized to represent this City and County in all conferences of said State Housing Commission.

Motion.

Supervisor Gallagher moved as an amendment that Supervisor Nelson be added to the Committee.

So ordered.

Adopted.

Whereupon the foregoing resolution was *adopted* as amended by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran,

Mulvihill, Nelson, Nolan, Power, Walsh, Welch, Wolfe—17.

Absent—Supervisor Suhr—1.

Building Law Amendment—Plaster Board.

Supervisor McLeran presented:

Bill No. 3988, Ordinance No. — (New Series), entitled, "Amending Ordinance No. 1008 (New Series), approved December 22, 1909, and known as the 'Building Law' of the City and County of San Francisco, by adding thereto a new section to be known as Section 107a, relating to the use of plaster board in building construction."

Privilege of the Floor.

Wm. S. Scott, representing the San Francisco Expanded Metal Lath Bureau of Statistics and others, was granted the privilege of the floor and addressed the Board. He claimed that fire insurance would increase from 5 per cent to 10 per cent if the use of this material was permitted. He declared that in Detroit plaster board is classed with wooden lath and that in Baltimore it is prohibited entirely. He read and filed with the Board numerous telegrams and letters from various building associations and officials of municipalities in support of his contention.

Wm. F. Humphrey, representing the button plaster board manufacturers, also addressed the Board. He denied that insurance was increased by reason of the use of button board. He maintained that button board stood a better test than metal lath at the Los Angeles investigation. In the plaster board test in San Francisco on December 19, 1915, before the fire marshal and the Chief of the Fire Department the button board, he said, stood up against the severest kind of a test and both of the officials named declared that they had no objections to its use in lieu of metal lath. This proposed amendment, he declared, did not prohibit the use of metal lath in buildings, but only provided that button board may be used wherever metal lath is required.

Willis Polk, architect, also addressed the Board. He declared that the so-called tests are no good for determining the relative merits of the types of construction in question. The actual experience of disaster is the only test that can be depended upon. That the Merchants Exchange Building was not a heap in the basement after the fire of April, 1906, he said, was due entirely to the fact that metal lath was used throughout its construction. He declared that this proposed amendment is a very serious departure from the high standards of building construction heretofore maintained in San Francisco.

Passed for Printing.

Whereupon, the question being taken, the foregoing bill was *passed for printing* by the following vote:

Ayes—Supervisors Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Walsh, Welch, Wolfe—16.

Kern County Highway to Mt. Whitney.

Supervisor Mulvihill presented:

Resolution No. 12780 (New Series), as follows:

Whereas, The Kern County Board of Trade is leading in a movement for the construction of an automobile road to the top of Mt. Whitney, the highest point in the United States, and

Whereas, A preliminary survey of the proposed route discloses that such road can be built at a moderate cost and with very easy grades, and

Whereas, Its construction will open a vast pleasure ground to the people of the United States, an area heretofore little traveled by man, and which includes many beautiful lakes, streams and primeval forests, and

Whereas, The opportunity afforded to drive an automobile to the top of the continent and the advantages offered for an outing in a country of magnificent scenery with unsurpassed fishing and hunting, will attract the tourists of the world to California, and

Whereas, The completion of this road would greatly facilitate the handling of cattle that are grazed upon the Government Reservation and make possible the pasturage of a largely increased amount of cattle each year, thus enabling the Government to realize greater returns from the rental of the grazing within the forest reserve, and

Whereas, The road will open to the market billions of feet of fine timber ripe for cutting and worth millions of dollars and will be of incalculable benefit to the Forestry Service in checking fires, and

Whereas, The County of Kern is now taking preliminary steps for the construction of a road with a maximum grade of 8½ per cent that will connect her splendid highway system with the forest reserve as far as the Kern County line; therefore be it

Resolved, That the Board of Supervisors of the City and County of San Francisco heartily and unqualifiedly endorse the project for the construction of said road and urge the California delegation in Congress to give its assistance to secure Government support of a plan, the working out of which means so much to the State of California and to the general public.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran,

Mulvihill, Nelson, Nolan Power, Walsh, Welch, Wolfe—17.

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Releasing J. S. Hannah from Contract for General Construction of Southeasterly Wing of San Francisco Hospital.

Supervisor McLeran presented:

Whereas, The Board of Public Works by Resolution No. 44871 (Second Series) recommends that it be authorized by the Board of Supervisors to release J. S. Hannah from the contract awarded him by the said Board of Public Works for the general construction of the southeasterly wing of the San Francisco Hospital; therefore be it

Resolved, That the Board of Public Works is hereby authorized to release the said J. S. Hannah from the contract awarded him for the general construction of the said southeasterly wing of the San Francisco Hospital.

Referred to the Public Buildings and Finance Committees.

Salary and Working Hours, Municipal Employees.

Supervisor Mulvihill presented:

Resolution No. — (New Series), as follows:

Whereas, a decent regard for the welfare of human beings dictates that the wages of those who toil should be sufficient to maintain a proper standard of living, and that a minimum daily wage necessary to sustain this standard, under present conditions, should be not less than three dollars, and

Whereas, It is generally recognized that one day's rest in seven is a right that should be accorded to all those who labor for a livelihood, and

Whereas, There are a number of the employees of this City and County now receiving sums less than three dollars a day, and are deprived of the weekly day of rest; therefore

Resolved, That the Finance Committee be directed to investigate the matter of salaries paid by the City and wherever an employee is now receiving less than the sum stated herein, that provision be made in the Budget for increasing the present salary to the one herein fixed; furthermore, should it be found that the Charter of the City and County forbids any increase, that the Judiciary Committee be directed to prepare a Charter amendment that will remove the limitations at present imposed; also that an Ordinance be prepared and submitted to this Board providing

one day off in seven for all employees of the City.

Referred to Finance Committee.

Leader, Municipal Band.

Supervisor Power moved that the question of the appointment of the leader of the Municipal Band be made a special order of business for 4 p. m. Monday, April 10, 1916.

So ordered.

Clerk to Advertise for Proposals for Police Standards.

Supervisor Gallagher presented:

Resolution No. 12781 (New Series), as follows:

Resolved, That the Clerk is hereby directed to advertise for proposals for furnishing 25 police standards and patterns for use of the Department of Electricity.

Street Lights and Playgrounds for Noe Valley District.

Supervisor Mulvihill presented:

Resolution No. — (New Series), as follows:

Whereas, The Noe Valley District, bounded by Church street, Hoffman avenue, Twenty-second and Thirtieth streets, is a densely populated residential district and is without adequate lighting facilities and has no playground for the thousands of children of the district, and

Whereas, It is of the utmost importance to the welfare of the residents and children of this district that appropriations be made for the development and equipment of a playground for the children of the Noe Valley District, and

Whereas, It is in the interest of sound economy and public welfare to purchase a playground site at this time, when land values in the neighborhood referred to are at a lower point than they will be in the future, and such land as may be required may be bought at a reasonable price; therefore be it

Resolved, That the Board of Supervisors approves the establishment of a playground and of adequate lighting for the Noe Valley District, and respectfully requests the Finance Committee in preparing the forthcoming budget to give consideration to this need and if possible to make necessary appropriations therefor.

Referred to Education, Parks and Playgrounds Committee.

Playground Site, Twin Peaks District.

Supervisor Mulvihill presented:

Resolution No. — (New Series), as follows:

Whereas, The improvement of Twin Peaks boulevard (formerly Corbett road), which is to be one of the scenic boulevards of San Francisco, is now nearing completion and within a few years this section about Twin Peaks will be thickly populated with a consequent increase in land values, and

Whereas, In the exercise of wise judgment the Board of Supervisors shall provide for the needs of future population in this district and establish sites for a playground before land values are prohibitive or excessive; therefore be it

Resolved, That the Committee on Education, Parks and Playgrounds is hereby requested to investigate and report at as early a date as possible the desirability of locating a playground site in the Twin Peaks district; and be it further

Resolved, That the said Committee on Education, Parks and Playgrounds be requested to make such report for the information of the Finance Committee before the budget report is made; be it further

Resolved, That the Lighting Committee be requested to investigate and report on proper and adequate lighting for said district.

Referred to the Education, Parks and Playgrounds Committee.

Traffic Ordinance Amendment.

Supervisor Welch presented:

Bill No. —, Ordinance No. — (New Series), as follows:

Amending Ordinance No. 1857 (New Series), regulating moving traffic upon streets, by adding a new section thereto to be numbered Section 59.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Ordinance No. 1857 (New Series), regulating moving traffic on streets, is hereby amended by adding a new section thereto to be numbered Section 59, to read as follows:

Section 59. Before crossing any sidewalk the operator of any motor vehicle shall carefully observe and ascertain if another vehicle in the rear is traveling in the same direction within a distance of 30 feet; if there be such he shall come to a full stop and signal his intention so to do as provided in section 7. He shall then proceed slowly to approach the curb and cross the sidewalk, carefully observing the presence of pedestrians, and avoid all possible injury thereto. Crossing sidewalks shall be made by turning the vehicle to the right in all cases.

Referred to the Streets Committee.

Condemnation Proceedings for Easement for Chenery Street.

Supervisor Welch presented:

Resolution No. 12783 (New Series), as follows:

Whereas, The public interest and convenience require the acquisition by the City and County of San Francisco of an easement for the uses and purposes of public streets, over, along and upon the property hereinafter described; now therefore be it

Resolved, That the City Attorney be and he is hereby authorized and instructed to inaugurate condemnation proceedings for the acquisition of an easement for the uses and purposes of public streets in and for the City and County of San Francisco over, along and upon the following described real property:

Emergency Hospitals for Outlying Districts.

Supervisor Welch presented:

Resolution No. — (New Series), as follows:

Whereas, An extended section of the city, embracing the districts known as Ocean View, Ingleside, Sunnyside, Glenn Park, Excelsior Homestead, University Heights, Crocker-Amazon Tract and intervening localities, supporting an extremely large population, are inadequately supplied with hospital facilities of an emergency character, the nearest institution being located at Twenty-first street and Potrero avenue; therefore

Resolved, by the Board of Supervisors, That the public interest and necessity demand that an emergency hospital be constructed at an early date, the same to be located at a central point that will be accessible from the districts herein named.

Referred to Public Health Committee.

Meetings of Public Utilities Committee.

Supervisor Wolfe announced that the Public Utilities Committee would meet Wednesday at 10 a. m. and on the following Wednesday at the same hour to consider transportation problems. Also that it would meet on April 12 to consider proposal of Civic League regarding the purchase of the properties of the United Railroads.

Commercial Agent for San Francisco.

Supervisor Wolfe presented:

Resolution No. — (New Series), as follows:

Whereas, It is important to the future progress and development of the

City of San Francisco that every possible effort be made to promote industrial and commercial development and induce manufacturing and commercial concerns to locate in this city, and

Whereas, Other municipalities throughout the State are offering every inducement to commercial industries to locate in their districts, and several communities have employed trained men to place the advantages of their communities before prospective investors and industries; therefore be it

Resolved, That it is the sense of the Board of Supervisors of the City and County of San Francisco that the city government should procure the services of a properly qualified man to act as a commercial agent for this community—such commercial agent to be entirely disassociated from politics and whose duties shall be to promote the location and enlargement of industrial concerns and manufacturing establishments within the boundaries of the City and County of San Francisco.

Referred to Commercial Development and Finance Committees.

Approved by the Board of Supervisors April 10, 1916.

Pursuant to Resolution No. 3402 (New Series), of the Board of Supervisors of the City and County of San Francisco, I, J. S. Dunnigan, hereby certify that the foregoing is a true and correct copy of the Journal of Proceedings of said Board of the dates thereon stated, and approved as above recited.

JOURNAL OF PROCEEDINGS

BOARD OF SUPERVISORS

MONDAY, APRIL 10, 1916.

In Board of Supervisors, San Francisco, Monday, April 10, 1916, at 2 p. m.

The Board of Supervisors met in regular session.

CALLING THE ROLL.

The Roll was called and the following Supervisors were noted present:

Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh Welch, Wolfe—18.

His Honor Mayor Rolph presiding.

READING THE JOURNAL.

The approval of the Journal of the meeting of April 3, 1916, was laid over until next meeting.

ROLL CALL FOR PETITIONS FROM MEMEBRS.

The following matters were presented and read by the Clerk:

Relating to Supplies Committee Clerks.

Communication—From Civil Service Commission, designating positions Supplies Committee clerks as "general clerks," and advising that each department is entitled to one confidential clerk.

Referred to Civil Service and Finance Committees.

Improvement of Duboce Avenue in Front of German Hospital.

Communication—From E. G. Arp, superintendent of German Hospital, and others, for the improvement of Duboce avenue, between Noe and Castro streets, by construction of bituminous pavement with central strip of basalt blocks. The present basalt pavement is so noisy that patients in hospital and people in neighborhoods are constantly annoyed.

Referred to Budget.

Need of Sewers in Ocean Avenue.

Communication—From Mrs. Lena Schmidt, calling attention to the more urgent need of sewer facilities in Ocean View than playgrounds and parks in other locations.

Read and Clerk to acknowledge.

Acknowledgment of Resolution of Death of John Eshleman.

Communication—From Elizabeth Eshleman, expressing her gratitude for the resolutions of the Board of Supervisors in appreciation of the service of her husband, John Eshleman, as Railroad Commissioner and Lieutenant-Governor of the State of California.

Read and ordered filed.

Plaster Board Amendment to Building Law.

Communication—From Commission on Immigration and Housing of California, requesting that action looking to amendment of Building Law permitting use of button board in Class A construction be deferred until adequate tests have been made.

Read and ordered filed.

Relating to Purchase of United Railroads.

Communication—From Civic League, stating that it has not been able to complete its report on plan for purchase of United Railroads and requesting that subject be postponed in Public Utilities Committee until completion of report of which Board will be advised.

Read and ordered filed.

REPORTS OF COMMITTEES.

The following committees, by their respective chairman, presented reports on various matters referred, which reports were read and ordered placed on file:

Supplies Committee—By Supervisor Gallagher, chairman.

Public Buildings Committee—By Supervisor McLeran, chairman.

Streets and Sewers Committee—By Supervisor Welch, chairman.

Fire Committee—By Supervisor Deasy, chairman.

Public Welfare Committee and Publicity Committee—By Supervisor Mulvihill, chairman.

Public Health Committee—By Supervisor Walsh, chairman.

Commercial Development Committee—By Supervisor Kortick, chairman.

Police Committee—By Supervisor Lahaney, chairman.

Electricity Committee—By Supervisor Kortick, acting chairman.

Auditorium Committee—By Supervisor Brandon, chairman.

Lighting Committee—By Supervisor Nolan, chairman.

Report of Civil Service Committee.

The following was presented by Supervisor Hocks, read and ordered filed:

Whereas, It has been the practice of several of the committees of the Board of Supervisors to employ assistants without the concurrence or authority of the Board of Supervisors, and

Whereas, The Charter expressly provided that the Board shall appoint such additional clerks and other assistants as may be deemed necessary when authorized to do so by ordinance, therefore be it

Resolved, That whenever any committee of the Board of Supervisors deems additional clerical or other assistance necessary it shall report the proper recommendation to the Board so that the proper designation or title to such position be secured from the Civil Service Commission as required by Section 2, Article 13 of the Charter, and the necessary ordinance authorizing or creating the position may then be introduced and passed by the Board.

OSCAR HOCKS,
FRED L. HILMER,
J. EMMET HAYDEN,
Committee on Civil Service.

Report of Finance Committee on Use of Well Water in Public Buildings.

Supervisor Power presented:

San Francisco,
April 8, 1916.

To the Honorable,
The Board of Supervisors,
San Francisco.

Gentlemen:

There was paid out in water bills for the public buildings and institutions of this City and County during the year 1915, a sum amounting to upwards of \$210,000, which amount will be materially increased when buildings now in course of construction are completed and the irrigation cost for lawns, etc., are included.

If any considerable part of this amount can be saved by an appropriation for the installation of pumping machinery which will make available the well resources of this City for flushing, irrigation and other purposes, your Finance Committee deems any money so used wisely expended, and to that end is carrying on an investigation as to the feasibility and practicability of the plan to make the utmost use of such resources, espe-

cially at the San Francisco Hospital, City Hall and Civic Center.

In the meantime the co-operation of all departments and institutions is earnestly requested in order that such measures be taken as may be necessary to prevent the wasteful and unnecessary use of water through negligence on the part of employes, or through defective or old plumbing which needs overhauling.

Respectfully submitted,
JAMES E. POWER,
ANDREW J. GALLAGHER,
E. L. NOLAN.

Read and copy sent to Public Buildings Committee with request that it co-operate in the matter.

Report of Finance Committee Making Appropriations for School Painting and Repairs.

The following report was presented by Supervisor Power and read by the Clerk:

San Francisco,
April 10, 1916.

To the Board of Supervisors,
San Francisco, Cal.

Gentlemen:

Your Finance Committee respectfully recommends an appropriation of \$3,000 for school repairs. This amount added to the balance remaining unexpended for the month of March, 1916, \$5,100, will give for this work during April, 1916, the sum of \$8,100.

We further recommend that said sum be expended as follows: \$1,500 for painting and material, and \$6,600 for general repairs.

JAMES E. POWER,
E. L. NOLAN,
ANDREW J. GALLAGHER,
Finance Committee.

SPECIAL ORDER, 3 P. M.

Report of Joint Committee on Buildings and Education Regarding Fire Protection in the Schools.

Supervisor McLeran presented the following report and moved its adoption:

San Francisco,
April 10, 1916.

To the Board of Supervisors of the City and County of San Francisco.
Gentlemen:

Your Joint Committee on Public Buildings and Education respectfully desires to file a report of its investigation of the various school buildings to which attention has been called and criticism made that fire escape facilities are inadequate.

Your committee has made a personal investigation of forty-three school buildings, a number in excess of those reported on by an Assistant Chief of the Fire Department.

The Board of Supervisors has ever been mindful in the past of the requests and recommendations of the Board of Education in matters relating to the construction and safety of school buildings, and your committee extended its investigations to many additional needs, as well as exits and fire escapes of the school buildings, and it is the intention to file with your honorable Board at an early date a report in detail of existing conditions and improvements needed in the school buildings.

In our investigations we do not find that the schools hereinafter reported are in a dangerous condition, but in consideration of the report of the Assistant Fire Chief, your committee recommends that the certain improvements be made.

This report is confined to matters for immediate attention, and your committee recommends the passage of an ordinance authorizing and requesting the Board of Public Works to prepare plans and specifications, call for bids and enter into contracts for work to be done in the following school buildings:

To erect two platforms, stairways and rails from the second and third floors of the Franklin School at Eighth street between Harrison and Bryant streets.

To erect platforms, rails and two stairways, one each on the east and west sides of the Henry Durant School at Turk street between Buchanan and Webster streets.

To erect a stairway from the present balcony across the yard in the rear, and widen the gateway of the Douglass Primary School at Nineteenth and Collingwood streets.

To connect exits and construct platforms and stairways into the yard at the Everett Primary School at Sanchez street between Sixteenth and Seventeenth streets.

To erect platforms and stairway on the east side of the Crocker School at Page street near Broderick street.

To cut exits and erect platforms and stairway in the west side of the Fremont School at McAllister street between Broderick and Baker streets.

To erect two runways with stairs leading thereto from the third floor in each wing of the Peabody School at Seventh avenue and Clement.

To cut exits in rear classrooms, first floor, and erect platforms and stairs in Hawthorne School at Shotwell street between Twenty-second and Twenty-third streets.

To cut exit and erect a stairway from the third floor across upper yard in annex of the Edison School at Hill and Church streets.

To construct platforms and stairways in the rear from second and

third floors of the Monroe School at London and Excelsior avenues.

To cut exits, erect platforms and stairway from the second floor hallway to yard in the Cleveland School at Persia and Athens streets.

To cut exits and erect a stairway from the gallery into the yard in the Irving M. Scott School at Tennessee street between Twenty-first and Twenty-second streets.

Your committee visited the Emerson School at Pine street near Scott street, the Rochambeau School at Twenty-fifth avenue near Clement street, the Laguna Honda School at Seventh avenue near Judah street, the Sherman School at Union street near Franklin street, and the Dudley Stone School at Haight street near Masonic avenue. Each of these school buildings has iron fire escapes, consisting of platforms and stairs leading into the yards.

It is respectfully asked, however, that the opinion of the Board of Education be solicited in this matter as to whether in its judgment the said fire escapes are of the proper construction to answer the requirements.

Respectfully submitted,

R. McLERAN,
JAMES E. POWER,
E. J. BRANDON,
R. J. WELCH,
CHAS. A. NELSON,
Committee.

Motion.

Supervisor Power moved that a copy of the foregoing report be transmitted to the Board of Education as the findings of the Building and Education Committees in the matter of the complaint against alleged lack of fire protection, and that they be assured that the Finance Committee was willing to appropriate a sufficient sum of money to complete said improvements even if said appropriation had to be made from the urgent necessity fund.

Motion *carried* by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Privilege of the Floor.

Whereupon, Supervisor Hayden presented the following resolution and moved its adoption:

Resolution No. — (New Series), as follows:

Resolved, That the plan of the Board of Education to expend during the current fiscal year whatever amount there may be in the common school fund in excess of the budget allowance of \$2,130,650 be approved, the members of the Board of Education having expressed their intention to provide out of said excess for the

following: The installation of fire escapes in the following schools: Fairmount, Hawthorne, James Lick, Fremont; and for fencing, bulkheading, filling and surfacing the yard of the Junipero Serra School.

Motion.

Supervisor Gallagher moved as a substitute for the foregoing that the Board of Supervisors agree to provide a sum equal to \$16,000 over and above the amount already appropriated. Said amount not to come out of the repair fund.

Resolution Withdrawn.

Thereupon, *Supervisor Hayden* agreed to withdraw the resolution and *Supervisor Gallagher's* motion carried by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

HEARING OF APPEALS.

Mariposa Street.

The hearing of appeal of property owners from action of Board of Public Works in recommending improvement of Mariposa street, between Utah and San Bruno avenue, fixed for 3 p. m. this day, proceeded:

Privilege of the Floor.

Mrs. K. Liss was granted the privilege of the floor and objected to the proposed improvement on the ground that she was not financially able to meet the assessment. She declared that if it was deferred for six months she would have no objection to the work being done.

Whereupon, *Supervisor Welch* assured *Mrs. Liss* and *Mrs. Mehalech*, another property owner, that the work would not be started until July 1st and would not be finished for three months when payment in five yearly installments would begin.

Protest was thereupon withdrawn.

Appeal Denied and Assessment Sustained.

Whereupon, *Supervisor Welch* presented:

Resolution No. 12793 (New Series), as follows:

Resolved, That the appeal of property owners from the action of the Board of Public Works in recommending the improvement of Mariposa street between Utah street and San Bruno avenue and of the crossing of Utah and Mariposa streets (as expressed in Resolutions 43072 (Second Series) and 43580 (Second Series) of said Board of Public Works, be and the same is hereby denied.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks,

Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

Navy Yard for San Francisco at Hunter's Point.

Supervisor Wolfe presented:

Resolution No. 12794 (New Series), as follows:

Whereas, A greater navy for the United States demands greater navy yards, and greater navy yards demand that certain natural conditions should pre-exist their establishment; that the San Francisco Peninsula has been provided by nature with a deep water harbor, an ideal climate, accessibility to commerce by water and rail; a supply of high-class mechanics, and fulfills in every respect every requirement for an institution commensurate with the plans and needs of this great nation; therefore

Resolved, That the Board of Supervisors of the City and County of San Francisco hereby goes on record as endorsing the establishing of a first-class navy yard and naval base on this peninsula, and this Board pledges itself to co-operate with all forces in favor of its early establishment; and in this connection the hope is expressed that the Congress of the United States will not be misled by gilded representations of other localities claiming to possess facilities equal to those of this peninsula, for their equal does not elsewhere exist, and to emphasize this claim, we call attention to reports and recommendations of United States naval officers who have investigated this subject matter; and be it further

Resolved, That in the opinion of the Board of Supervisors of the City and County of San Francisco, for the proper protection of the Pacific Coast by an adequate navy there is no place on the whole Pacific Coast better equipped by nature for the establishment of a great navy yard on the Western Coast of this country than the City and County of San Francisco, and we therefore respectfully urge upon Senator James D. Phelan and Representatives Kahn and Nolan to use their every effort to secure the enactment of legislation which will lead to said navy yard and naval base being located on this peninsula at Hunter's Point.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—18.

SPECIAL ORDER, 4 P. M.

Leader of Municipal Band.

The following resolution, laid over from a previous meeting, and made

a special order of business for 4 p. m. this day, was taken up:

Resolved, That the action of this Board as of July 9, 1912, approving the report of the Public Welfare Committee, relative to the appointment of John Keogh as leader of the Municipal Band be and is hereby rescinded.

Motion.

Supervisor Hayden moved that action be deferred until the first Monday in the fiscal year; seconded by *Supervisor Nelson*.

Motion *lost* by the following vote:

Ayes—Supervisors Brandon, Hayden, Hilmer, Hocks, Kortick, Mulvihill, Nelson, Suhr, Welch—9.

Noes—Supervisors Deasy, Gallagher, Hynes, Lahaney, McLeran, Nolan, Power, Walsh, Wolfe—9.

Adopted.

Whereupon, the foregoing resolution was *adopted* by the following vote:

Ayes—Supervisors Deasy, Gallagher, Hynes, Lahaney, McLeran, Nolan, Power, Walsh, Welch, Wolfe—12.

Noes—Supervisors Brandon, Hayden, Hilmer, Hocks, Kortick, Mulvihill, Nelson, Suhr—6.

His Honor Mayor Rolph called attention to the excellent character of the service rendered by Mr. Keogh during the past four years and suggested the idea that the Board express its appreciation of such service.

Supervisor Hynes also expressed himself in appreciation of the services of Mr. Keogh and suggested that a vote of thanks be given him by the Board.

Supervisor Wolfe declared that the best way to express the appreciation of the Board was to extend the term of Mr. Keogh's service until June 30, and moved that the matter be reconsidered for that purpose.

Motion *carried* by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, Mulvihill, Nelson, Power, Suhr, Walsh, Welch, Wolfe—15.

Absent—Supervisors Gallagher, McLeran, Nolan—3.

Whereupon, the following resolution was presented under reconsideration:

Resolved, That the action of this Board as of July 9, 1912, approving the report of the Public Welfare Committee relative to the appointment of John Keogh as leader of the Municipal Band be and is hereby rescinded, to become effective June 30, 1916; further

Resolved, That E. G. Williams is hereby appointed leader of the Municipal Band as of July 1, 1916.

Motion.

Supervisor Nelson moved that resolution be segregated.

So ordered.

Adopted.

Thereupon the resolution, segregated as follows, was *adopted* by the following vote:

Removal of John Keogh

Resolution No. 12810 (New Series), as follows:

Resolved, That the action of this Board as of July 9, 1912, approving the report of the Public Welfare Committee, relative to the appointment of John Keogh as leader of the Municipal Band, be and is hereby rescinded, to take effect June 30, 1916.

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, Mulvihill, Nelson, Power, Suhr, Walsh, Welch, Wolfe—15.

Absent—Supervisors Gallagher, McLeran, Nolan—3

Appointment of E. G. Williams.

Also, Resolution No. 12811 (New Series), as follows:

Resolved, That E. G. Williams is hereby appointed leader of the Municipal Band as of July 1, 1916.

Ayes—Supervisors Deasy, Gallagher, Hayden, Hynes, Kortick, Lahaney, Mulvihill, Power, Suhr, Walsh, Welch, Wolfe—12.

Noes—Supervisors Hilmer, Nelson—2.

Absent — Supervisors Brandon, Hocks, McLeran, Nolan—4.

UNFINISHED BUSINESS.

Final Passage.

The following matters heretofore passed for printing were taken up:

Authorizations.

Resolution No. 12785 (New Series), as follows:

Resolved, That the following expenditures be and the same are hereby authorized to be expended out of the hereinafter mentioned accounts to the following named claimants, to-wit:

Thereupon the substitute resolution, so approved, was *passed for printing*.

Commercial Agent for San Francisco.

The following resolution, heretofore presented by Supervisor Wolfe and referred to Joint Committee on Commercial Development and Finance, was returned with the favorable recommendation of said committee and *adopted* by the following vote:

Resolution No. 12799 (New Series), as follows:

Whereas, It is important to the future progress and development of the City of San Francisco that every possible effort be made to promote industrial and commercial development and induce manufacturing and commercial concerns to locate in this City, and

Whereas, Other municipalities throughout the State are offering

every inducement to commercial industries to locate in their districts, and several communities have employed trained men to place the advantages of their communities before prospective investors and industries; therefore be it

Resolved, That it is the sense of the Board of Supervisors of the City and County of San Francisco that the City government should procure the services of a properly qualified man to act as a commercial agent for this community—such commercial agent to be entirely disassociated from politics and whose duties shall be to promote the location and enlargement of industrial concerns and manufacturing establishments within the boundaries of the City and County of San Francisco.

Building Committee Authorized to Take Charge Through Its Clerk of the Assignment of Rooms in the City Hall.

Supervisor Brandon presented:

Resolution No. 12800 (New Series), as follows:

Whereas, It is essential that the management of the City Hall be vested in some central authority to the end that the various rooms and places therein be assigned to the occupancy and use of the various offices and departments of the City government in respect to their respective needs, and that the executive management of the building may be conducted and co-ordinated that conflict of authority in relation thereto may be avoided; therefore

Resolved, That such authority is hereby conferred on the Public Building Committee of the Board of Supervisors; also

Resolved, That T. B. McGinnis, assistant clerk of the Board of Supervisors, in addition to his duties as such assistant clerk, shall have the executive supervision of the City Hall, under the direction of said committee, and shall investigate and report upon requirements of the various officers and departments as to office accommodations, to see that unassigned rooms are not occupied without authority and that the orders of said committee and this Board are properly executed.

Adopted by the following vote:

Ayes—Supervisors Deasy, Gallagher, Hayden, Hocks, Hynes, Kortick, Lahaney, Mulvihill, Nelson, Power, Suhr, Walsh, Welch, Wolfe—14.

Absent—Supervisors Brandon, Hilmer, McLeran, Nolan—4.

The following matters were *passed for printing*:

Conditional Acceptance, Streets.

On motion of Supervisor Welch:

Bill No. 4038, Ordinance No. — (New Series), as follows:

Providing for conditional acceptance of the roadway of certain streets.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The roadways of the following named streets, including the curbs on both sides thereof, having been constructed to the satisfaction of the Board of Public Works, and of the Board of Supervisors, are hereby *conditionally accepted* by the City and County of San Francisco (except those portions required by law to be kept in order by the railroad company having tracks thereon), in accordance with the provisions of Section 23, Chapter 2, Article VI of the Charter, said roadways having been paved with asphalt and basalt blocks and curbs laid thereon, and are in good condition throughout, to-wit:

Eleventh avenue between Lawton street and Moraga street, paved with asphalt and basalt blocks, and granite curbs have been laid thereon; sewers and gas mains have been laid therein; no water mains have been laid therein.

Fulton street between easterly line of Twenty-eighth avenue and the westerly line of Thirty-seventh avenue, including the intersections of Twenty-eighth avenue, Twenty-ninth avenue, Thirtieth avenue, Thirty-first avenue, Thirty-second avenue, Thirty-third avenue, Thirty-fourth avenue, Thirty-fifth avenue, Thirty-sixth avenue and Thirty-seventh avenue, paved with asphalt and concrete curbs have been laid thereon; sewers and gas mains have been laid therein; no water mains have been laid therein.

Action Deferred.

The following bill **was** presented by Supervisor Welch and on motion *laid over one week*:

Traffic Ordinance Amendment.

Bill No. —, Ordinance No. — (New Series), as follows:

Amending Ordinance No. 1857 (New Series), regulating moving traffic upon streets by adding a new section thereto to be numbered Section 59.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Ordinance No. 1857 (New Series), regulating moving traffic on streets is hereby amended by adding a new section thereto to be numbered Section 59, to read as follows:

Section 59. Before crossing any sidewalk the operator of any motor vehicle shall carefully observe and ascertain if another vehicle in the rear is traveling in the same direction within a distance of 30 feet; if there be such he shall come to a full stop and signal his intention so to do as provided in Section 7. He shall then proceed slowly to approach the curb and cross the sidewalk, carefully observing the presence of pedestrians, and avoid all possible injury thereto. Crossing sidewalks shall be made by turning the vehicle to the right in all cases.

Section 2. This ordinance shall take effect immediately.

Intention to Change Grades.

Supervisor Welch presented:

Resolution No. 12801 (New Series), as follows:

Resolved, That it is the intention of the Board of Supervisors to change and establish grades on the following named streets, at the points hereinafter specified and at the elevations above City base, as hereinafter stated, in accordance with Resolution No. 44836, Second Series, of the Board of Public Works adopted March 29, 1916, and written recommendation of said Board, filed March 30, 1916, to-wit:

Thirty-first avenue between Cabrillo and Fulton streets.

Absent—Supervisors McLeran, Nolan—2.

Extensions of Time.

Supervisor Welch presented:

Resolution No. 12802 (New Series), as follows:

Resolved. That the Federal Construction Company be and is hereby granted an extension of ninety days' time from and after April 5, 1916,

within which to complete contract for paving and curbing Corbett avenue from Danvers to Caselli streets, under public contract.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that contractor was delayed in completing the work on account of the inclemency of the weather.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, Mulvihill, Nelson, Power, Suhr, Walsh, Welch, Wolfe—16.

Absent—Supervisors McLeran, Nolan—2.

Also, Resolution No. 12803 (New Series), as follows:

Resolved, That the Fay Improvement Company is hereby granted an extension of thirty days' time from and after April 10, 1916, within which to complete contract for the paving of the crossing of Twenty-second and Vermont streets.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that although the time allowed might prove sufficient, it is deemed advisable to ask the extension since the weather is somewhat uncertain; the grading has been completed and the catchbasins and curbs constructed.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, Mulvihill, Nelson, Power, Suhr, Walsh, Welch, Wolfe—16.

Absent—Supervisors McLeran, Nolan—2.

Also, Resolution No. 12804 (New Series), as follows:

Resolved, That Owen McHugh is hereby granted an extension of thirty days' time from and after April 22, 1916, within which to complete contract for grading, sewerage, paving and curbing the southerly one-half of Geary street between Thirty-eighth and Thirty-ninth avenues.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that the sewer and a considerable portion of the fill is completed, the delay having been caused by the excessive amount of fill required on this work.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, Mulvihill, Nelson, Power, Suhr, Walsh, Welch, Wolfe—16.

Absent—Supervisors McLeran, Nolan—2.

Also, Resolution No. 12805 (New Series), as follows:

Resolved, That D. L. Bienfield is hereby granted an extension of sixty days' time from and after April 20, 1916, within which to complete contract for the improvement of Corbett avenue between Twenty-fourth street and the San Miguel Rancho.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that the inclement weather and ground conditions retarded the progress of the work, which is now in progress to a satisfactory degree, and this extension will expedite the completion of the contract.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, Mulvihill, Nelson, Power, Suhr, Walsh, Welch, Wolfe—16.

Absent—Supervisors McLeran, Nolan—2.

Also, Resolution No. 12806 (New Series), as follows:

Resolved, That Sunset Construction Company is hereby granted an extension of thirty days' time from and after April 21, 1916, within which to complete contract for grading and sewerage Kansas street between Nineteenth and Twentieth streets.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that continued rains in the early portion of the contract period prevented a diligent prosecution of the work; the grading has been completed and the construction of the sewers started.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, Mulvihill, Nelson, Power, Suhr, Walsh, Welch, Wolfe—16.

Absent—Supervisors McLeran, Nolan—2.

Adoption of Site for Hetch Hetchy Regulating Reservoir at Priest's.

Supervisor Wolfe presented:

Resolution No. 12809 (New Series), as follows:

Whereas, For the successful consummation of the policy of the City and County of San Francisco of developing and completing a municipal water supply, with the Hetch Hetchy Valley, Lake Eleanor and the waters of the Tuolumne River and its tributaries in Tuolumne County, California, as the source for obtaining said water supply, it is necessary that the hereinafter described reservoir and dam be fully developed and constructed and that certain lands of the public domain immediately adjacent to said reservoir and dam and necessary for the protection of the waters of said reservoir from contamination be secured; therefore

Resolved, That the hereinafter described location be and the same hereby is adopted by the City and County of San Francisco as the definite location of said reservoir, dam and lands immediately adjacent to said reservoir and dam and necessary for the protection of the waters of said reservoir from contamination. The Mayor of the City and County is hereby authorized to apply to the United States Land Office, the Honorable Secretary of Interior, and any other departments of government on behalf of the City and County for permission to construct and complete said reservoir and dam and to hold and occupy said lands of the public domain immediately adjacent to said reservoir and dam, as necessary for the protection of the waters of said reservoir from contamination. Said application is to be made under the Act of Congress, approved on the 19th day of December, 1913, entitled: "Granting to the City and County of San Francisco certain rights of way

in, over and through certain public lands, the Yosemite National Park, and Stanislaus National Forest, and certain lands in the Yosemite National Park, the Stanislaus National Forest, and the public lands in the State of California, and for other purposes", and in compliance with Section 2 of said Act, in order that the City and County may obtain the benefits of said act. The Mayor is further authorized and directed to make on behalf of the City and County, any other applications under said Act of Congress, or under any law before any department of government, which may be necessary for the successful completion of the above described municipal water supply for the City and County of San Francisco.

The City Engineer is authorized and directed to prepare all the necessary surveys, maps and field notes for said application, or for any other applications which it may be necessary to make under said Act of Congress, or under any law, for the successful completion of the above described municipal water supply.

The City Attorney is authorized and directed to appear before the United States Land Office, the Honorable Secretary of the Interior, the Honorable Secretary of Agriculture, or any other departments of government for and on behalf of the City and County in the matter of this application, or any other proceedings which may be necessary for the successful completion of the above described municipal water supply.

Following is a description of the definite location of the reservoir and dam site above referred to, and the definite location of the lands immediately adjacent to said reservoir and dam and necessary for the protection of the waters of said reservoir from contamination, all located in Tuolumne County, California.

1. Priest Regulating Reservoir Site, beginning at Station "H" 17+56 of the reservoir traverse, a point N. 72° 19' W. 4048.3 feet from the southeast corner of Section 31, T. 1, S. R. 16 E., M. D. B. & M., thence following a contour which is the proposed water line of this reservoir to the point of beginning and containing 56.01 acres.

2. Priest Regulating Reservoir Dam Site, beginning again at corner No. 1, of the dam site traverse a point N. 80° 47', W. 3,419.8 feet distant from the said southeast corner of Section 31, thence by true courses and distances to the point of beginning, and containing 30.08 acres.

3. Lands of the public domain immediately adjacent to and containing

portions of the said reservoir and dam sites and necessary for the protection of the waters of said reservoir from contamination, being the south half of the north half of the west half (40 acres); the north half of the north half of the south half of the west half (20 acres); the southeast quarter of the north half of the south half of the west half (10 acres); the northeast quarter of the south half of the south half of the west half (10 acres); Lot Three (26.53 acres), and Lot Four (26.04 acres), of fractional Section 36, Township 1 South, Range 15 East; also Lot Nine (43.49 acres), and Lot Fifteen (11.73 acres), of Section 31, Township 1 South, Range 16 East, M. D. B. & M., being a total area of 187.79 acres, including 46.65 acres of the reservoir and dam sites described in this resolution. The remaining lands in said reservoir and dam sites, and adjacent to said reservoir and dam sites and necessary for the protection of the waters of said reservoir from contamination are the property of the City and County of San Francisco, being Lot 2 of Section 36, Township 1 South, Range 15 East, and Lots 3, 7, 8 and 10 of Section 31, Township 1 South, Range 16 East.

Adopted by the following vote:

Red Cross Membership.

Supervisor Brandon presented:

Resolution No. 12812 (New Series), as follows:

Whereas, ten years ago the people of San Francisco received \$9,700,000 which was distributed through the agency of the Red Cross and there were very few of our citizens who did not receive some benefit at the hands of that charity, and as it is the Red Cross work that is the agency that renders relief in times of distress resultant of any great disaster, whether it is fire, earthquake, flood or war, and

Whereas, Japan has an enrollment of 1,800,000 members, Germany about 1,000,000 and the United States only 27,000, while the San Francisco chapter has only a membership of 700, and

Whereas, we should show our appreciation of what was done for us ten years ago by celebrating the 18th of April, 1916, with a membership of 25,000; therefore, be it

Resolved, That the Board of Supervisors recommend that all citizens should join to show San Francisco's appreciation.

Adopted under suspension of the rules by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, Mulvihill, Nelson, Power, Suhr, Walsh, Welch, Wolfe—16.

Absent—Supervisors McLeran, Nolan—2.

Celebration of Reconstruction of San Francisco.

Supervisor Mulvihill presented:

Resolution No. 12813 (New Series), as follows:

Whereas, the tenth birthday of rejuvenated San Francisco will be appropriately observed at the Exposition Auditorium on Tuesday evening, April 18, 1916; therefore

Resolved, That this Board joins with the San Francisco Commercial Club in inviting the public to be present and assist in advertising to the world the progress made in the past ten years and to give testimony of their faith in its future prosperity and greatness; that this Board, as a Committee of the Whole, attend this celebration as an expression of its devotion to the welfare of future San Francisco and to promote its further progress.

Adopted under suspension of the rules by the following vote:

Ayes—Supervisor Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, Mulvihill, Nelson, Power, Suhr, Walsh, Welch, Wolfe—16.

Absent—Supervisors McLeran, Nolan—2.

Municipal Restaurant.

Supervisor Nelson presented:

Bill No. —, Ordinance No. —
(New Series), as follows:

Providing for the establishment of a municipal restaurant in the City Hall.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. That a municipal restaurant is hereby ordered to be established in the City Hall, at a suitable location to be designated by the Building Committee of the Board of Supervisors.

Section 2. That the Finance Committee is hereby instructed to provide sufficient funds for the maintenance of said restaurant until the income therefrom shall be sufficient to pay the expenses thereof.

Section 3. That the restaurant shall be under the supervision of a manager and such other employes as may be necessary for the proper operation of the restaurant, all of said employes to be appointed under the provisions of Article XIII of the Charter.

Section 4. That the income derived from the operation of said restaurant shall be used as provided by Section 16, Article XII of the Charter.

Section 5. That said municipal restaurant is hereby declared to be a public utility and the management and operation thereof shall be under the control of the Board of Public Works.

Section 6. This ordinance shall take effect July 1, 1916.

Referred to Public Buildings Committee.

Fire Protection in Schools.

Supervisor Welch presented:

Resolution No. — (New Series), as follows:

Whereas, it has been called to the attention of this Board that certain of the school buildings in this city are lacking in proper facilities for fire protection; and

Whereas, this Board is desirous of being kept informed of the conditions existing in all schools in this city

to the end that means be taken to place said schools in an absolutely safe condition for the pupils and teachers occupying the same; now, therefore, be it

Resolved, That the Chief of the Fire Department be and he is hereby requested to make, or cause to be made, an examination of all of the school buildings in this city and county and file his report of said examination with his Honor the Mayor, the Board of Education and this Board of Supervisors on the first Monday in March and the first Monday in September of each year hereafter; said report to contain a full and detailed statement of the condition of each and every school building with respect to the facilities affording means of escape in case of fire.

Referred to Public Buildings Committee.

Pipe Line Permt.

Supervisor Welch presented the following resolution which was *passed for printing*:

Resolution No. — (New Series), as follows:

Resolved, That Mangrum & Otter, Inc., is hereby granted permission, revocable at the will of the Board of Supervisors, to install steam and water pipes from power house at Lane Hospital, Clay and Webster streets to 2200 Webster street and 2320 Clay street.

The said pipes shall be laid to the satisfaction and under the supervision of the Board of Public Works in accordance with the provisions of Ordinance No. 2201 (New Series), entitled, "Regulating the making and refilling of excavations in public streets, alleys, sidewalks and other public places."

ADJOURNMENT.

There being no further business the Board at the hour of 9:50 p. m. adjourned.

JOHN S. DUNNIGAN,
Clerk.

JOURNAL OF PROCEEDINGS

BOARD OF SUPERVISORS

MONDAY, APRIL 17, 1916.

In Board of Supervisors, San Francisco, Monday, April 17, 1916, at 2 p. m.

The Board of Supervisors met in regular session.

CALLING THE ROLL.

The Roll was called and the following Supervisors were noted present:

Supervisors—Brandon, Deasy, Gallagher, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

Absent—Supervisor Hayden—1.

The Clerk announced that Supervisor Hayden had left the city for a few days and had requested to be excused.

His Honor Mayor Rolph presiding.

READING THE JOURNAL.

The Journals of the meetings of April 3 and 10, 1916, were read and approved.

His Honor the Mayor at 2:10 p. m. called Supervisor Wolfe to the chair and retired from the meeting.

ROLL CALL FOR PETITIONS FROM MEMBERS.

The following matters were presented and read by the Clerk:

Dog License Tags.

Supervisor Gallagher presented and the Clerk read:

Communication—From Auditor, requesting the Supplies Committee to authorize change in dog license tags for this year from German silver to brass without any additional cost. This is to enable Pound to distinguish between tags for this year and tags for last year.

Motion.

Supervisor Gallagher moved that the Board approve and authorize requested change.

So ordered.

Emergency Hospital in Balboa Park District.

Communication—From Balboa Park Improvement Club, favoring establish-

ment of an emergency hospital in vicinity of Ocean and San Jose avenues; also, complaining of speed automobiles are permitted to travel through said district.

Read and ordered *filed*.

Requested Increase of Salary for Jail Guards.

Communication—From Sheriff, recommending increase in salary of jail guards at County Jail from \$50 to at least \$75 per month.

Read and *referred to Finance Committee*.

Increase of Salaries of Justices of Peace.

The following matter was presented and read by the Clerk:

April 17, 1916.

Finance Committee, Board of Supervisors, San Francisco:
Gentlemen:

I am in receipt of your communication of even date as follows:

"The Finance Committee has received notice from the Auditor that the Superior Court of the City and County recently decided that the increase of salary voted to Justices of the Peace by the last Legislature is due and payable. This law was passed subsequent to the adoption of the Budget of the current year.

"The Finance Committee desires your advice as to whether in your judgment it is advisable to appeal from the Superior Court decision in this case, and also whether if an appeal were taken there is any likelihood that the decision of the said Superior Court would be reversed.

"An early response is requested."

Replying thereto, I am of the opinion that it is extremely doubtful if the Supreme Court would disturb the judgment of the Superior Court in this matter. I feel that it would not be advisable to appeal from the judgment of the Superior Court and incur the expense incident thereto with so little hope of securing a reversal.

Yours Truly,
PERCY V. LONG,
City Attorney.

Motion.

Supervisor Power moved that the Auditor be requested to approve demands for increased salaries of Jus-

tices of the Peace and that the City Attorney be requested not to appeal from the Superior Court decision.

Motion *carried* by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

Absent—Supervisor Hayden—1.

Appointment of Temporary Telephone Operator.

Supervisor Power presented:

Resolution No. 12814 (New Series), as follows:

Resolved, That Mary C. Mulvey, civil service certification No. 15, of April 14, 1916, is hereby appointed temporary telephone operator (night service) at the City Hall in accordance with Ordinance No. 3658 (New Series) at a salary of \$85 a month.

Adopted under suspension of the rules by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

Absent—Supervisor Hayden—1.

REPORTS OF COMMITTEES.

The following committees, by their respective chairmen, presented reports on various matters referred, which reports were read and ordered placed on file:

Supplies Committee—By Supervisor Gallagher, chairman.

Public Buildings Committee—By Supervisor McLeran, chairman.

Streets and Sewers Committee—By Supervisor Welch, chairman.

Fire Committee—By Supervisor Deasy, chairman.

Public Health Committee—By Supervisor Walsh, chairman.

Auditorium Committee—By Supervisor Brandon, chairman.

Report of Finance Committee on Purchase of Paintings Out of Park Fund.

Supervisor Power presented:

San Francisco, April 17, 1916.
Board of Supervisors.

Gentlemen:

The Finance Committee respectfully calls the attention of the Board of Supervisors to the approval of \$6,350 aggregate demand of several items for the purchase of paintings out of the Park Fund.

The circumstances attending this transaction are related in a letter to his Honor the Mayor under date of April 13, 1916, from the Park Commission.

Attention is called to the conditions under which the demand is issued, and states that compliance with the

Charter provision, requiring all purchases exceeding \$500 to be advertised, is not possible for the reason that the demands are payable out of a special donation of \$10,000 made by Alice Skae for the purchase of paintings by California artists. The Park Commission deposited the \$10,000 in the Treasury and of course it is necessary to pass the demands in the usual manner. The condition of the bequest, however, makes it an open transaction not subject to the advertising for bids, etc.

The Committee desires this report printed in the Journal so that the transaction may be historically recorded. Respectfully submitted,

JAMES E. POWER,
A. J. GALLAGHER,
E. L. NOLAN,
Finance Committee.

HEARING OF APPEALS.

Randall and Whitney Streets.

The appeal of property owners from the assessment for the street work at the crossing of Randall and Whitney streets was on motion of Supervisor Welch ordered *referred to the Streets Committee.*

Objections Filed.

France Avenue Extension, Etc.

Objections of property owners to the confirmation of report of Board of Public Works to the Board of Supervisors for the extension of France avenue from its present easterly termination easterly to the easterly boundary line of the Somps Tract, and the extension of Munich, Prague and Dublin streets southerly to the proposed extension of France avenue, and the extension of Moscow street from the proposed extension of France avenue southerly two hundred feet more or less, were received and on motion of Supervisor Welch ordered *referred to the Streets Committee.*

Resolution Authorizing Execution of Deed by the Mayor and Clerk of the Board of Supervisors of the City and County of San Francisco Conveying Land Formerly Army Street as Described in the Resolution in Lieu of Land Deeded for the Opening of Army Street.

Supervisor Welch presented:

Resolution No. 12833 (New Series), as follows:

Whereas, This Board on Monday, the 17th day of January, 1916 (after proceedings theretofore had pursuant to the provisions of Chapter III of Article VI of the Charter of the City and County of San Francisco), duly adopted Resolution No. 12452 (New Series), closing and abandoning a portion of Army street, as in said resolution described, and

Whereas, Said resolution having been presented to his Honor the Mayor for his approval and returned by him without his signature took effect in accordance with the provisions of Article II, Chapter I, Section 16 of the Charter on the 28th day of January, 1916, and

Whereas, William D. Lambert, Walter S. Hyde and George Hyde, his wife, own all the real property affected by the said closing and abandonment of a portion of Army street and more particularly described in said Resolution No. 12452 (New Series), and

Whereas, William D. Lambert, Sarah Lambert, his wife, Walter S. Hyde and George Hyde, his wife, have made, executed and delivered to the Title Insurance and Guaranty Company, a corporation, their certain deeds conveying all their right, title and interest in and to the property hereinafter particularly described for the purpose of a public street in the City and County of San Francisco, and

Whereas, Said new street so laid out and dedicated to the City and County of San Francisco, as aforesaid, will and does constitute ample compensation to said City and County for its deed to the portions of said Army street closed and abandoned, as aforesaid, and will be of much greater practical value both to the City and County of San Francisco and to the general public.

Now therefore, the Mayor and the Clerk of the Board of Supervisors of the City and County of San Francisco in the name of said City and County are hereby authorized and directed to execute a deed or deeds conveying all the right, title and interest of said City and County in and to the lots, pieces or parcels of land hereinafter more particularly described, formerly a portion of Army street closed and

abandoned, as aforesaid, to William D. Lambert, Walter S. Hyde and George Hyde, his wife. The deeds authorized to be executed herein by the Mayor and the Clerk of the Board of Supervisors of this City and County are not to be delivered and recorded until after the recordation of the deeds from William D. Lambert, Sarah Lambert, his wife, Walter S. Hyde and George Hyde, his wife, to the City and County of San Francisco.

The property to be described in the deed or deeds herein authorized to be executed by the Mayor and the Clerk of the Board of Supervisors is situate, lying and being in the City and County of San Francisco, State of California, and particularly described as follows:

All bearings in this description conform with and are made on the assumption that Army street bears east and west.

Commencing at the point of intersection of the easterly line of Twin Peaks avenue with the northerly line of Army street as established by Resolution No. 12452 (New Series) of the Board of Supervisors, January 28, 1916; thence north along the east line of Twin Peaks avenue 11.03 feet; thence easterly on a curve to the left of 135-foot radius, tangent to a line bearing south 89 degrees 54 minutes 9 seconds east, central angle 5 degrees 20 minutes 51 seconds, a distance of 12.60 feet; thence north 85 degrees 45 minutes east 74 feet; thence easterly on a curve to the left of 135-foot radius, tangent to the preceding course, central angle 18 degrees 15 minutes, a distance of 43.00 feet; thence north 66 degrees 30 minutes east 17.53 feet to a point distant 36 feet measured at right angles from the said northerly line of Army street; thence east and parallel with the said northerly line of Army street 36.18 feet; thence south and parallel with the east line of Twin Peaks avenue 36 feet to a point on said northerly line of Army street; and thence west along said north line of Army street 180 feet to the east line of Twin Peaks avenue and point of commencement.

All bearings in this description conform with and are made on the assumption that Army street bears east and west.

Commencing at a point on the north line of Army street as established by Resolution No. 12452 (New Series) of the Board of Supervisors, January 28, 1916, distant 455 feet east from the east line of Twin Peaks avenue (said point being on the west line of Burnett avenue) and running thence north along the west line of Burnett avenue 36 feet; thence west parallel

with the said line of Army street 275 feet; thence south, parallel with the west line of Burnett avenue 36 feet to the said north line of Army street and thence east along the said line of Army street 275 feet to the west line of Burnett avenue and the point of commencement.

Authorizing the Mayor and the Clerk of the Board of Supervisors to Enter Into an Agreement With the Southern Pacific Company, a Corporation, in Matter of an Easement for Street Purposes in Piper and Reis Tract at the Intersection of San Bruno and Campbell Avenues, etc.

Resolution No. 12834 (New Series), as follows:

Resolved, That his Honor the Mayor and the Clerk of the Board of Supervisors be and they are hereby authorized and requested to enter into an agreement, for and on behalf of the City and County of San Francisco, a municipal corporation, with the Southern Pacific Company, a corporation, incorporated under the laws of the State of Kentucky and doing and duly authorized to do business in the State of California.

The said agreement is in the words and figures following, to-wit:

This indenture, made this — day of —, 1916, between Southern Pacific Company, a corporation, incorporated under laws of the State of Kentucky, and doing and duly authorized to do business in the State of California, party of the first part, and City and County of San Francisco, a municipal corporation of the State of California, party of the second part:

Witnesseth: That the party of the first part hereby grants unto the party of the second part, and to its corporate successors, an easement for public street purposes, upon and over that certain parcel of land, situate in the City and County of San Francisco, State of California, described as follows, to-wit:

Commencing at the point of intersection of the westerly line of San Bruno avenue, with the northerly line of that portion of the Visitacion Rancho, known as the Piper and Reis Tract; thence southerly along the westerly line of San Bruno avenue, 263.42 feet, more or less, to its intersection with the easterly prolongation of the northerly boundary line of the southerly one-half part of Block 37,

of the Paul Tract Homestead Association; thence westerly along said northerly boundary line, produced, of the said southerly one-half part of said Block 37, 43.34 feet, more or less, to its intersection with the northerly line of Campbell avenue (formerly Barry street); thence easterly along the northerly line of Campbell avenue (formerly Barry street) produced, 26.8 feet, more or less, to a point distant 14 feet, measured at right angles westerly from the westerly line of San Bruno avenue; thence northerly, parallel to the westerly line of San Bruno avenue, and uniformly distant 14 feet westerly therefrom, a distance of 247.9 feet, more or less, to the northerly line of that portion of the Visitacion Rancho, known as the Piper and Reis Tract; thence easterly along said northerly line of the Piper and Reis Tract, 14.35 feet, more or less, to the point of commencement, containing 3,850 square feet of land, more or less, and being a part of that portion of the Visitacion Rancho known as Piper and Reis Tract.

Reserving unto the party of the first part, its successors and assigns, the right to make excavations and construct tunnels beneath the surface of said parcel of land, and to construct, maintain and operate railroads and their appurtenances, therein, and to devote said land to any uses as will not interfere with the use of the surface thereof, for street purposes. The intention of this conveyance is to grant to the party of the second part, and this grant is hereby limited to, an easement, covering the surface of said premises, for street purposes, at or about the present official grade of the avenues mentioned in the foregoing description, and not otherwise.

This easement is granted by the party of the first part, and accepted by the party of the second part, upon the following express conditions, to-wit:

First: Said premises shall be used solely for public street purposes. Should such use be abandoned or discontinued for a period of one year, this easement shall become void, and the party of the first part, its successors and assigns, shall have the right to resume and retake absolute and exclusive possession of the premises, or any part thereof, the use of which shall be so abandoned or discontinued.

Second: The party of the first part shall not be liable for any damage to said premises, or the streets thereon, resulting, directly or indirectly, from the construction or maintenance of tunnels, or other use of said land, beneath the surface thereof, or the op-

eration of railroads in or through such tunnels.

Third: The party of the second part shall accept the improvement and paving of San Bruno and Campbell avenues, when improved and paved, and will thereafter keep same in repair.

In witness whereof, the party of the first part has caused these presents to be executed, by its officers thereunto duly authorized, and its corporate seal to be hereunto affixed, the day and year first above written.

Extension of Time.

Supervisor Welch presented:

Resolution No. 12839 (New Series), as follows:

Resolved, That Flinn & Treacy are hereby granted an extension of 30 days' time from and after April 18, 1916, within which to complete contract for the improvement of Fairfax avenue between Lane and Mendell streets.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that the contractors were delayed in the progress of the work on account of the inclement weather, and this work, which is to complete the unfinished pavement on the block, is well under way at the present time.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

Absent—Supervisor Hayden—1.

Clerk to Advertise for Horse and Buggy Hire.

Supervisor Gallagher presented the following resolution and statement which, on motion of Supervisor Deasy, was ordered *referred to the Supplies Committee*:

Resolution No. — (New Series), as follows:

Resolved, That the Clerk is hereby directed to advertise for proposals for furnishing horse and buggy service required by the City and County of San Francisco during the fiscal year 1916-1917, as per specifications to be prepared by the Supplies Committee.

Business Buggies.

The contractor is required to furnish on a monthly rental basis such "horse and buggy" service as may be required by the various departments and offices of the City and County of San Francisco during the fiscal year 1916-17.

This service shall include the delivery to and from the City Hall daily (Sundays and holidays excepted).

The buggies shall be rubber tired, and kept in good repair.

The horse, harness and storm covers all to be equal to the best standards prevailing in this class of service.

Clerk to Advertise for Proposals for Furniture for City Hall.

Supervisor Gallagher presented:

Resolution No. 12840 (New Series), as follows:

Resolved, That the Clerk is hereby directed to advertise for proposals for supplying furniture required for the City Hall.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

Absent—Supervisor Hayden—1.

Oil, petroleum, f. o. b. Relief Home, 95c per barrel.

Oil, petroleum, f. o. b. S. F. Hospital, truck delivery, 90c per barrel.

Oil, petroleum, f. o. b. S. F. Hospital, tank car, 84c per barrel.

Oil, petroleum, f. o. b. any Municipal institution not mentioned above, 90c per barrel.

Resolved, That said Union Oil Company of California shall furnish a bond in the sum of \$5,000 for the faithful performance of said contract, the sureties upon said bond to be subject to the approval of the Mayor.

All other bids for the above stated articles are hereby rejected.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Power, Suhr, Walsh, Welch, Wolfe—16.

Absent—Supervisors Hayden, Nolan—2.

Gasoline Bids Rejected.

Also, Resolution No. 12842 (New Series), as follows:

Resolved, That all bids submitted March 20, 1916, for supplying gasoline required by the various public institutions and departments of the City and County of San Francisco are hereby rejected in the public interest, and the Clerk directed to cause the notice for proposals to be readvertised.

Ayes—Supervisors Brandon, Deasy, Gallagher, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Power, Suhr, Walsh, Welch, Wolfe—16.

Absent—Supervisors Hayden, Nolan—2.

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Extension of Time.

Supervisor Welch presented:

Resolution No. 12843 (New Series), as follows:

Resolved, That M. A. Greely is hereby granted an extension of 60 days from and after April 18, 1916, within which to complete contract for grading and paving Anza street between Thirty-seventh and Thirty-eighth avenues. This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that inclement weather has delayed operations, but the grading is now being performed and the contract will be completed within the extension.

Adopted under suspension of the rules by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Power, Suhr, Walsh, Welch, Wolfe—16.

Absent—Supervisors Hayden, Nolan—2.

Construction of Wharf at Islais Creek.

Supervisor Kortick presented:

Resolution No. 12844 (New Series), as follows:

Whereas, This Board has duly appointed a committee known and designated as the Commercial Development Committee, the office and purpose of said committee being to encourage the

development of the industrial districts of this City; to consider manufacturing problems as related to the industrial needs of this City; to consider and report on all projects tending to promote the establishment of industries in San Francisco, and to cooperate with commercial and industrial organizations in an effort to establish new industries;

Whereas, The Commercial Development Committee is using every endeavor to induce the building of factories, warehouses, etc., in San Francisco, and to properly perform the functions of this committee;

Whereas, That certain section of this City lying south of Islais Creek channel is most available for the location of large warehouses, factories, plants and industries; and

Whereas, Most all of said section above referred to has been filled and brought up to the official grade, and

Whereas, Said section abuts said Islais Creek channel, which has been dredged to a depth of about twenty feet, and extending from the Bay to the solid trestle of said Bay Shore Railway, at Texas street, thereby permitting the passage of the larger deep water vessels through said creek to said trestle; and

Whereas, Said section is intersected by the railroad tracks of the Southern Pacific and Santa Fe Railroads, thus bringing rail and water shipment together; and

Whereas, This Board heretofore and at the request of the Honorable State Board of Harbor Commissioners of the State of California did pass a resolution demanding of the railroad corporation liable under its franchise from this City for the cost and construction of a drawbridge on Kentucky street, at said Islais Creek, that said bridge be immediately constructed; and

Whereas, Said railroad company did, at a cost of about \$250,000, construct said drawbridge, which said drawbridge is now being operated by the Board of Works of this City and County; and

Whereas, This Board did direct that such drawbridge supplant the then existing trestle with the object in view of developing navigation from the Bay up Islais Creek;

Whereas, To complete the availability of said section for commercial and industrial purposes it is necessary that a wharf be built in front of the property abutting said Islais Creek; and

Whereas, Many of the commercial bodies and development clubs of this City have passed resolutions in favor of the development of said section for

said commercial and industrial purposes; and many of our leading citizens and property holders have signed petitions having to their end the development of said section; and

Whereas, The said Commercial Development Committee has made a thorough examination of the conditions in this connection, and realize that unless prompt action is taken to construct said wharf many more industries will be lost to this City, with the consequent loss of much trade and business; therefore be it

Resolved, That said Commercial Development Committee is hereby empowered and directed to call on said State Board of Harbor Commissioners at its next regular meeting and request said State Board of Harbor Commissioners to immediately pass a resolution asking for bids and proceed to the construction of said wharf.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Power, Walsh, Welch, Wolfe—14.

Absent—Supervisors Hayden, Hilmer, Nolan, Suhr—4.

Widening of San Jose Avenue.

Supervisor Power presented:

Resolution No. 12845 (New Series), as follows:

Whereas, San Jose avenue is one of the main thoroughfares leading from the City to counties on the south, and

Whereas, if said street was widened it would prove a very desirable street for traffic to the southern end of the City, therefore be it

Resolved, That the Board of Public Works be and is hereby requested to advise the Board of Supervisors of the estimated cost of widening said San Jose avenue on the east side from Ottawa street to Sickles avenue.

Adopted under suspension of the rules by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

Absent—Supervisor Hayden—1.

Authorizing the Police Department to Select Suitable Building in Lieu of Present Building for Police Station in Said Bush Street District.

Supervisor Lahaney presented:

Resolution No. — (New Series), as follows:

Whereas, The records of the Police Department prove conclusively that the present quarters used for the Bush Street Police Station are unsanitary

and detrimental to the health of the members of the department, particularly those members whose work requires their presence within the Station during the time of their duty, and

Whereas, The Grand Jury for the year 1915, upon investigation found such insanitary condition to exist; therefore be it

Resolved, That the Police Commission and Chief of Police be and are hereby empowered to select a suitable building or location within the confines of the Bush Street Police District, said building to be used and designated as a police station for said district.

Referred to the Public Buildings and Finance Committee.

Report of Streets Committee on Renaming Streets and Renumbering Houses.

Supervisor Power moved that the consideration of Mr. Boysen's plan for renaming streets and renumbering houses be made a special order of business for 3:30 p. m. next Monday, and that Mr. Boysen be allowed 45 minutes to explain his system.

So ordered.

ADJOURNMENT.

There being no further business the Board, at the hour of 5:45 p. m., adjourned.

J. S. DUNNIGAN, Clerk.

Approved by the Board of Supervisors, April 24, 1916.

Pursuant to Resolution No. 3402 (New Series), of the Board of Supervisors of the City and County of San Francisco, I, J. S. Dunnigan, hereby certify that the foregoing is a true and correct copy of the Journal of Proceedings of said Board of the dates thereon stated, and approved as above recited.

J. S. DUNNIGAN,

Clerk of the Board of Supervisors,

JOURNAL OF PROCEEDINGS

BOARD OF SUPERVISORS

MONDAY, APRIL 24, 1916.

In Board of Supervisors, San Francisco, Monday, April 24, 1916, at 2 p. m.

The Board of Supervisors met in regular session.

CALLING THE ROLL.

The Roll was called and the following Supervisors were noted present:

Supervisors Brandon, Deasy, Gallagher, Hayden, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—17.

Absent—Supervisor Hilmer—1.

His Honor Mayor Rolph presiding.

READING THE JOURNAL.

The Journal of the meeting of April 17, 1916, was read and approved.

ROLL CALL FOR PETITIONS FROM MEMBERS.

The following matters were presented and read by the Clerk:

MAYOR'S VETO.

Improvement of Yard of Junipero Serra School.

The following communication and bill were presented, read, ordered spread in the Journal and *laid over one week for consideration*:

San Francisco, Cal.,
April 22nd, 1916.

To the Honorable Board of Supervisors of the City and County of San Francisco:

Gentlemen:

I herewith return to you, without my approval, Bill No. 4026, Ordinance No. 3696 (New Series), "ordering the improvement of the yard of the Junipero Serra School in accordance with plans and specifications prepared therefor, and authorizing and directing the Board of Public Works to enter into contract for said improvement," which was passed by your Honorable Board on April 10th, 1916, and presented to me on April 12th, 1916.

There are no "plans and specifications prepared therefor."

I am in favor of the much-needed repair to the Junipero Serra School

yard, but the funds for these repairs must be provided from proper sources and the money expended through the proper department of the City government, as provided by the Charter of the City and County and the State law, namely, the Board of Education.

The affairs of public education in this City and County are vested in the Board of Education, and in the management of school affairs their recommendations should be given prompt consideration and action by the legislative branch of the City government.

There is, approximately, \$28,000.00 remaining in the 1908 bond issue school fund. I understand it is the intention of your Honorable Board to appropriate a portion of this fund for the repair of the school yard at the Junipero Serra School.

This is in conflict with the purpose of the Board of Education, which has planned to use this fund for the construction of an urgently needed school at Folsom and Tompkins streets, in the Bernal Heights District. The small children in this neighborhood are compelled to travel beyond the Bernal School to the Junipero Serra School, too long a distance for small children.

The Board of Education, to provide school facilities in this neighborhood to supply this urgent need, have been compelled to rent undesirable rooms for the purpose of providing elementary education for the younger children while they have been pleading for an appropriation of the remaining funds in the 1908 bond issue school fund for the purpose of building a one-story school building, to be known as the "Paul Revere School."

I recommend that the fund of approximately \$28,000.00 (remaining in the 1908 school fund) be appropriated for the building of the school, and that, in the forthcoming budget, a Repair Fund be provided sufficient to enable the Board of Education to make the repairs at the Junipero Serra School yard. At the present moment, the needs of the Paul Revere School building are of more pressing importance than the fencing or bitu-

minizing of a school yard, which should be done out of a repair fund provided for that purpose.

Respectfully yours,

JAMES ROLPH, JR.,

Mayor of the City and County of San Francisco.

Read and ordered spread in Journal.

Bill No. 4026, Ordinance No. 3696 (New Series), as follows:

Ordering the improvement of the yard of the Junipero Serra School in accordance with plans and specifications prepared therefor, and authorizing and directing the Board of Public Works to enter into contract for said improvement.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The Board of Public Works is hereby authorized, instructed and empowered to enter into contract for the improvement of the yard of the Junipero Serra School in accordance with plans and specifications prepared therefor.

Section 2. This ordinance shall take effect immediately.

Jitney Bus Regulation on Market Street.

Communication—From Board of Police Commissioners, returning protests and petitions regarding jitney bus regulation on Market street, together with City Attorney's opinion that ordinance does not give Police Department such power of regulation as has been assumed by Board of Supervisors.

San Francisco Commercial Club Thanks Board for Co-operation in Celebration of Tenth Birthday of New San Francisco.

Communication—From San Francisco Commercial Club, advising of the adoption of a resolution thanking the Board of Supervisors for its co-operation in connection with the club's tenth birthday celebration of the new San Francisco, which was held at the Exposition Auditorium on Tuesday, April 18, 1916.

Read and ordered filed.

Report of Finance Committee of Board of Education on Power of Said Board Over School Funds.

The following matters were read, ordered printed in Journal and ordered filed:

April 18, 1916.

To the Honorable Board of Supervisors, City and County of San Francisco.

Gentlemen:

I have the honor to transmit herewith copy of a report presented to the Board of Education by the chairman of its Finance Committee at a meeting held April 18, 1916. The report was adopted and the recommendations contained therein approved at said meeting.

Respectfully yours,

M. R. NORRIS,

Secretary Board of Education.

To the Honorable Board of Education, San Francisco.

Ladies and Gentlemen:

Your Committee on Finance begs leave to present the following report and to make the following recommendations:

Under the Charter (Article VII, Chapter 3, Section 1) the Board of Education has all of the powers conferred directly by the Charter, and, in addition thereto all the "powers conferred by the general laws of the State." The State law (Article VII, Paragraph 1617) gives to Boards of Education the power "to manage and control the school property within their districts"; and declares (Article IX, Paragraph 1651) that the "clerk of each district must under the direction of the Board of Trustees provide all school supplies authorized by this chapter, keep the school-house in repair." The Charter (Article VII, Chapter 6, Sections 1, 2 3) provides the plan whereby the Board of Education, with the help of the Board of Public Works, may repair and build new schoolhouses and purchase lots for school purposes.

The State law (Article XIX, Paragraph 1830) confers upon Boards of Education the power to "call an election and submit to the electors of the district the question whether a tax shall be raised to furnish additional school facilities for the district or to maintain any school in such district or for building one or more schoolhouses or for any two or all of these purposes"; and Article XXI, Paragraph 1880, confers upon Boards of Education the power to "call an election and submit to the electors of the district the question whether the bonds of such district shall be issued and sold for the purpose of raising money for purchasing school lots, for

building or purchasing one or more school buildings or making alterations or additions to any school building or buildings or repairing, restoring or rebuilding any school building damaged, injured or destroyed by fire or other public calamity, for insuring school buildings, for supplying school buildings with furniture or necessary apparatus, for improving school grounds," etc. The powers granted by Paragraphs 1830 and 1880 of the State law have not been exercised by Boards of Education in San Francisco, and, of course, this board does not wish to invoke said powers. The paragraphs are recited only for the purpose of showing the extensive powers and practical independence in the administration of school matters conferred upon this Board of Education by the Charter and the State law.

The Charter (Article VII, Chapter 3, Section 4) directs the Board of Education to "adopt a schedule of salaries for the next ensuing fiscal year for teachers and all employes of the School Department." The budget adopted by the Board of Supervisors for the current fiscal year segregates school funds and specifies the purposes for which school funds shall be devoted, in a manner entirely inconsistent with the powers of the Board of Education hereinabove recited; for example, the Common School Fund (Items 721-748) of the budget specifies the salaries of almost all of the employes of the School Department to such an extent that if it were carried out it would be the Board of Supervisors—not the Board of Education—that would "adopt a schedule of salaries for all employes of the School Department."

The budget allowance for new teachers for the high schools (Item 738 B) would have made it possible for the Board of Education to appoint not more than 7 teachers this year, although as a matter of fact it has been found necessary to appoint 23 high school teachers. Fortunately neither the Board of Supervisors nor the Auditor has sought to enforce the segregation of the Common School Fund as itemized in the budget, the Auditor at all times indicating his belief that the Board of Education has the sole power to itemize the Common School Fund.

Budget Items 58, 60, 61, 72 and 72-a, set aside according to the budget as special funds "to be expended" in such manner and in such amounts as directed by the Board of Supervisors, should have been appropriated in such a way that they might have been expended directly by the Board of Education with the help of the Board of

Public Works under such conditions as the law prescribes.

If Budget Item 61 had been followed we would have been required to build the Daniel Webster School upon a site entirely unsuitable in the judgment of the Board of Education.

Your Finance Committee therefore recommends that in the preparation of the forthcoming budget the Board of Supervisors be requested to make all of the funds that said Board may set aside for school purposes, available by the Board of Education with the assistance of the Board of Public Works wherever such assistance is required by the law; that the Board of Supervisors be requested, in the preparation of the Common School Fund in particular, to make no subdivisions of said fund insofar as it is to be devoted to the support of the elementary and high schools in general. Insofar as the Common School Fund is to be used for the establishment and maintenance of social centers, for the education of adults in citizenship and the principles of American civic and social life, for the establishment of new kindergartens, or such additional purposes as the establishment of a dental clinic—as these purposes are somewhat apart from those ordinarily covered by the Common School Fund the Board should respect any segregation of special appropriations for these purposes that the Board of Supervisors may wish to make. Any other itemization of the Common School Fund should be made by the Board of Education alone.

Respectfully submitted,

(Signed) A. A. D'ANCONA,
Chairman Finance Committee.

Regulation of Solicitors and Hotel Runners at Ferry.

The following matter, made a special order of business for 3 p. m. this day, was taken up:

Majority Report.

April 24, 1916.

Board of Supervisors.

Gentlemen: Your Committee on Police reports as follows: In favor amending Section 32 of Ordinance No. 1898 (New Series), relating to solicitors at ferry landings and depots.

The present ordinance permits the Police Department to fix a line for solicitors at 24 feet from the entrance to a ferry or depot, and the amend-

ment reduces the distance to 12 feet.

With this exception the present ordinance has proved satisfactory.

In favor of granting the masquerade ball permit listed on today's calendar.

Other matters were continued for further investigation.

Respectfully,

JOS. F. LAHANEY,

OSCAR HOCKS,

Police Committee.

Bill No. —, Ordinance No. — (New Series), as follows:

Amending Section 32 of Ordinance No. 1898 (New Series), commonly known as the "Rates of Fare Ordinance."

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. That Section 32 of Ordinance No. 1898 (New Series) is hereby amended to read as follows:

Section 32. It shall be unlawful for any runner or soliciting agent, or driver or motorman, of any public passenger vehicle, to solicit patronage in front of any entrance, exit or gangway of any ferry landing, wharf, depot, theater, circus, hall or other place where people are assembled, within twelve (12) feet thereof, or within twelve (12) feet of the lines of said entrance, exit or gangway produced twelve (12) feet from the front thereof; provided that the verbal soliciting of patronage for the conveyance of persons, baggage or merchandise is hereby prohibited while passengers are actually being discharged from any ferry boat, steamboat or railroad train.

Section 2. This ordinance shall take effect immediately.

Minority Report.

April 24, 1916.

Board of Supervisors.

Gentlemen: The minority of your Police Committee reports as follows:

In favor of the amendment of Section 32 of Ordinance No. 1898 (New Series), limiting the distance of the line for solicitors at ferry landing or depots to 12 feet from the entrance thereof as recommended by the majority of the committee, but I also am in favor of an additional amendment striking out of Section 32 the prohibition of verbal soliciting, as this matter is sufficiently controlled by Section 33 of the same ordinance.

I also favor the repealing of Section 36½ of Ordinance No. 1898 (New Series), as this section is only declaratory of the powers of the Police Department and consequently unnecessary.

Respectfully,

C. J. DEASY,

Minority of Police Committee.

Bill No. —, Ordinance No. — (New Series), as follows:

Amending Section 32 and repealing Section 36½ of Ordinance No. 1898 (New Series), commonly known as the "Rates of Fare Ordinance."

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. That Section 32 of Ordinance No. 1898 (New Series) is hereby amended to read as follows:

Section 32. It shall be unlawful for any runner or soliciting agent, or driver or motorman, of any public passenger vehicle, to solicit patronage in front of any entrance, exit or gangway of any ferry landing, wharf, depot, theater, circus, hall or other place where people are assembled, within twelve (12) feet thereof, or within twelve (12) feet of the lines of said entrance, exit or gangway produced twelve (12) feet from the front thereof.

Section 2. That Section 36½ of Ordinance No. 1898 (New Series) is hereby repealed.

Section 3. This ordinance shall take effect immediately.

Privilege of the Floor.

W. R. Hagerty, attorney representing the chauffeur's Union, was granted the privilege of the floor and addressed the Board. He declared that it was understood at the time the present ordinance was enacted that if it did not work out satisfactorily to all parties concerned, that it should be amended. He stated that it had not worked out satisfactorily as far as the taxicab men were concerned, for during the Exposition year when business was at its highest point, his clients, the individual taxicab men, had suffered the worst business in all their career on the front. Therefore, they felt justified in asking that the severity of the law be moderated and that verbal solicitation be permitted and the line be definitely fixed at twelve feet. He called attention to the fact that the California Taxicab Co. maintained a booth and uniformed solicitors inside the Ferry Building, and also were permitted to solicit on the trains and boats. The injustice of this condition as against the individual taxicab men who must stand at least twelve feet outside the entrance, and even then are not permitted to open their mouths to solicit business, he said, must be manifest to all.

John O'Connell, representing the San Francisco Labor Council, also addressed the Board. He declared that the Labor Council stood for free speech for the individual taxicab men at the ferry, as it did for men in every craft and trade in San Francisco. He urged that the Board take

such action as would guarantee a full measure of freedom to these men in soliciting trade for their taxicabs.

S. T. Dixon, business agent for the Chauffeur's Union, was also granted the privilege of the floor and urged the adoption of the amendment proposed by Supervisor Deasy.

S. A. Caldwell also requested the Board to give favorable consideration to the requests of the individual taxicab men. He declared that under the present arrangement it was impossible for men to live and support their families.

Theodore Johnson, representing the San Francisco Labor Council, was granted the privilege of the floor and addressed the Board. He declared that the three largest hotels in San Francisco were represented on the Police Commission and the individual taxicab man had no such representation. He urged the Board to approve the amendment providing for verbal solicitation for solicitors and runners at the ferry.

M. Russell, representing the Travelers' Aid Society, called attention to the good work of the society during the Exposition in the protection of women and girls, and urged that the old conditions at the ferry be not returned to. Being asked if he was authorized by the society to represent it in this matter, he said that he was not, but had been requested by one or two of the directors to appear here in the matter. The society itself had not acted in the matter.

M. Bowles, representing the Chamber of Commerce, declared that the Chamber of Commerce preferred the ordinance in its present form. We have had experience, he said, with verbal soliciting and know that it has been a source of scandal and complaint.

Otto Schiller, representing the Downtown Association, declared in favor of the present ordinance except the twelve-foot provision, which, as proposed for amendment, was not objectionable. Under the old order of things, he said, we received many complaints from Eastern visitors, and consequently do not want it re-established as proposed in the amended ordinance.

Mr. Griffin, representing Hotel Owners' Association; *G. Gerhardt*, representing Civic League; *Mr. Harris*, secretary of the San Francisco Hotel Association; *Mr. Salinger*, representing Matson Navigation Company, also addressed the Board in opposition to the proposed amendment.

Edgar Painter, representing the North Central Improvement Association, also protested in the name of his organization to a return to the

conditions that obtained prior to the passage of the present ordinance. He declared that the babel of voices and the disgraceful conditions that formerly existed were a serious detriment to the welfare of this city.

Lieutenant Matheson, representing Harbor Police Station, stated that when he was sent to the Harbor Station he was sent there expressly for the purpose of correcting the conditions complained of with regard to solicitors and runners at the ferry. He said it was a frequent occurrence prior to the adoption of the present ordinance for people to be taken to one hotel when intending to go elsewhere. Since the ordinance went into effect, he said, this condition has been corrected and he urged that no amendment be made that would permit a return to old conditions.

Amendment.

Supervisor Deasy requested permission to withdraw Section 2, providing for repeal of Section 36½.

So ordered.

Passed for Printing.

Whereupon, the recommendation of the minority of the Police Committee as amended was *passed for printing* by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hynes, Mulvihill, Nelson, Nolan, Power, Walsh, Welch, Wolfe—11.

Noes—Supervisors Hayden, Hocks, Kortick, Lahaney, McLeran, Suhr—6.

Absent—Supervisor Hilmer—1.

UNFINISHED BUSINESS.

Final Passage.

The following matters, heretofore passed for printing, were taken up and finally passed by the following vote:

Denying Stable Permit.

Supervisor Walsh presented:

Resolution No. 12859 (New Series), denying, in the exercise of the sound and reasonable discretion of the Board of Supervisors, permission to Anton Delucchi to maintain a stable at 425 Lyon street.

Privilege of the Floor.

Mrs. De Lucchi was granted the privilege of the floor and addressed the Board and urged that resolution be refused adoption.

_____, representing the North of the Panhandle Improvement Club, also addressed the Board. He opposed the granting of a permit for a stable in the district and urged the adoption of the resolution.

Adoption.

Whereupon, the question being taken, the foregoing resolution was *adopted* by the following vote:

Ayes—Supervisors Hayden, Hocks, Hynes, Kortick, Lahaney, McLeran, Nelson, Power, Suhr, Walsh, Wolfe—11.

Noes—Supervisors Brandon, Deasy, Gallagher, Mulvihill, Nolan, Welch—6.

Denying Stable Permit.

The following resolution, heretofore presented by Supervisor Walsh and on motion laid over and made a special order for 3 p. m., was taken up:

Resolution No. 12860 (New Series), as follows:

Resolved, That in the exercise of the sound and reasonable discretion of the Board of Supervisors, permission is hereby denied Joseph Levy to maintain a stable at 340 Fell street.

Privilege of the Floor.

E. F. Conlin, attorney representing Jos. Levi, the applicant, opposed the adoption of the resolution on the ground that the district in which Mr. Levi wishes to conduct a stable is already given over very largely to that character of business, and to refuse him a permit is unjust discrimination. There are ten stables, he said, in the immediate vicinity of the proposed stable of Mr. Levi, each of them accommodating from two to seventy-five horses. Although Mr. Levi had promised to discontinue stable after Exposition year, he felt that he should not be held to such a promise in consideration of the circumstances. By reason of the stables at present in the vicinity, his property cannot be used for any other purpose.

Mr. Kelly, representing protesting property owners, also addressed the Board. He declared that Mr. Levi should be held to his promise to go after the Exposition year. The other stables, he said, are watching the decision that will be handed down by the Board of Supervisors in this case.

Mrs. Daly, representing apartment house adjoining proposed stable, also protested, declaring that she could not hold her tenants if the permit was granted.

Adopted.

Whereupon, the question being taken, the foregoing resolution was adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch, Wolfe—16.

No—Supervisor Hayden—1.

Absent—Supervisor Hilmer—1.

Emergency Hospital for Outlying Districts.

The following resolution, laid over from last meeting, was taken up:

Resolution No. — (New Series), as follows:

Whereas, An extended section of the City, embracing the districts known as Ocean View, Ingleside, Sunnyside, Glenn Park, Excelsior Homestead, University Heights, Crocker-Amazon Tract and intervening localities, supporting an extremely large population, are inadequately supplied with hospital facilities of an emergency character, the nearest institution being located at Twenty-first street and Potrero avenue; therefore

Resolved, By the Board of Supervisors, That the public interest and necessity demand that an emergency hospital be constructed at an early date, the same to be located at a central point that will be accessible from the districts herein named.
